## **How LoJack works:**

**1**

### **NOTIFICATION**

With optional LoJack Early Warning, if your car so much as moves, we notify you promptly. With standard LoJack, if your car goes missing, one call to the police puts your LoJack into action.

**2**

### **ACTIVATION**

As soon as your vehicle is reported stolen, your LoJack is activated, emitting a uniquely coded signal to our network of police cars, helicopters and airplanes.

**3**

### **RECOVERY**

Police use the LoJack Tracking Systems installed in their vehicles to pick up your car's signal. And because LoJack works where GPS devices can't—through concrete, buildings and steel—police can easily track your vehicle. Returning it within 24 hours. Guaranteed.

*The ONLY stolen vehicle recovery system operated by the police.*
