

Limited Warranty

Purchasing a vehicle is a major decision that should be made with care and understanding. Your electric vehicle is on the cutting edge of technology, so it's important to protect your investment with the best possible coverage. It's no surprise that most major repairs happen after the original factory warranty has expired, leaving you to deal with all the inconvenience, time, energy and expense of those repairs. But with the EV+ Protect™ Limited Warranty, you don't have to.

Empower your future with **EV+ Protect™**
