

## 2024 TEAM COLORS

We're spotlighting **Hendrick Automotive Group** dealerships with **Home** and **Away** team colors. Kyle Larson and the No. 5 team will wear white uniforms at Home tracks located close to our stores. The team will hit the road for Away races in classic blue uniforms – the look you know and love to see in Victory Lane.

To celebrate - we're putting a **NEW** twist on our limited edition merchandise drops for every Home race. Keep an eye on **@HendrickCars** social media and HendrickCars.com for each new design – you've never seen HendrickCars.com like this!
