BEYOND THE IMAGINATION

With its fusion of stunning design, intuitive technology and extraordinary comfort, your Jaguar XJ car truly hails as the icon reimagined. Enhance your ownership of this inspiring luxury sedan by considering the wealth of Jaguar accessories engineered to integrate your personal tastes and preferences.

From the sporty style of Alloy Wheels to the beauty of the exquisite Intaglio Finisher, Jaguar offers a range of attractive, durable accessories intelligently designed to complement your vehicle.

Rigorously tested and Jaguar-approved, these accessories reflect the same high engineering standards as your XJ vehicle to ensure seamless integration with your sedan. What's more, every accessory includes a warranty that begins on the date of purchase of the accessory and is covered for 12 months unlimited mileage or the balance of the new vehicle/emissions warranty, whichever is greater.*

Peruse the following pages to consider how you may accentuate your already extraordinary automobile. As always, the trained specialists at your Jaguar dealer stand ready to consult with you regarding your selections.

*See your dealer for details on the limited warranty coverage.

ENGINEERED FOR EXCELLENCE

All Jaguar-approved accessories are rigorously tested to the same exacting standards as our vehicles. They are examined under a range of temperatures, conditions and impacts to ensure durability and functionality worthy of Jaguar. Some of our testing categories include:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Jaguar accessories.

VIRTUAL ENGINEERING

Computer-Aided Design is used to ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish that you have come to expect from Jaguar.

ENVIRONMENTAL

Different climates provide different challenges for these parts. Jaguar accessories are tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the car itself, rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.
