2026 TEAM COLORS

We're spotlighting **Hendrick Automotive Group** dealerships with **Home** and **Away** team colors again. Kyle Larson and the No. 5 team will wear white uniforms at Home tracks located close to our stores. The team will hit the road for Away races in classic blue uniforms – the look you know and love to see in Victory Lane.

To celebrate - we're putting a twist on our limited edition Home race merchandise drops. For every Home race, Kyle Larson will wear a unique new helmet design and our Home hats will MATCH, so you can match your favorite driver when he's inside the car and out! Less than 100 of each hat will be available for sale at the Kyle Larson track-side merchandise trailer each race weekend. Can't attend in person? Enter to win an autographed hat on HendrickCars.com/Racing and check out the giveaway drops on our [@HendrickCars](https://twitter.com/HendrickCars) social media channels!
