The Service Plan from Dent Wizard

Keep
your
vehicle
free of
dents
and
dings...

with
Dent Wizard's
Paintless
Dent Removal

The fact is dents and dings are unavoidable.

Whether its:

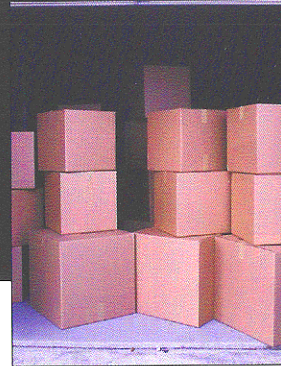

At the Grocery Store

At Sports Practice

In the Parking Lot

In Your Garage

And what's more, damage
can be expensive to repair.

Until now!

Protect your investment from dents and dings

Ding Shield is a service plan from Dent Wizard that helps you keep your newly purchased vehicle in dent and ding free condition without any sanding or painting.

Dent Wizard's paintless dent removal (PDR) is a process whereby dents, dings and creases are reformed to their original factory condition without any sanding or bonding. Ding Shield will save you thousands of dollars on expensive repairs and maintain the integrity of your vehicle.

VEHICLE ELIGIBILITY

Ding Shield is available on all cars, trucks and SUV's with steel or aluminum body panels for 3, 4 or 5 year terms and is also transferable if the vehicle is sold.

REQUIREMENTS

Dents, dings and creases up to the size of the Ding Shield card are covered including repairs on the hood, trunk, doors, fenders, roof and quarter panels.

REPAIR TIME/LOCATION

Repairs usually require less than an hour with a scheduled appointment at your dealership or other Dent Wizard approved location.

WARRANTY

All repairs come with a limited lifetime warranty that is good for as long as you own the vehicle.

SATISFACTION

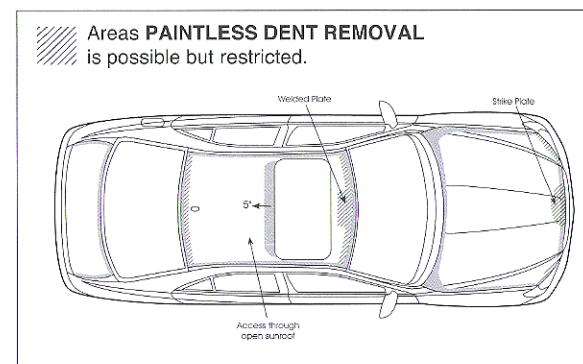

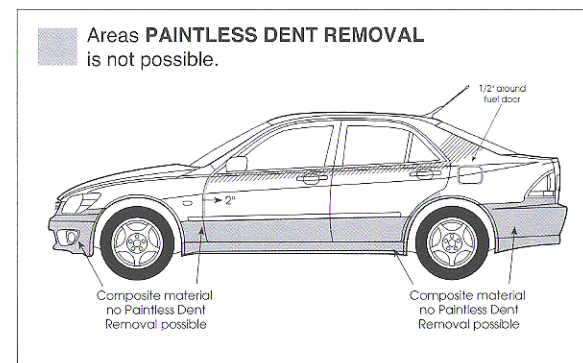

The repairs are performed by Certified Dent Wizard technicians only. All work is guaranteed, plus it meets manufacturer warranty specifications.

Coverage and Limitations

- Each Ding Shield PDR repair is equal to combined damage on any single panel up to the size of the Ding Shield card (3.5" x 2").
- Any area where the paint has been chipped or cracked is excluded.
- Covers side and top panels as well as aluminum repairs.
- PDR repairs are subject to accessibility, (e.g., an area within 1" of a door edge is not accessible)
- Does not cover dings or dents that have punctured the metal or have resulted in visible paint damage.
