

## HOOVER AUTOMOTIVE GROUP CARES

As a family-owned business, we understand the importance of being there for each other.

**THAT'S WHY WE'VE PLEDGED TO CONTRIBUTE A PORTION OF THE PROCEEDS FROM EVERY VEHICLE SOLD AT ALL HOOVER STORES TO WORTHY CAUSES LIKE 4-STAR RATED WATER MISSION.**

Since 2001, Water Mission, based in Charleston, has served more than 8 million people in developing nations and disaster areas worldwide. They educate and empower communities to take ownership of the safe water, sanitation, and hygiene solutions their team provides.

We've supported Water Mission for over a decade and personally know the founders. We've seen their incredible work firsthand and know their deep commitment to providing clean water and sanitation to communities in need both here at home and around the world.

In September 2024, following Hurricane Helene's devastation in our own and neighboring states, Water Mission was on the ground the very next day providing safe water to the hardest hit communities, even making preparations to serve as the only source of water in some areas for months after the storm. We're proud to support their mission and help the Hurricane Helene recovery efforts.

When you shop at a Hoover Automotive Group dealership, you're not just getting a great vehicle, you can rest easy knowing that your purchase is making a difference.

**WITH YOUR HELP, WE LOOK FORWARD TO CONTINUING TO SUPPORT CAUSES AND ORGANIZATIONS THAT MAKE A DIFFERENCE! [READ MORE AT WATERMISSION.ORG.](https://watermission.org)**
