ENHANCE THE EXTRAORDINARY

A rare blend of art and performance, science and beauty, your Jaguar XK was created to deliver a breathtaking driving experience. Its distinctive design, luxurious interior, robust performance and technologically advanced features seamlessly converge to indulge you and your passengers.

With Jaguar accessories, you have the opportunity to enhance your already extraordinary vehicle. Choose from stunning alloy wheels, seductive body style accents, innovative interior components and functional supplements to complete your car's emergence.

Select these XK accessories with confidence, knowing that they are engineered to the same exacting standards as your Jaguar. In addition, they are covered by a warranty that begins on the date of purchase of the accessory and are covered for 12 months unlimited mileage or the balance of the new vehicle/emissions warranty, whichever is greater.*

As you peruse the following pages, envision adding a personal touch to your XK with Jaguar-approved accessories. As always, your retailer stands ready to consult with you and address any questions you may have about the XK.

*See your retailer for details on the limited warranty coverage.

ALLOY WHEELS

A stunning complement to your XK vehicle's athletic appearance, Jaguar's gorgeous alloy wheels exude performance and style. Attractive, yet durable, these alloy wheels resist corrosion and meet the same engineering requirements as the vehicle's standard wheels. (Note: Wheels are sold individually and may require different tires. Consult your dealer for details.)

ENGINEERED FOR EXCELLENCE

All Jaguar-approved accessories are rigorously tested to the same exacting standards as our vehicles. They are examined under a range of temperatures, conditions and impacts to ensure durability and functionality worthy of Jaguar. Some of our testing categories include:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Jaguar accessories.

VIRTUAL ENGINEERING

Computer-Aided Design is used to ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish that you have come to expect from Jaguar.

ENVIRONMENTAL

Different climates provide different challenges for these parts. Jaguar accessories are tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the car itself, rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.
