FUEL YOUR DESIRE

Beauty of line and purity of form — the Jaguar brand's design values — manifest themselves in stunning fashion with the exciting new F-TYPE, a powerful and agile two-seat sports car that connects you to the road like no other.

Jaguar accessories can enhance that experience by complementing your lifestyle while reflecting your individuality. From eye-catching alloy wheels and carbon fiber hood louvers to stainless steel pedal covers and personalized tread plates, these accessories can exemplify your own taste and personality.

Rest assured that, as with the F-TYPE car itself, every Jaguar accessory is engineered to the same exacting standards as your sports car. What's more, every accessory includes a warranty that begins on the date of purchase of the accessory and is covered for 12 months unlimited mileage or the balance of the new vehicle/emissions warranty, whichever is greater.*

Browse the range of accessories shown in the following pages and consider how adding these items might accentuate your captivating F-TYPE all the more. Of course, if any questions arise, feel free to contact your retailer who stands ready to assist you.

*See your retailer for a copy of the warranty.

ALLOY WHEELS

Exuding both performance and style, Jaguar alloy wheels and wheel accessories enhance your connection to the road while meeting the same engineering requirements as the standard F-TYPE wheels.

ENGINEERED FOR EXCELLENCE

All Jaguar-approved accessories are rigorously tested to the same exacting standards as our vehicles. They are examined under a range of temperatures, conditions and impacts to ensure durability and functionality worthy of Jaguar. Some of our testing categories include:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Jaguar accessories.

VIRTUAL ENGINEERING

Computer-Aided Design is used to ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish that you have come to expect from Jaguar.

ENVIRONMENTAL

Different climates provide different challenges for these parts. Jaguar accessories are tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the car itself, rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.
