TECHNICAL DATA

## **FLEXIBILITY, IN A SPLIT SECOND.**

The split-fold-down rear seats system extends the transport versatility of your BMW. Thanks to the rear-seat backrest, which splits in a 40/20/40 ratio, various individual configurations are possible.

**TOUCH OF CLASS.**

Add a deep black, glazed ceramic finish to the iDrive Controller bezel, the ventilation and audio controls, and more. The black ceramic provides a rich, custom look and unique feel to the interior.

<sup>1</sup> Run-flat tires do not come equipped with a spare wheel and tire.

<sup>2</sup> Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

<sup>3</sup> Performance tires include Mobility Kit; not recommended for driving in ice and snow conditions.
