

'Thank You Again, San Diego' from Hoehn Motors

Hoehn Motors in Carlsbad has been voted the Best Auto Service and Repair Provider for a second consecutive year in the U-T San Diego Readers Poll. In addition, Car Country Carlsbad, where Hoehn Motors runs its 12 family owned and operated dealerships, has also been honored as the Best Auto Park in San Diego County for the second year in a row.

Best Auto Service and Repair Provider

The reputation that Hoehn Motors has earned as a best-in-class service and repair provider dates back over 80 years.

When brothers Bill and Bob Hoehn relocated the business from Memphis, Tennessee to Carlsbad in 1975, they continued the family commitment to providing excellent service, and the Hoehn name has grown to represent Acura, Audi, Buick, Cadillac, GMC, Honda, Infiniti, Jaguar, Land Rover, Mercedes-Benz, Porsche and Sprinter.

"It has been a privilege for our family to serve the San Diego community for the last 40 years and we feel honored to have been recognized by our loyal customers," said Hoehn Motors President Bill Hoehn.

The Hoehn Motors dealerships offer benefits including local shuttle service, Saturday service hours, complimentary loan cars, and customer lounges with free Wi-Fi.

Best Auto Park

Car Country Carlsbad has become the auto park of choice for San Diego's automotive needs. In continuing the tradition, Hoehn Motors recently completed a comprehensive renovation of its Buick GMC Cadillac and Sprinter facilities and will finish constructing a world-class Audi facility in Carlsbad later this year.

"In addition to enhancing our Carlsbad dealerships, our family is pleased to announce that we are expanding and will be building a completely new state-of-the-art Audi facility in Temecula in the next year," said Hoehn Motors Marketing Director Josh Sherman.

Being selected in the U-T San Diego Readers Poll would not have been possible without the hard work and dedication of the 513 employees that make up Hoehn Motors.

Whether they work in the sales, finance, service or parts department, each Hoehn Motors employee strives to provide a world-class experience for the customer.

The Hoehn family invites you to visit any of their 12 Carlsbad dealerships. To schedule an appointment, visit HoehnMotors.com or call (888) 799-1145.
