

NEW VEHICLE

EXTENDED SERVICE AGREEMENT

Comprehensive Coverage

A HIGHER
LEVEL OF
PROTECTION

The purchase of a new vehicle is an important investment, and like any investment, it should be protected.

Hendrick Autoguard, Inc. assures you peace of mind and protects your new investment with the most comprehensive extended service contract available.

Hendrick Autoguard, Inc. protects against unexpected repairs to almost every component on your vehicle. The Agreement is so extensive that we are unable to provide a complete listing of all covered parts and components. The following is an example of the major component systems covered:

ENGINE

All internal lubricated parts, cylinder block and heads, factory-installed turbocharger or supercharger unit, flywheel, fuel pump, fuel sending unit, manifolds (exhaust and intake), oil pan, oil pump, seals and gaskets, thermostat, thermostat housing and gasket, timing chain cover, timing gears and chain or belt,

valve covers, water pump, diesel injectors and lines, diesel injector pump, diesel lift pump, engine mounts, fuel tank and lines, gas fuel injectors, pump and lines, harmonic balancer and bolt, ignition coil, radiator, radiator fan, radiator fan relay, radiator fan clutch, and motor.

TRANSMISSION

All internal parts, seals, and gaskets, torque converter, external transmission module, vacuum module, transmission mounts, transfer case, transmission linkage, and transmission case.

FRONT & REAR WHEEL DRIVE

Axle shafts, drive housing and all internal parts, drive shaft, wheel bearings, retainers, locking rings and automatic front locking hubs (four wheel drive vehicles), seals and gaskets, universal and constant velocity joints, rear axle hub bearings, and rear struts.

STEERING

Column lock, control valve and cylinder, cooler and cooler lines, couplings, idler arm, linkages, main and intermediate shafts, manual and power steering gear housing and all internal parts, power steering pump and pulley assembly, seals, and gaskets.

SUSPENSION

King pins and bushings, linkage and bushings, load leveler suspension system, seals, MacPherson struts (front and rear), spindle and spindle supports, springs (front and rear), stabilizer bar, tie rods, upper and lower ball joints, upper and lower control arms, control arm shafts, and bushings.

BRAKES

Anti-lock brake module and sensor, all lines and fittings, backing plates, calipers and wheel cylinders, clips and retainers, combination valve, master cylinder, parking brake linkage and cables power booster, self-adjusters, springs, seals, and gaskets.

ELECTRONIC HIGH-TECH

Alternator, cruise control, distributor assembly, electronic ignition module, heated backglass (electrical only – not glass damage or breakage), manually operated electrical switches, power antenna, power door locks and retainer clips, power mirrors, electric clock, power seat motors, power window motors/regulators, starter motor and solenoid, temperature gauge, charge and volt gauges, voltage regulator, wiper motors, wiring harnesses, electronic air suspension, electronic instrument cluster (excluding dash pad), keyless entry system, distributor cap and rotor, distributor housing, and shaft.

Factory installed audio includes: radio, radio antenna (base assembly), tape player, compact disc player, graphic equalizer, speakers, cellular telephone, theft deterrent system, and radar detector.

The contents of this brochure provide a general summary of Plan Coverage. Please refer to your Hendrick Autoguard, Inc. Extended Service Agreement for specific details.

AIR CONDITIONER

Clutch and clutch bearings, condenser, compressor, compressor head, compressor clutch switch, compressor seals, accumulator, automatic temperature control, evaporator, field coil, pulley, heater blower motor, heater core assembly, heater control cables, instrument panel registers and air ducts, seals, and gaskets.

EMISSIONS

Air valves – control, idle vacuum, air supply, air hose and tube, air check valve assembly, barometric pressure sensor, ECC relay assembly, EGR items – control valve, pressure sensor, regulator assembly, valve adapter, EVAP vapor storage canister, idler air control valve, knock sensor, engine coolant temperature sensor, PCV items – hose assembly, valve and vapor filter, vacuum restrictor, and VAF sensor.

SAFETY

Air bag module and diagnostic module assemblies, door ajar warning switch assembly, door lock cylinder, door and tailgate lock lever assemblies, passive restraint module, wiring for all safety assemblies. Seat belt/shoulder strap buckle (front and rear), warning chime assembly, motor drive assembly, restraint carrier, retractors, and track assemblies.

SUBSTITUTE TRANSPORTATION

This plan offers rental reimbursement any time a covered component fails and retains the vehicle overnight. Refer to your service agreement for specific rental allowances.

TOWING / ROADSIDE ASSISTANCE

This plan offers Towing and Roadside Assistance service 24 hours a day, 365 days a year, in the U.S. and Canada, and includes:

- Towing
- Flat tire change
- Gasoline delivery
- Battery jump-start
- Locked-out assistance

Special concierge services are offered to ease the inconvenience of a breakdown. Please refer to your MaintenanceCare Agreement for specific towing allowances and Hendrick Autoguard, Inc. Roadside Coverage.
