

THE IN THING. **HENDRICK AUTOGUARD** INTERIOR PROTECTION WITH BANOYL®.

These days most of us live in our cars, grabbing a burger from the fast food joints or treating the kids to soft drinks on the way home from soccer practice. All that leads to messes. But cleaning them up is easy if your car's been treated with **HENDRICK AUTOGUARD** Interior Protection with Banoyl®. All you have to do is blot the spills with a dry cloth. It's that simple. Even if you're extremely careful and never spill anything, our product is worth applying, because it also protects against everyday wear and tear.
