Tire & Wheel

Road hazard coverage includes reimbursement with no deductible or hidden fees for tires, to include mounting, balancing, and valve stems; wheels, sales tax, and labor charges.

- Protects against blowouts, nails, glass, potholes, and debris
- Up to \$35 per day in rental car expense

**Also Includes:
Curb Damage and
TPMS Coverage**

Cosmetic Wheel Repair

A repair process that restores the appearance of your wheels—no need to incur the high cost of replacing wheels with minor damage.

- Process repairs curb damage, scrapes, scratches, and nicks
- Wheels are restored to like-new appearance
- Uses state-of-the-art wheel repair techniques

**Alloy, Chrome, and
Chrome Clad Wheels
are Covered**

Dent & Ding Repair

Minor dents and door dings are easily removed by trained technicians, eliminating the need for expensive and time-consuming body shop repairs.

- Developed by automotive manufacturers for a low cost option to dent repair
- No limit to the number of times the Paintless Dent Repair process can be applied
- No sanding, painting, or body fillers are used
- Repairs are fast and friendly

Windshield Repair

A permanent process in which cracks and breaks may be repaired with a powerful invisible resin.

- Windshield replacement can cost as much as \$1000 or more
- A trained technician will repair your damaged windshield, so you avoid the cost of replacement
- Saves on having to pay a costly windshield deductible

Key Replacement

If keys are lost or damaged, keys are replaced and programming charges are covered.

- Many keys have embedded chips
- Replacement and programming fees can be expensive
- Today's technology has made keys and keyless fobs costly to replace

Coverage offers 24-hour emergency roadside assistance including towing, lockout assistance, tire, battery, and delivery services.

- Nationwide 24/7/365 service
