Hoehn Motors Voted Best Service and Repair Provider in San Diego

*The auto retailer has been recognized as the best Auto Park
in San Diego County for second consecutive year*

CARLSBAD, Calif. – Hoehn Motors Carlsbad has been voted the Best Auto Service and Repair Provider by the *San Diego Union Tribune* Readers Poll, along with being honored as the Best Auto Park in San Diego County. The U-T Readers Poll is an annual survey in which readers vote for their favorite local businesses and services in 176 different categories, ranging from entertainment to finance.

Being selected in the U-T San Diego Readers Poll would not have been possible without the hard work and dedication of the Hoehn Motors employees, who's mission is to provide an unparalleled, world class experience for every customer. With this esteemed award, Hoehn Motors continues to uphold its 'best-in-class' reputation in the service and auto repair industry.

"It has been a privilege for our family to serve the San Diego community for the last 40 years and we feel honored to have been recognized by our loyal customers," said Bill Hoehn, President of Hoehn Motors.

Car Country Carlsbad has become the auto park of choice for San Diego's automotive needs. In continuing the tradition, Hoehn Motors recently completed a comprehensive renovation of its Buick GMC Cadillac and Sprinter facilities, projected to finish construction later this year.

"In addition to enhancing our Carlsbad dealerships, our family is pleased to announce that we are expanding and will be building a completely new state-of-the-art Audi facility in Temecula in the next year," said Josh Sherman, Marketing Director of Hoehn Motors.

The Hoehn family invites you to visit any of its 12 Carlsbad dealerships to experience the world class difference. To schedule an appointment or to learn more, visit www.HoehnMotors.com or call (888) 799-1145.
