"With the transitions in the Hyundai Service Department, I would like to shout out to all of the Advisors, Porters, Technicians, and the Parts team for a job well done! We will come out of this bigger and stronger!!! Thank you!"

- Kevin Schechterle

"Shout out to John Bruso, who has been at Gary Rome Kia almost as long as me! We can always count on John to come in clutch at the end of the month with a few extra deals.

John has so many repeat customers who come in looking for him. John also does a fantastic job managing our new car inventory and keeps a lean and clean inventory of our most popular models."

- Steve Liptak

"Shout out to Hector Santiago! Hector has been a huge help keeping our lot clean... inventory is not perfect until "Hector says its perfect" and everything is lined up like soldiers. Nothing distracts Hector from his job at hand. Hector is a model employee and his attention to detail and willingness to help others is why we always rely on him. A shout out does not do him justice, he could be employee of the month EVERY month!!"

-Dave Nathan

"Shout out to Kiara Vazquez, one of our newest BDC members! Kiara is learning and growing daily. We love having you as part of our team!"
