2025 TEAM COLORS

We're spotlighting **Hendrick Automotive Group** dealerships with **Home** and **Away** team colors again. Kyle Larson and the No. 5 team will wear white uniforms at Home tracks located close to our stores. The team will hit the road for Away races in classic blue uniforms – the look you know and love to see in Victory Lane.

To celebrate - we're adding a few surprises throughout the season to our limited edition Home race merchandise drops. Keep an eye on **@HendrickCars** social media for more information and for the hat drops for every Home race. Less than 100 of each hat will be available for sale at the track-side merchandise trailers. But you can enter to win an autographed one every week on **HendrickCars.com/racing!**
