

YOU WORK HARD AND SO DO YOUR TAXES.

YOU COULD WRITE OFF UP TO **100%** OF THE PRICE OF A NEW CHEVROLET VEHICLE

Chevrolet has been working hard to help get the job done at your worksite. And thanks to recently announced tax depreciation laws, your business may be eligible to immediately deduct up to 100% of the purchase price¹ of an unlimited number of qualifying new Chevrolet vehicles purchased in 2023 for business use.

With these tax depreciation laws in place, it's a great time to add the dependability of Chevrolet cars, trucks and SUVs to your small business. To learn more about current offers, contact your dealer or visit www.chevrolet.com/tax-deductions.

Up to 100% of the purchase price¹

Each purchaser's tax situation is unique and the available tax benefits and the applicable federal tax laws, regulations and guidelines are subject to change without notice. Therefore, customers must consult their tax advisor to determine the proper tax treatment of any vehicle purchase(s). For more information, visit www.irs.gov. This advertisement is for informational purposes only and should not be construed as tax advice or as a promise of availability or amount of any potential tax benefit or reduced tax liability.

¹Taxpayers may be entitled to U.S. federal income tax deductions and/or credits for purchases of vehicles that are placed in service in a trade or business during 2023. Determining the proper income tax treatment of any vehicle purchase requires careful consideration of several factors including, but not limited to, the applicable tax laws, regulations and guidelines, characteristics and attributes of the particular vehicle purchased and the purchaser's income tax situation. Each purchaser's tax situation is unique and the available tax benefits and the applicable federal tax laws, regulations and guidelines are subject to change without notice. Therefore, customers must consult their tax advisor to determine the proper tax treatment of any vehicle purchase(s). For more information, visit www.irs.gov. This advertisement is for informational purposes only and should not be construed as tax advice or as a promise of availability or amount of any potential tax benefit or reduced tax liability. ²When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ³Individuals, businesses and tax-exempt organizations that purchase a qualifying electric vehicle for use in a trade or business may qualify for a federal Qualified Commercial Clean Vehicle income tax credit of up to \$7,500. For more information, visit <https://www.irs.gov/credits-deductions/commercial-clean-vehicle-credit>. Individuals who purchase a qualifying electric vehicle for non-business use may qualify for a federal Clean Vehicle income tax credit of up to \$7,500, subject to additional restrictions. For more information, visit <https://www.irs.gov/credits-deductions/credits-for-new-clean-vehicles-purchased-in-2023-or-after>. Consult your tax advisor to determine the proper tax treatment of any vehicle purchase(s) including, without limitation, which vehicles qualify, the amount of the available credit, how to claim the credit, how claiming a credit may impact other tax deductions and/or tax credits and for additional restrictions and limitations. Clean Vehicle and Commercial Clean Vehicles tax credit amounts, eligibility requirements and other requirements, restrictions and limitations are subject to change without notice.
