Certified Information

Hand Motors is pleased to offer several Certified programs for the used vehicles we sell. First is the GM Certified Pre-Owned program which includes 12 month/12,000 mile "bumper to bumper" coverage along with a power train limited warranty. Volkswagen offers two great certified options; the World Auto Certified Pre-Owned for VW models providing 24 months/24,000 miles of coverage and the Quality Pre-Owned for most non-VW vehicles, which offers 12 months/12,000 miles of protection.

This all adds up to great peace of mind when you select a pre-owned vehicle at Hand Motors. See your salesperson for complete details on these programs.

Well, now you're sitting pretty.

Gerry's Truck Corner

Hand Motors is known for always having a great selection of pre-owned trucks. Each one receives a thorough inspection and reconditioning before they go on our lot...and many are GM Certified! Here are my selection of trucks for July...I'm confident you will be happy with anyone you choose. Let me know if I can help in anyway.
