## ENHANCE THE EXTRAORDINARY

A rare blend of art and performance, science and beauty, your Jaguar XK was created to deliver a breathtaking driving experience. Its distinctive design, luxurious interior, robust performance and technologically advanced features seamlessly converge to indulge you and your passengers.

With Jaguar accessories, you have the opportunity to enhance your already extraordinary vehicle. Choose from stunning alloy wheels, seductive body style accents, innovative interior components and functional supplements to complete your XK's emergence.

Select these XK accessories with confidence, knowing that they are engineered to the same exacting standards as your Jaguar. In addition, they are covered by the same limited warranty\* as your vehicle if installed within 30 days/1,000 miles of purchase.

As you peruse the following pages, envision adding a personal touch to your XK with Jaguar-approved accessories. As always, your retailer stands ready to consult with you and address any questions you may have about the XK.

\*Ask your retailer for a copy of the warranty.

## ALLOY WHEELS

A stunning complement to your XK's athletic appearance, Jaguar's gorgeous alloy wheels exude performance and style. Attractive, yet durable, these alloy wheels resist corrosion and meet the same lofty engineering requirements as the XK's standard wheels. (Note: Wheels are sold individually and may require different tires. Consult your retailer for details.)
