I would like the shout out for this month to be for the entire staff at **Gary Rome Kia**. A heartfelt thank you, to all that come to work day in and day out in these trying and uncertain times. Our greatest commity in this business is our employees and I am thrilled to be working with this entire group that has pulled together, kept their heads down and performed so well during these times. It is impressive to see how well we have all adapted to a changing society and made efforts to make our customers feel comfortable and the lengths we have gone to make that possible. We will get through this, we will survive and we will prosper again!

Thank you all for your efforts and support! STAY SAFE!
