NISSAN Commercial Vehicles[®]

NV200® COMPACT CARGO. READY FOR BIG JOBS AND SMALL PARKING SPACES.

Introducing the Nissan NV200® Compact Cargo, the right-size commercial vehicle for your business. It's got over 122 cubic feet of cargo space that's easily accessed by wide-opening 40/60 rear doors and a sliding door on each side. You can even fit a 40" x 48" pallet.¹ The cabin offers impressive comfort and security, with loads of thoughtful features that make it a convenient mobile office. It's the perfect size for getting around even the most crowded cities and fitting into tight parking spots and low garages, while its best-in-class 24 MPG city^{2,3} and advanced CVT transmission help deliver a low cost of ownership. Nissan NV200® Compact Cargo.

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. ²Ward's Small Van Market Segmentation. ³2014 NV200® Compact Cargo vs. 2014 competitors. ⁴2014 EPA Fuel Economy Estimate 24 MPG city. Actual mileage may vary with driving conditions — use for comparison only.

OVER **530000** MILES AND 6,600 QUALITY AND DURABILITY TESTS.

ONE UNSHAKEABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vehicles you can buy, we go the extra distance for you. And for Nissan Commercial Vehicles, it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips and over 4 x 4 beams. Special chambers crank up the heat to 140 degrees and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Vehicle the best you've ever owned? Yes, because every day, you depend on your vehicle to do your job. That's the motivation for us to do ours.

The Nissan Arizona Testing Center. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vehicles you can buy.

NISSAN UPFIT ENGINEERING

INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside, but creates lots of room on the inside. From flat wheel wells to a fold-down passenger seat, every available inch is ready to work – it can easily carry a 40" x 48" pallet. And with integrated reinforced cargo-mounting points and integrated roof-mounting points, the NV200® Compact Cargo is an upfitter-friendly base to build your business on.¹

SAVES DOLLARS. TURNS ON A DIME.

With NV200® Compact Cargo's 2.0-L 4-cylinder and efficient Xtronic CVT® transmission, you get a smooth and powerful drive while keeping a watchful eye on the bottom line, with a best-in-class city rating of 24 MPG^{1, 2}. Add in responsive handling and excellent outward visibility, and NV200® Compact Cargo is as good at maneuvering in crowded urban environments as it is at avoiding big fuel bills.

36.7' TURNING DIAMETER

NV200's incredibly tight turning diameter helps you negotiate narrow streets and tight parking structures while letting you place the vehicle as close as possible to your drop-off locations.

ADVANCED TECHNOLOGY FOR INCREASED PRODUCTIVITY.

Thoughtful design of NV200[®] Compact Cargo's cabin makes it a better space for drivers and a smarter place to work. The driver sits high, with excellent outside visibility. And when it's time to get down to business, the NV200[®] Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach. To help you work efficiently on the road, the available Technology Package features a convenient RearView Monitor,¹ NissanConnectSM with Navigation and Mobile Apps,^{2,3} and a suite of high-tech features easily accessed through a 5.8" touch-screen.

NAVIGATION³

CUSTOMER COMMITMENT

Your vehicle is more than just basic transportation, it's what makes your business run efficiently. At Nissan Commercial Vehicles, we understand our part in making your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every certified Nissan Commercial Vehicles Dealer:

Roadside Assistance and Trip Interruption. Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.¹

Service and maintenance plans. Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Nissan Commercial Vehicles dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

We've got you covered. Every Nissan is backed by a 36-month/36,000-mile (whichever occurs first) limited vehicle coverage and a 5-year/60,000-mile (whichever occurs first) limited powertrain coverage. (See your Nissan Commercial Vehicles dealer or reference the Nissan Owner's Manual for details). For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.

¹Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services.
