

Road Hazard Protection

Road Hazard Protection covers damage to tires caused by road hazards during normal driving.

Examples of road hazards are nails, glass, curbs, potholes or other hazards.

Road Hazard Protection covers the cost to repair a tire, and if the tire is not repairable, Goodwin Motor Group will replace the tire.

Charges for mounting and balancing are extra.

Once a tire is replaced, Road Hazard Protection must be purchased for each replaced tire. \$12.50 per tire.

Service must be performed at a Goodwin Motor Group location.

Service Dept. Hours

Mon-Fri	7:30am - 5:00pm
Saturday	8:00am - 12:00pm

Goodwin Motor Group's Tires for Life program offers you protection from costly tire replacement expenses down the road.

By purchasing four designated premium tires, Road Hazard Protection and an alignment through our Tires for Life program we will replace any tire that wears out under every day use.

To maintain the program you are also required to follow service and repair recommendations that include, but aren't limited to, steering and suspension components and related specifications.

Tires for Life covers the cost of the replacement tires. The charges for mounting, balancing and applicable taxes are additional. Furthermore, once a tire is replaced, you will need to purchase another Road Hazard Protection for your replacement tire in order for that new tire to qualify for the program.

Tread Depth	Action
>5/32"	No action required
3/32" - 4/32"	Time to consider replacement
<2/32"	Requires immediate replacement

Wear out criteria will be determined by a tread measurement of 2/32" or less.

Program Qualifications

- Rotate tires every 6,000 miles*
- Perform a 4 wheel alignment annually or every 15,000 miles, whichever comes first*
- Complete all services at a Goodwin Motor Group location

Tires damaged by neglect or abuse are not covered by the Tires for Life program.

*Tire rotations and alignments must be completed within 1,000 miles of program requirements.

Performance tires and some truck tires are excluded. See your Goodwin service advisor for details.

30-Day Price Guarantee

If you find the same tire advertised for less from a local competitor who sells and installs tires in the state of Maine within 30-days of purchasing your tires, we will reimburse you 110% of the difference.

Matching quotes must include applicable freight charges.

Buy 3 get 1 free" tire programs are not considered price match eligible.
