

Hertz **Car Sales** **WE BUY CARS!**

What to bring with you

✓ Your car's title or pay-off information

We will need your title to transfer the car's ownership, and it must be provided at the time of sale. All titleholders should be present. If any person listed on the title cannot make it, or if you don't have your title, please contact your local store for details.

✓ Valid registration

We must see the car's current registration to confirm that you're the owner.

✓ Valid Photo ID

All titleholders should bring valid, state-issued photo identification.

✓ Keys and remote

When selling us your car, it's important you provide us all sets of keys and remotes. If the original keys and remote to the car are missing, we may adjust the offer. The Determining Your Offer section lists what other factors may impact the offer.

What to expect after the sale

Receiving payment

Upon agreeing to sell your vehicle, Hertz Car Sales of Medford will submit a check request to our corporate headquarters which in turn will issue a check to the names listed on the title, sent to the address requested by you.

For questions or to speak with a Hertz Car Sales Consultant about setting up an appointment to have your car appraised, contact Hertz Car Sales of Medford.
