Enhance your vehicle's anti-theft protection while selecting your long-range comfort and convenience.

Factory key fob not included with system

## Ford Perimeter Plus Vehicle Security System (now optional with each Remote Start System shown)

Arm and disarm using your factory fob – also disarms with vehicle keypad<sup>1</sup> or ignition ON. The system triggers when a door, hatch/trunk or hood is forced open<sup>2</sup>; or when there's impact to the glass or body panels. The 2-stage shock sensor causes a warn-away horn chirp when the vehicle is lightly disturbed – a more forceful impact cycles the horn for 30 seconds. The shock sensor can be adjusted to disregard most false-alarm events.

## One-Way Remote Start (long range)

Pre-warm or pre-chill your vehicle from up to 1,000 ft. away.<sup>3</sup> Parking lights remain on during remote start run time to let you know the engine is idling. As with most Ford remote start systems, run time and other features are easily programmed utilizing the vehicle's driver information center.<sup>4</sup> Optional Ford Perimeter Plus Vehicle Security System can be added.

## Bi-Directional Remote Start (long range)

There's no need to see your vehicle to know it is heating up or cooling down – the fob flashes and beeps to let you know the engine is running, from up to 1,000 ft. away.<sup>3</sup> The fob is compact-sized and easy to operate. It can even provide long-range car find: Multiple horn chirps and parking-light flashes distinctly signal your vehicle's location in a crowded lot. Optional Ford Perimeter Plus Vehicle Security System can be added.

## Remote Access (global range)<sup>5</sup>

With this dedicated app, lock, unlock, find<sup>6</sup> or remote start your vehicle from your smartphone – from a mile or an ocean away.<sup>5</sup> Remaining run time is displayed, and commands are confirmed by icon-button flashes and/or vibration. Alerts from the optional Ford Perimeter Plus Vehicle Security System can be delivered to you via text and/or email.<sup>7</sup> Operating Remote Access requires vehicle-specific hardware and a low annual fee of \$49.99.<sup>8</sup>

<sup>1</sup>If equipped. <sup>2</sup>Perimeter alarm trigger varies by vehicle. <sup>3</sup>Distance may vary depending on vehicle location and environment. <sup>4</sup>Programmable remote start features vary by vehicle. <sup>5</sup>App can be used from any location with a Wi-Fi<sup>®</sup> or cellular data signal; vehicle MUST be located in area with an adequate cellular data signal. Functions – including response time – vary with phone location, data connection strength, vehicle location and other factors; message and data rates may apply. <sup>6</sup>Not a GPS location feature; horn chirps and parking lights flash. <sup>7</sup>Optional – requires additional programming; message and data rates may apply. <sup>8</sup>Michigan residents must pay an additional 6% goods/service tax. Wi-Fi<sup>®</sup> is a registered trademark of the Wi-Fi Alliance.<sup>®</sup>

Remote start systems for automatic transmissions only; additional equipment may be required. Available on select vehicles. Key fob and remote start fobs shown above are representative – actual fobs may vary.

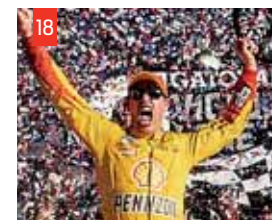

**Cover look:** New 2016 Ford Explorer Platinum in White Platinum Metallic Tri-coat – accessorized with a low-profile hood deflector, roof crossbars, and a roof-mounted ski/snowboard carrier by THULE.<sup>®</sup>

**Look above:** New 2016 Ford Explorer Sport in Ruby Red Metallic Tinted Clearcoat – accessorized with side window deflectors, molded front and rear splash guards, and roof crossbars, plus a roof-mounted kayak carrier and hitch-mounted bike carrier by THULE.<sup>®</sup>

## 6 Cover Story

The Ford Explorer has blazed a trail of adventure and innovation for more than 25 years. Ford Accessories have been instrumental in that journey since day one.

# From More Alluring to More Controlled

Carbon Fiber Shift Knob for 6-Speed Manual  
**SOME SERIOUS GEAR-CHANGE GRIP**

Add some racetrack zing to your daily drives, and make the act of switching gears more intensely rewarding. This high-gloss knob is injected with carbon-fiber slickness and sports the gearbox's 6-speed pattern atop; some are also branded with a bright logo. Available on Ford Focus ST (shown; with ST logo), Ford Fiesta ST (includes ST logo) and Ford Mustang.

FYI: The 2016 Ford Focus ST also offers a new, complete Carbon Fiber Interior Package. In addition to the dazzling shift knob described and pictured above, this high-performance-themed package includes a carbon fiber boost gauge trim bezel, carbon fiber park brake handle, and carbon fiber door grab handle inserts.

Rear Spoiler Winglets  
**A SUBTLE TOUCH OF PIZZAZZ**

Add some eye-catching, aero-designed accents in back. The angular winglets are primed and ready to paint, which allows for customization. Make the appearance monochromatic by matching the color of the vehicle exactly. Or offset the shapely winglets by painting them a different hue (like the style pictured here; check out additional color schemes on page 22). Available exclusively on Ford Fiesta Hatchback<sup>1</sup> (shown), Ford Focus Hatchback<sup>1</sup> and Ford Escape<sup>2</sup>

**PLEASE NOTE:** It's best to utilize the expertise of the trained professionals at your Ford Dealer when it comes to installing some of the accessories shown and/or described here.

Fender Flares by Bushwacker<sup>®3</sup>  
**DING-AND-DENT DETERRENCE**

Whether on-road or off, these flares provide a custom bolted-on look with rugged, bold styling. Engineered to attach securely without any drilling through the body, they supply an additional 1.5" of tire coverage to help protect against kicked-up dirt and debris. Set of 4. Available exclusively on Ford F-150.

Bed Tailgate Viscous Dampening Cartridge  
**FOR A NICE, SOFT LANDING**

This is just what's needed to assist with the smooth, steady lowering of the tailgate. It will stop at the full opened position each and every time. Available exclusively on Ford F-150.

Carpeted Cargo Mat or Rubber Cargo Mat  
**HELP TO ENSURE NOTHING BUDGES – OR SCRATCHES**

Let the carpeted cargo mat take the beating, not the vehicle's flooring. This specially designed, durable covering helps ensure more protection and helps minimize shifting of contents. It's contoured to perfectly fill the large expanse: The stain-resistant, long-wear mat spans the entire cargo area behind the front seats. It adds a measure of sound deadening as well. Available exclusively on Ford Transit.

Or choose to trim out the full cargo area – up to the back of the front seats – with a rubberized protector: This precision-cut, easy-clean liner is an ideal addition for a work van. Constructed for heavy-duty use, its textured surface helps provide more sure-footedness, along with less movement of goods within. The mat can also make for a more soundproofed ride. Available exclusively on Ford Transit.

Full listings of Ford Accessories begin on page 26

<sup>1</sup>Attach to existing factory-installed rear spoiler; not available on ST. <sup>2</sup>Attach to liftgate. <sup>3</sup>Ford Licensed Accessory.

# REMOTE POSSIBILITIES)))))

Savor the welcome of a pre-cooled or pre-warmed vehicle as the season sees fit. All it takes is an electrically integrated Remote Start System from Ford Accessories – and the press of a button.

When Mother Nature heats up, your car, truck or utility can get a lot hotter inside than the sweltering ambient air temperature. When she takes aim with a polar vortex, your vehicle can become a virtual freezer on wheels. In either scenario, your small investment in a Remote Start System can pay big dividends.

The lineup of our latest systems can actually sense outside temperature and activate<sup>1</sup> the vehicle's air conditioner or heater in conjunction with the electronic automatic temperature control (EATC).<sup>2</sup> You also have the ability to program some features<sup>1</sup> specifically for your vehicle, including run time, fan blower speed and defrost activation. Engine start-up can engage from at least 3 football fields away.<sup>3</sup> Add remote start to your Ford vehicle – and when the forecast is on the foreboding side, you won't sweat it. ●

2016 Ford Escape SE with available SE Chrome Package shown.

<sup>1</sup>Automatic climate functions and programmable remote start features vary by vehicle. <sup>2</sup>Feature availability varies by vehicle.

<sup>3</sup>Distance may vary depending on vehicle location and environment.

Two for the money. Two for the show.  
Two perfectly integrated DVD players to go.

## Too much fun: Dual Headrest DVD by INVISION.™<sup>1</sup>

Take entertainment along for the ride. With this durable, high-quality system, movies and games can be viewed and played independently on adjustable, 7" widescreen monitors. Each unit also features a top-loading DVD player, backlit controls and media ports for plug-in devices (such as game consoles and USB flash drives). Vehicle-specific, FactoryMatch™ headrests are constructed of materials that match your interior perfectly. A full-function remote and 2 dual-channel, wireless headphones are included. Happiness and quiet in your backseat – now that's entertainment.

EXCELS  
EXCITES

# EXPLORER EXCEEDS EXPECTATIONS

EXCELS  
EXCITES

**Adventurous:** New 2016 Ford Explorer Platinum in White Platinum Metallic Tri-coat – accessorized with a hood deflector, side window deflectors, molded front and rear splash guards, roof crossbars, and a roof-mounted ski/snowboard carrier by THULE®.

At the crossroads where the spirit of adventure and the desire for innovation meet, there's the new 2016 Ford Explorer. No other name could better capture the on- and off-road capabilities of this sport utility vehicle. Certainly, no other name could better express the spirit of adventure possessed by those who drive it.

Since its introduction two-and-a-half decades ago, the Ford Explorer has recorded phenomenal sales of more than 7 million,<sup>2</sup> which averages to one sold nearly every 2 minutes in that time frame. Explorer has outsold all other SUVs over the last 25 years.<sup>3</sup>

The latest generation is outfitted to elevate getaways: The new Explorer is more aerodynamic, more luxurious and even more hi-tech than its predecessor. It also offers a wealth of Ford Accessories designed to enhance and personalize the experience.

*On the pages that follow, take a trek through 6 generations of Ford Explorer.*

# 25

YEARS OF ADVENTURE,  
INNOVATION & ACCESSORIES

<sup>1</sup>Ford Licensed Accessory. <sup>2</sup>Through October 2014. <sup>3</sup>Based on IHS Automotive, Polk U.S. new total registrations for CY1990–CYTD September 2014.

# 1991

The reasons so many customers have been enthralled with Ford Explorer include its impeccable styling, solid engineering, exceptional capabilities and long-lasting durability. All of these same reasons apply to accessories from Ford.

Here's a sampling of how owners outfitted the 1st generation of Explorer with Ford Accessories:

- A) Front end cover
- B) Carpeted instrument panel dash cover
- C) Emergency radio
- D) Aero running boards
- E) Speed control

# 1995

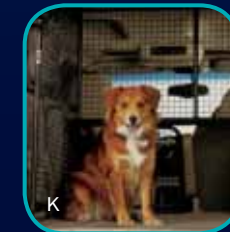

Examples of how owners outfitted the 2nd generation of Explorer with Ford Accessories:

- F) Sport hood cover, fog lights, removable roof rack, fork-mount bike carriers, wheel holders
- G) Ford Electronics tote phone that featured an expansive "30-number memory"
- H) Tire step

# 2002

Examples of how owners outfitted the 3rd generation of Explorer with Ford Accessories:

- I) Trailgate® table
- J) Hard tonneau cover<sup>1</sup>
- K) Dog guard cargo area divider
- L) Bug shield, fog lights, raised crossbars, kayak carrier

## Ford Explorer: 1st thru 3rd generations.

In March of 1990, Ford introduced the original, 1991 model-year Explorer to the world. It not only redefined the segment, it literally resized it by offering optional 6-passenger seating for more interior space than any other vehicle in the class. The Explorer Sport 2-door incorporated black-out effects all-around, and was available with cloth sport bucket seats in brilliant Scarlet Red. Standard limousine-style doors demonstrated that function was every bit as important as style.

Eddie Bauer – the name widely known for quality outdoor apparel – was selected for the expressive, top-of-the-line model. Among a host of luxury cues such as aluminum wheels, power windows, power door locks and power sideview mirrors, the Eddie Bauer Explorer featured a distinctive two-tone paint treatment and a luggage rack. What's more, owners were treated to a handsome, hardy two-piece luggage set that was shipped directly to them from Eddie Bauer.

The SUV that dominated the market proved up to the challenge of a redesign, for the new 1995 Ford Explorer was significantly improved. In addition to sporting an aerodynamic, rounded front end, the Control Trac® Four-Wheel-Drive (4WD) System debuted. Interior amenities included a message center and 6-disc CD player. In 1996, the optional 5.0L V8 helped drive sales over the 400,000 mark. With its open-air cargo area, the unique 2001 Explorer Sport Trac was a game changer.

While the 21st century was still dawning, the all-new 2002 Ford Explorer entered the scene. A more refined appearance now ran front to back, with a greater width and longer wheelbase – enabling 3-row, 7-passenger seating. Ride and handling improved with the introduction of an independent rear suspension. AdvanceTrac®<sup>2</sup> electronic stability control was offered, and so was the Safety Canopy® System, Personal Safety System,<sup>TM</sup> and 4-wheel ABS with electronic brake distribution.

<sup>1</sup>Ford Licensed Accessory. <sup>2</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

2006

Examples of how owners outfitted the 4th generation of Explorer with Ford Accessories:

- A) Bug shield, crossbars, running boards, electrochromic mirror
- B) Custom fuel door
- C) Cargo-Logic®
- D) TripTunes®
- E) Mobile-Ease™ Hands-Free Communication System

Ford Explorer: 4th thru 6th generations.

As America's best-selling SUV for 14 years and counting, the new 2006 Explorer delivered more power, more strength, more comfort, more interior versatility and more standard safety features than ever before. Ford Explorer gave consumers an all-new, fully boxed frame – 63% stiffer than previous models – a quieter ride and the new Intelligent Safety System.<sup>2</sup> Smart 2nd-row seats were of the fold-and-tumble variety, and the PowerFold® 3rd-row seat was a handy option,

<sup>1</sup>Ford Licensed Accessory. <sup>2</sup>Always wear your safety belt and secure children in the rear seat.

2011

Examples of how owners outfitted the 5th generation of Explorer with Ford Accessories:

- F) Smoked hood deflector, smoked side window deflectors, molded splash guards, roof crossbars, cargo box<sup>1</sup>
- G) HitchScan™ rear park assist sensor and hitch step<sup>1</sup>
- H) Garmin® nüvi® Portable Navigation System<sup>1</sup>

Explorer was 100% reinvented for the 2011 model year, moving to unibody construction for more car-like driving dynamics. Control on any road and in any weather was dialed up with the optional Terrain Management System™ paired with Intelligent 4WD. Along with a flat load floor, the roomier cabin was filled with smart technologies, including the first inflatable rear safety belts available in the industry. And efficiency was mentioned in the same breath with capability.

2016

This is how owners are outfitting the 6th generation of Explorer with Ford Accessories right now:

- I) Hood deflector, side window deflectors, molded splash guards, roof crossbars, roof-mounted bike carrier<sup>1</sup>
- J) Remote Access
- K) All-weather floor mats
- L) Tablet cradle<sup>1</sup>
- M) Dual headrest DVD<sup>1</sup>
- N) Sportz® tent<sup>1</sup>

Ably outgoing. Technologically advanced. Beautifully refined. The new 6th-gen Ford Explorer is available with turbocharged EcoBoost® power, enhanced active park assist, a hands-free liftgate, and even front and rear 180-degree cameras with washers. From its premium Nirvana leather trim to an industry-exclusive 500-watt Audio System from Sony®, travel luxuriously in the first-ever Explorer Platinum. A culmination of over 25 years of leadership, adventure and innovation. ●

# Ford Tonneau Choice We've Got You Covered!

Add a sleek, stylish look to your truck with a tonneau cover! Lightweight and functional, our tonneau cover offerings provide you with the power of choice. Soft tonneaus – roll-up or fold-up. Hard tonneaus – painted or folding. There's virtually something for everyone!

## Hard-Folding by Advantage<sup>1</sup>

**Strong and secure, these top-mount trifold hard covers mount across the top of the bed rails and are lightweight and easy to use.**

- Install in seconds, no tools required
- Easy to use clamping system provides the ultimate in truck bed versatility
- 1" (2.5 cm) thick aircraft-grade aluminum frame and textured panels are ultra-tough
- Keeps your cargo protected and out of sight in the closed and locked position

## Soft-Folding by Advantage<sup>1</sup>

**These tri-folding tonneaus feature a durable vinyl covering and come completely assembled, no tools.**

- Fast, user-friendly trifold
- Strong and secure front and rear clamps, and easy to install and use
- Ultra-strong hinges with glass-filled nylon and protective padding are designed to last
- All-black frame and perfectly sewn, tight-fitting vinyl tarp add up to great looking covers
- Install in seconds, no tools required

## Soft Roll-Up by TruXedo<sup>®1</sup>

**This value-priced soft roll-up tonneau mounts to the top of the bed rail and rolls up to allow complete access to the truck bed.**

- Easy, no-drill installation
- Premium vinyl cover features straight bows that roll-up with the cover... no loose parts to lose
- The preset tension control is conveniently integrated within the latching system to keep the cover tight

## Premium Soft Roll-Up by TruXedo<sup>1</sup>

**This premium soft roll-up tonneau is designed exclusively for Ford. It features all TruXport features plus:**

- Fully automatic tension control to help keep the cover taut
- Inside-the-rails mount design provides full access to stake pockets to allow use of bedrails, hooks and other accessories
- Easy, one-finger release latch

## Hybrid Trifold with Canvas Top by Advantage<sup>®1</sup>

**Features upgraded canvas fabric material for a classic ragtop appearance; comes completely assembled for easy installation.**

- All components are fixed to the cover... never lose a bow, end rail or clamp
- Hinges are contained inside the cover for maximum weather and corrosion resistance
- Self-contained straps allow cover to be secured in the open position
- Rigid core backing for added security

## Hard Folding by REV<sup>®1</sup>

**Featuring a sleek, "low-profile" design, this unique, folding tonneau mounts flush with the sides of the truck bed.**

- Made from rigid, heavy-duty ¾" thick panels strong enough to hold 300 lbs. (136 kg)
- Provides 100% access to stake pockets and works with tie downs and bed rails
- Lock the cover in full open position with the included prop rods for access to the whole bed without removing the cover

## Textured Hard One-Piece by UnderCover<sup>™1</sup>

**Features a textured black finish that complements the look of any truck.**

- Constructed of a lightweight ABS polymer plastic compound for strength and durability
- Battery-powered LED light for nighttime convenience
- Stainless steel lock can be coded to ignition key — no extra keys!

## Painted Hard One-Piece by UnderCover<sup>1</sup>

**This lightweight and durable cover is designed to complement the looks of the truck and includes all of the features of the Textured Hard One-Piece Cover plus:**

- A smooth finish — color-matched to all F-150 and Super Duty<sup>®</sup> paint colors — for a premium, coordinated appearance

<sup>1</sup>Ford Licensed Accessory.

# All's Well that Protects Well

Rugged rear wheel-well liners from Ford Accessories provide extra shielding for underpinnings and body-colored parts. In addition to more protection, they give your Ford F-150 or Super Duty<sup>®1</sup> a more cleaned-up appearance that helps to make your wheels really pop. *It's time to wow your wells.*

These precision-fit liners are constructed of the same high-strength, high-density polyethylene utilized for hard drop-in bedliners. This doesn't make them bulletproof, but it does help ensure they're weatherproof, impervious to UV-ray fading, and resistant to most chemicals. In a nutshell, they're as tough as the trucks they're built to benefit. The main job of the liners is to protect against on- and off-road debris. And they look good doing it because they're precision-molded to custom fit the rear wheel-well contours.

Designed and engineered to applicable Ford specifications, these charcoal black liners are the only ones officially authorized by Ford Motor Company: Each one meets or exceeds rigorous fit and durability standards. Mounting instructions and all rust-resistant hardware are included. Installation is of the no-drill variety, and it can happen without removing the rear wheels. However, rear-wheel removal is recommended for greater ease of installation. In short order, label the liners a job well done. ●

<sup>1</sup>Available on F-250 and F-350 single rear wheel (SRW). <sup>2</sup>F-150 shown.

# Any Way **You** Want It

You chose the brand of vehicle you wanted.  
You chose the model of vehicle you wanted.  
You chose the trim of vehicle you wanted.  
You chose the color of vehicle you wanted.  
Nothing's stopping you from choosing the Ford Accessories you want.  
**Keep on personalizing – that's the way you need it.**

**Working Out:** Transit 250 Medium Roof (MR) Long Wheelbase (LWB) Van in Lunar Sky – accessorized with a keyless entry keypad, Ford Commercial Graphics by 3M Original Wraps<sup>1</sup>, roof crossbars, side window deflectors, 16" aluminum wheels, and heavy-duty splash guards with stainless steel inserts.

## Work **Out**

Your best friend on 4 wheels – make that 6 for dual rear wheel (DRW) owners – is your Ford truck or van. To strengthen that bond, you keep a constant lookout for ways to make your trusted vehicle even more handy. And it's always a bonus to be more head-turning too. Ford Accessories offers you hundreds of different ways: from tonneau covers and bedliners, to wheel-well liners and rear-window grilles. Or, if you prefer, select running boards, trailer tow mirrors, seat covers, exhaust tips and deflectors that let you dress your truck or van just the way you wish. After all, it deserves nothing less.

Historically, truck and van owners have been some of the biggest spenders when it comes to accessories. That makes perfect sense with so versatile a vehicle, and with so much from which to choose. When you purchase Ford Accessories, you can be confident in the outstanding quality and attention to detail that goes into each one. Ford Accessories are designed, engineered and approved specifically for your vehicle. In addition, the cost of many accessories ordered and purchased at the time your truck or van is bought or leased can be rolled into your monthly payments – making it work to your benefit.

<sup>1</sup>Ford Licensed Accessory.

**Tricking Out:** 2016 Ford Focus SE Hatchback in Oxford White – accessorized with silver bodyside graphics, rear spoiler winglets, smoked side window deflectors, a keyless entry keypad, molded splash guards, roof-mounted crossbars by THULE<sup>1</sup> and 17" machined and painted aluminum wheels.

**Getting out:** 2016 Ford Escape SE in Ingot Silver – accessorized with side rails and roof crossbars, an Aeroskin hood protector by Lund<sup>2</sup>, smoked side window deflectors, molded splash guards, and a roof-mounted bike carrier by THULE<sup>1,2</sup>.

### Wingin' It

Give your Ford Focus, Fiesta or Escape a dash more intrigue with a pair of rear spoiler winglets. They're primed for painting in your choice of color – either matching or contrasting with the vehicle's exterior. Here are some examples of what you can do using the Focus color palette. (Please flip back to page 2 for additional details regarding the winglets.)

## Trick Out

More than 100 years ago, Henry Ford's Model T put the world on wheels, bringing with it mobility and prosperity on an undreamed-of scale. Over the years of production, thousands of Model T accessories were sold. Because of that overwhelming desire to personalize, the Model T – along with its hundreds of innovations that jump-started the auto industry as we know it – can also be credited with spurring the accessory market. Anytime you see a car with something as simple as a bumper sticker, know that the Model T started the customization trend.

Today's Mustang most definitely flames this passion, as do the other fine cars in the Ford stable. Focus, like Fiesta, has been an international sensation for decades. Ford cars have been modified with body kits, aluminum wheels, spoilers, scoops, splash guards, grilles, fog lamps and myriad other Ford Accessories. The list is virtually endless.

Speaking of virtual, today's master modifiers get a kick out of a unique feature on the official accessories.ford.com website: It's called the *Accessorizer*. You can literally build your dream vehicle – or customize your current Ford – right from the comfort of home. Select a year, vehicle and color, and then choose your accessories; they're installed "visually" right away, and you can view this accessorized vehicle from side, front and rear views. Add and delete accessories to your heart's content. When you're finished, you can print out a copy of your unique creation.

Mod it. Tune it. Customize it. Call it what you will, Ford cars are made to stand out and be personalized – tricked out to the max.

## Get Out

Whenever you go somewhere in your SUV or crossover, you're really visiting two places: the place on the map, and the place in your head. Since imagination isn't limited by longitude and latitude, those places on a map – no matter how well explored – can be made more magical by the expectations of what you'll find there, and the Ford Accessories that help you get there.

Outfit your vehicle with racks that let you carry more of your things, organizers that help you minimize clutter, and cargo liners that help protect your investment against the rigors of everyday wear and tear. Mile after mile, you'll find Ford Accessories are the right choice for off-road and everyday adventures. ●

Fits Model Years 2008-2009

### LIMITED WARRANTY INFORMATION FOR FORD AND MERCURY ORIGINAL ACCESSORIES, ALONG WITH FORD AND MERCURY LICENSED ACCESSORIES.

Ford Original Accessories and Mercury Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) and Mercury Licensed Accessories (MLA) are warranted by the accessory manufacturer's warranty. FLA and MLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

**COVER FORD OR MERCURY ACCESSORIES IN A FORD ESP PREMIUMCARE PLAN.** Depending on the Ford ESP Plan you select, some dealer installed Ford and Mercury Accessories can be covered for up to 7 years or 125,000 miles. Details at your dealership.

**INCLUDE FORD OR MERCURY ACCESSORIES IN YOUR RED CARPET LEASE OR YOUR PURCHASE.** Get the ride you want. Many Ford and Mercury Accessories may be eligible to be included in your monthly payment if they are installed by your Ford Dealer prior to finalizing financing arrangements. Contact your dealer for more information.

### USING DIFFERENT-SIZED WHEELS OR TIRES.

Adding wheels or tires that are a different size than your original equipment wheels and tires may affect the performance and/or electronic systems of your vehicle – including its braking, ride and handling characteristics, stability, resistance to rollover, fuel economy and tire traction (on wet, dry, snowy or icy roads). Changes in vehicle performance are not covered by the New Vehicle Limited Warranty. It is strongly recommended that your replacement tires be the same as your vehicle's original equipment tires to ensure proper levels of performance and safety during normal use. Ford and Mercury vehicles were developed and matched with specific wheels and tires. If you choose different replacement tires, make sure they are comparable in size, load range, speed rating and construction type (radial- and bias-belted tires) as your vehicle's original equipment tires. Larger-sized wheels or tires may require a new spare tire and additional components. Also, tire chains cannot be used due to lack of clearance to the wheelhouse. Trucks equipped with accessory wheels may not be compatible for use with snowplow equipment. For approved wheels and other important information, see your dealer for details.

**WARNING:** Acceptable levels of performance and safety may not be provided if you use tires not recommended for your wheels.

FIESTA | CHASSIS

**FIESTA "FORD RACING" 15-SPOKE WHEEL  
M-1007-FA**

Fits Model Years 2011-2016

- For sedan and hatchback
- 17" x 7" wide
- 4 lug, 108 mm bolt circle
- Offset: 49 mm
- Backspacing: 6"
- Dark stainless paint finish
- Clear-coated to OEM standards
- Valve stem TPMS compatible
- Includes: "Ford Racing" center cap

FIESTA | CHASSIS

**FIESTA HANDLING KIT  
M-FR3-FA**

Fits Model Years 2011-2015

- For sedan and hatchback
- Delivers improved handling characteristics without ride degradation
- Reduced ride height  
12 mm – 15 mm lower front
- Reduced ride height  
22 mm – 28 mm lower rear
- Includes: Front struts, front springs, rear shocks and rear springs

FIESTA | DRIVELINE

**FIESTA SHORT THROW SHIFTER  
M-7210-FA**

Fits Model Years 2011-2016

- For 5-speed manual transmission
- 30% shorter throw than stock shifter
- Nickel-plated shift handle prevents corrosion

FIESTA | ENGINE PERFORMANCE

**FIESTA HIGH-FLOW  
K&N AIR FILTER  
M-9601-FSB**

Fits Model Years 2011-2016

- For Fiesta 1.6L L4 F/I
- K&N washable high-flow air filter
- Does not require PCM recalibration

FIESTA | EXHAUST

**FIESTA AXLE-BACK MUFFLER  
M-5230-FAB**

Fits Model Years 2011-2016

- T-304 stainless steel construction with polished tips
- Deeper, throatier exhaust note over factory muffler
- 50-state drive-by noise legal
- Factory exhaust pipe requires cutting to install clamp-on Ford Performance exhaust

FIESTA | EXHAUST

**FIESTA CAT-BACK  
EXHAUST SYSTEM  
M-5230-FAC**

Fits Model Years 2011-2016

- For hatchback only
- T-304 stainless steel construction with chrome tips
- Legal for B-spec race series
- Deeper, throatier exhaust note
- 50-state drive-by noise legal

FIESTA ST | ENGINE PERFORMANCE

**FIESTA ST mountune® MP215  
PERFORMANCE UPGRADE  
2364-215-AA**

Fits Model Years 2014-2015

- Approximate increase of 215 hp and 236 lb.-ft. on 93-octane fuel<sup>1</sup>
- Premium fuel only (91-octane or higher)
- 50-state emissions legal and eligible for limited warranty when installed by a Ford or Lincoln Dealer
- Federal and state laws prohibit any person from installing aftermarket add-on or modified parts prior to the sale of a new motor vehicle
- Includes: High-flow induction kit, and mTune® handset and calibration

FIESTA ST | EXHAUST

**FIESTA ST CAT-BACK

FOCUS ST | CHASSIS

**+ FOCUS ST FRONT STRUT TOWER BRACE**  
**7063-FSB-AA**

Fits Model Years 2012-2015 Focus 1.6L and 2.0L  
2013-2015 Focus ST

- Improves rigidity and adds sharpness to the response of the vehicle
- Engineered from 1.5" x .5" (38 mm x 12 mm) highly polished extruded contoured aluminum tubing with steel end plates for a precise fit and added strength
- High luster, gold powder-coated steel end plates
- Polished aluminum cross brace with laser-etched mountune® motorsport M logo
- Compatible with the original intake and aftermarket intakes
- Easy installation

FOCUS ST | CHASSIS

**FOCUS ST LOWERING SPRING KIT**

**M-5300-U** Fits Model Year 2013  
**+ M-5300-V** Fits Model Years 2014-2016

- Improves handling and stance
- May cause slightly harsher ride compared to stock springs
- Includes: Front and rear jounce stops

FOCUS ST | DRIVELINE

**+ FOCUS ST mountune® QUICK SHIFT**  
**2363-BSA-AA**

Fits Model Years 2013-2015

- Reduces shift throw by 25%, allowing quick and more precise gear changes, which enhances the driving experience
- Machined from solid aluminum upper bridge, the plated steel counterweights ensure positive shift engagement and smooth operation
- All components are plated or anodized for years of durability
- Hard anodized finish to ensure against corrosion
- Direct replacement for factory part
- Easy installation
- Includes: Drift tool

FOCUS ST | DRIVELINE

**FOCUS ST SHORT THROW SHIFTER**  
**M-7210-FST**

Fits Model Years 2013-2016

- For 6-speed manual transmission
- 19% shorter throw than stock shifter
- Billet aluminum reducer
- No additional NVH
- Maintains reverse lock-out
- Easy to install

**NOTE:** 2015-2016 models require use of factory shift boot

FOCUS ST | ENGINE PERFORMANCE

**FOCUS ST CALIBRATION, SPARK PLUGS AND COLD AIR INTAKE**

**M-9603A-FST**

Fits Model Years 2013-2014

- Maximum of 90 lb.-ft. torque increase at 2,800 rpm on 93-octane fuel<sup>1</sup>
- Significant torque increase up to 4,200 rpm
- Premium fuel only (91-octane or higher)
- 50-state emissions legal and eligible for limited warranty when installed by an authorized installer
- Visit [fordperformanceparts.com](http://fordperformanceparts.com) for available 2015 parts
- Includes: Focus ST Calibration and Spark Plugs M-14204-FST, Cold Air Intake M-9603-FST with High-Flow K&N/Ford Performance Air Filter, and Cold Spark Plug set 2.0L turbo M-12405-20T (required with calibration)

FOCUS ST | ENGINE PERFORMANCE

**+ FOCUS ST mountune® CHARGE PIPE UPGRADE KIT**  
**2363-CPK-BLK**

Fits Model Years 2013-2015

- 39% improvement in airflow
- mountune's engineers optimized the charge air ducting and lower hot side charge pipe to reduce the pressure drop from 8.4kPa to 6kPa
- Complements the performance of the mountune Intercooler upgrade for the Focus ST
- Compatible with the original intercooler and systems that use the original intercooler charge pipes
- High-flow stainless steel lower intercooler pipe
- Stainless steel wire reinforced silicone boost hoses
- Nomex®-lined silicone hoses
- Easy installation (no drilling)
- Also available in Yellow, Red and Blue

FOCUS ST | ENGINE PERFORMANCE

**FOCUS ST mountune® MP275 PERFORMANCE UPGRADE**

**2363-280-AA** Silver  
**2363-280-BA** Black

Fits Model Years 2013-2014

**+ 2363-280-BB** Black

Fits Model Year 2015

- Approximate increase of 25 hp and 26 lb.-ft. on 93-octane fuel<sup>1</sup>
- Premium fuel only (91-octane or higher)
- 50-state emissions legal and eligible for limited warranty when installed by a Ford or Lincoln Dealer

Fits Model Years 2015-2016

- Direct replacement for production half shaft assemblies
- Severe duty serviceable CV joints with CNC billet centers
- CNC-machined from aerospace high-alloy materials
- Billet one-piece 34-spline inner and 32-spline outer stub ends
- Axle shafts feature anti-wheel hop technology
- FOR OFF-ROAD USE ONLY

MUSTANG | SUSPENSION

**+ MUSTANG GT/V6/I-4 PERFORMANCE REAR SUBFRAME KIT**

**M-5035-M**

Fits Model Years 2015-2016

- Eliminates subframe and differential bushing compliance under vehicle loads
- Reduces wheel hop
- FOR OFF-ROAD USE ONLY
- Includes: 2015 Mustang subframe assembled with Ford Performance Subframe Bushing Kit (M-5872-M) and Differential Bushing Kit (M-4425-M)

\*T-409 stainless exhaust material is titanium stabilized ferritic stainless steel. T-409 stainless is used in applications where appearance is a secondary consideration to mechanical properties and corrosion resistance and where some weldability is required. An example of T-409 stainless usage is catalytic converter assemblies. T-409 stainless has excellent forming characteristics and is rust-through resistant. A surface rust will form in most instances. This rust retards further corrosion.

F-150 | EXHAUST

+ F-150 CAT-BACK EXHAUST SYSTEMS

Ford Performance Parts has partnered with industry-leader Borla® Exhaust to offer the first in a series of custom products for the 2015 F-150. Constructed with ultra-smooth, mandrel-bent 300-series stainless steel tubing, this durable cat-back exhaust system was designed to Ford Performance specs to give your truck an aggressive growl whenever you punch the accelerator. The system bolts directly to the stock catalytic converter to ensure your F-150 is 100% emissions-compliant. And the uniquely tuned, stainless steel muffler not only sounds great, its Chrome or Black Chrome dual tips look great too.

FORD PERFORMANCE PARTS ARE AFTERMARKET PARTS

All Ford Performance Parts are aftermarket parts. Ford Performance Parts are not Genuine Ford Parts. Therefore, they may not be used in any application that requires the use of Genuine Ford Parts.

CONSUMER DISCLAIMER NOTICE

Most Ford Performance parts are not sold with a warranty. Ford Performance parts are sold "as is," "with all faults," "as they stand" and without any express warranty whatsoever, unless otherwise expressly designated herein.

For detailed and most up-to-date information on Ford Performance Parts Warranty, please refer to: [fordperformance.com/Warranty](http://fordperformance.com/Warranty) or see your dealer for details.

SELECT FORD PERFORMANCE AND mountune® PERFORMANCE PARTS LIMITED WARRANTY.

Ford Motor Company, The American Road, Dearborn, MI 48025, provides a Limited Warranty on select Ford Racing and mountune Performance Parts when installed on late model Ford vehicles. This warranty works in conjunction with – and does not void – the Manufacturer's New Vehicle Limited Warranty. It is valid for the original retail purchaser of the vehicle and is transferable to subsequent vehicle owners.

PERFORMANCE PACKS AND COMPONENT PARTS.

Performance Packs and Components are warranted for factory-supplied material or workmanship when correctly and completely installed on a late model Ford vehicle by an authorized Ford or Lincoln Dealer, Shelby American, Inc., mountune LLC or an automotive service technician certified by the Institute for Automotive Service Excellence (ASE). This Performance Packs and Components Limited Warranty begins upon installation and registration of the part(s) with Ford Performance and remains in effect for the balance of 36 months or 36,000 miles/60,000 kilometers, whichever occurs first, *calculated from the start date of the manufacturer's New Vehicle Limited Warranty.*

**Installation of these select Ford Performance and mountune warranted performance packs and components by an authorized dealer will NOT void your New Vehicle Limited Warranty.** Engine, driveline and suspension concerns not caused by Ford Performance Parts remain eligible for warranty coverage according to the terms of the New Vehicle Limited Warranty.

2015-16 FORD PERFORMANCE SUPERCHARGERS FOR MUSTANG.

Select superchargers are warranted for factory-supplied material or workmanship when correctly and completely installed by an authorized Ford or Lincoln Dealer, Shelby American, Inc., mountune LLC or an automotive service technician certified by the Institute for Automotive Service Excellence (ASE). Ford Performance Parts Limited Warranty supercharger coverage: Part Number: M-6066-M8627 is warranted for factory-supplied material or workmanship for 36 months or 36,000 miles/60,000 kilometers from the vehicle's original in-service date as determined by Ford OASIS (On-Line Service Information System). For detailed and most up-to-date information on Ford Performance Parts Warranty, please refer to: [fordperformance.com/warranty](http://fordperformance.com/warranty) or see your dealer for details. Questions or concerns relating to this warranty policy may be answered by contacting the Ford Performance Call Center at 800-367-3788 or [fwrnty@ford.com](mailto:fwrnty@ford.com).

# Important Reminders

## Make Ford or Mercury Accessories your first choice.

Every Ford and Mercury Accessory is designed to fit your vehicle seamlessly, meaning its looks and/or its capabilities will be further enhanced.

## Benefit from warranty coverage offered on your accessories.

Ford and Mercury Original Accessories – along with many Ford and Mercury Licensed Accessories – are covered by limited warranties. Please turn to page 109 for more specifics. And be sure to see your dealer for a comprehensive copy of each limited warranty.

## Build the cost of accessories into your monthly payment.

The cost of many Ford and/or Mercury Accessories can be rolled into an agreement. But do remember: Every qualifying accessory must be ordered and purchased at the time your vehicle is bought or leased.

## Take note if dealer installation is recommended for any of your accessories.

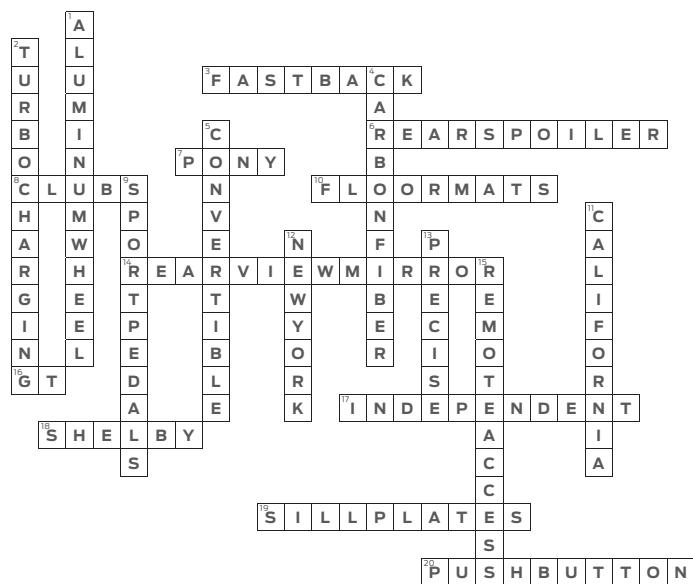

Some Ford and Mercury Accessories are do-it-yourself, such as positioning a cargo protector in the trunk. Other accessories – including spoilers and body kits – require painting and mounting, so installation is best left to the trained, skilled pros at your local dealership.
