

Gray-Daniels Toyota
Privacy Policy

Our dealership may use other companies and individuals to perform certain functions on our behalf. Examples include administering e-mail services and running special promotions. Such parties only have access to the personal information needed to perform these functions and may not use or store the information for any other purpose. Subscribers or site visitors will never receive unsolicited e-mail messages from agents working on our behalf.

Business Transfers:

In the event that our dealership sells or transfers a particular portion of its business assets, consumer information may be one of the business assets transferred as part of the transaction. If substantially all of the assets of our dealership are acquired, consumer information may be transferred as part of the acquisition.

Compliance with Law/Safety:

Our dealership may disclose specific personal information based on a good faith belief that such disclosure is necessary to comply with or conform to the law or that such disclosure is necessary to protect the users of our Web sites, the sites themselves, or the public.

With Consent:

Other than as set forth in this Privacy Policy, you will be notified when any personally-identifiable information about you may be shared with third parties, and you will be given the opportunity to decline to share that information.

Use of Cookies:

Our dealership may use a browser feature known as a "cookie." Cookies are small files placed on your hard drive that assist us in providing you with a customized browsing experience. Our dealership uses cookies to provide you with the convenience of not having to reenter information, such as user IDs and passwords, multiple times during your visits to our Web sites. Cookies can also be utilized to help us provide you with information targeted to your interests, based upon your prior browsing on our Web sites. The "help" section of the toolbar on most browsers will inform you on how to prevent your browser from accepting new cookies, how to have the browser notify you upon the receipt of a new cookie, or how to disable the use of cookies completely. As our Web sites have been designed to take advantage of the use of cookies. Should you configure your browser to decline their use, certain features of our Web sites may not function correctly and you may be required to reenter any user IDs and passwords more frequently

Accessing Our Web Sites from Outside of the United States:

If you are visiting our Web site from a location outside of the U.S., your connection will be through and to servers located in the U.S. Any information you provide during your visit will be processed and maintained on our Web server and other internal systems located within the U.S.

External Links:

Our Web sites contain links to other sites. Our dealership is not responsible for the privacy practices or the content of such Web sites. To help ensure the protection of your privacy, we recommend that you review the privacy policy of any site you visit via a link from one of our Web sites.

Passwords:

The personal data record created through your registration with our Web site can only be accessed with the unique password associated with that record. To protect the integrity of the information contained in this record, you should not disclose or otherwise reveal your password to third parties.

Public Forums:

Our Web sites may make chat rooms, forums, message boards, and/or news groups available to its users at various times. Please remember that, unless otherwise stated, any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose your personal information in these areas.

Opt-out Procedures:

You may always opt-out of receiving future communications from our dealership. Our sites allow users to opt-out of receiving such communications at the point where personal information is requested, or through other means as identified.

Browser-Based Do Not Track:

Some browsers incorporate a "Do Not Track" (DNT) feature that, when turned on, signals to websites and online services that you do not want to be tracked. Because there is not yet an accepted standard for how to respond to a DNT signal, we do not currently respond to DNT signals on this website or on websites where we provide advertisements, content, or other services.

Contacting the Web Sites:

If you have questions concerning this Privacy Policy or the practices of these sites, you may contact us.
