

# NEW THINKING. NEW POSSIBILITIES.

*Every year Hyundai vehicles continue to exceed expectations, surprising and delighting critics and car owners alike. Challenging the status quo is the essence of progress, and it's exactly why Hyundai is an emerging leader in the automotive industry. It's this striving for the highest quality and innovation in engineering that keeps us propelling forward. Focused on building the most innovative technology in the industry – this is how we create New Thinking. New Possibilities.*

## ULTIMATE VERSATILITY.

*It used to be that if you wanted a car with great handling, you had to sacrifice practicality. Enter the all-new 2013 Elantra GT. Its innovative storage options give you freedom to fit everything you need to take your active lifestyle on the road. But the Elantra GT's practical side is only half the story. It also offers great styling, a spacious interior, exceptional fuel economy, and incredible handling with features like Driver Selectable Steering (DSS) which allows you to customize your driving experience between Sport, Normal and Comfort steering modes.*

## CONFIDENT BEAUTY.

*The all-new Elantra GT makes a bold impression with its unique European, sporty design. The sculpted hood creases sweep around its striking projector headlights, while muscular wheel arches frame the available 17" alloys with chrome accents. Flanking the front you'll find Hyundai's signature hexagonal grille which is available in stunning dark chrome on SE models, while wraparound taillights form sleek character lines along the tail. Adding to the Elantra GT's innovative design is an available hidden rearview camera. One look and it becomes clear, this is a car that commands attention.*

## SOPHISTICATION IS THE NEW STANDARD.

*Beautiful styling and attention to detail can be found everywhere you look and the cabin of the Elantra GT is no exception. Compare it to other vehicles in its class and you'll quickly notice that the smart interior design is not only visually refined with smooth flowing lines, but ergonomically engineered with you in mind. Standard features like the Bluetooth® Hands Free® Phone System, heated fronts seats and a cooled glove box provide ultimate convenience along with an array of available features including a 7" touch-screen navigation system with a hidden rearview camera, proximity key with push button start and a panoramic sunroof.*

Not exactly as shown.

Not exactly as shown.

## ENJOYMENT AT EVERY TURN.

*The Elantra GT doesn't just turn heads, it was also engineered to deliver a fun, sporty driving experience. Offering Hyundai's first Driver Selectable Steering, the Elantra GT allows drivers to customize their driving experience by choosing between Comfort, Normal, or Sport steering modes. Delivering 148 horsepower, the Elantra GT is powered by a fuel efficient Nu 1.8L DOHC, Dual-CVVT engine equipped with an aluminum alloy engine block to reduce engine weight and improve fuel economy.*

## SAFETY WHERE YOU NEED IT.

*Like every Hyundai, the 2013 Elantra GT incorporates the very latest in active and passive safety features. Seven airbags<sup>1</sup> surround the cabin, including a Driver Knee Airbag. Standard 4-wheel disc brakes with an Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD) and Brake Assist all work together to give you the ability to stop with confidence. Add to this a Vehicle Stability Management (VSM)<sup>2</sup> system, Electronic Stability Control (ESC), and Traction Control System (TCS) for improved handling in all kinds of weather conditions.*

**Hidden Rearview Camera.**

*This innovative design allows the camera to flip out when backing up, and then fold back into the exterior sculpting of the Elantra GT when not in use. This helps to keep the lens protected and clean, giving you greater visibility (standard on SE with Tech Package).*

**Bluetooth® Connectivity.**

*The standard Hands Free® phone system allows you to keep your hands focused on driving, while keeping in touch with friends and family.*

**Touch-screen Navigation.**

*Never lose sight of the road, or where you're going. With the available touch-screen navigation you'll always find your way.*

**Panoramic Sunroof.**

*With a sunroof that spans almost the entire length of the cabin, every drive is a scenic one (standard on GLS and SE models).*

**Side-mirror Turn Signal Indicators.**

*With a focus on safety, these signal indicators also integrate into the side mirrors for a sleek and stylish look (standard on SE models).*

### **Driver Selectable Steering (DSS).**

*Different road conditions can require different steering characteristics. With DSS, you can select your preferred steering style between Comfort, Normal, or Sport mode.*

### **Cooled Glove Box.**

*Your favourite drinks stay cool and refreshing no matter how far your drive is. The cooled glove box on the Elantra GT is a must have on those hot summer days.*

### **Proximity Key with Push-button Start.**

*An available proximity key senses your presence, allowing you to unlock doors and start the engine with the push of a button.*

### **Fold Flat Seats.**

*An innovative design allows the rear seats to fold completely flat so that hauling cargo is always a breeze. Even more impressive is the completely fold flat cargo area, from trunk to seat, for GLS and SE models.*

## **THERE'S NO SUBSTITUTE FOR PEACE OF MIND.**

*The quality of our vehicles is equally matched by the quality of our warranty. Rest assured we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/ 100,000KM comprehensive limited warranty, one of the best backed warranties in Canada. And now we also provide a Road Trip Planner service, helping you prepare worry free trips. You're covered with Hyundai.*

# ACCESSORIES

## **Rubber Floor Mats.**

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

## **Cargo Net.**

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

## **Cargo Tray.**

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

## **Plastic Hood Protector.**

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

## **Block Heater.**

Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

## **Side Visors.**

Compliment your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come.

## **Remote Starter.**

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote starter and get on the road in comfort. Complete with factory style remotes this feature is fully integrated with your vehicle alarm system.

## **Accessory Frame.**

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bike and ski racks. Includes end cap (Frame not intended for towing).

## **Rear Bumper Protector.**

Protect the finish on your bumper from chips and scratches, when loading and unloading the cargo area, with this durable, custom-fit rear bumper protector.

## **Mud Guards.**

Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

# SPECIFICATIONS

## GL

### Standard Equipment Includes:

1.8L, 148 hp, 4-cylinder Engine with Dual Continuously Variable Valve Timing (D-CVVT) ■ 16" Steel Wheels ■ AM/FM/XM®/CD/MP3 Audio System with 6 Speakers ■ Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) ■ 6-speed Manual Transmission ■ Vehicle Stability Management (VSM)², Electronic Stability Control System (ESC) with Traction Control System (TCS) ■ Bluetooth® Hands Free³ Phone System with Voice Recognition ■ Power Door Locks and Windows with Driver's Auto-down ■ Airbags¹ (7): Dual Front, Front Seat-mounted Side-impact, Roof-mounted Side-curtain and Driver Knee Airbag ■ Manual Air Conditioning ■ Front Centre Console with Dual Cupholders, Fixed Armrest and Storage Box ■ Heated Front Seats ■ Heated, Power Adjustable Exterior Mirrors ■ iPod®/USB/Auxiliary Input Jacks ■ Remote Keyless Entry System with Alarm and Panic ■ Steering Wheel-mounted Audio and Cruise Control ■ Roof-mounted Radio Antenna ■ Rear Spoiler ■ Optional: 6-speed Automatic Transmission with SHIFTRONIC®

## GLS

### Includes GL Standard Equipment Plus:

16" Aluminum Alloy Wheels ■ 8-way Power Driver's Seat with Lumbar Support ■ Front Fog Lights ■ Panoramic Sunroof ■ Illuminated Ignition Key Cylinder Surround ■ Leather-wrapped Steering Wheel and Gear Shift Knob ■ Cloth Door Trim Inserts ■ Front Windshield Sunshade Band ■ Illuminated Sunvisor Vanity Mirrors with Driver and Passenger Extensions ■ Luggage Under Floor Box ■ Optional: 6-speed Automatic Transmission with SHIFTRONIC®

## SE

### Includes GLS Standard Equipment Plus:

6-speed Automatic Transmission with SHIFTRONIC® ■ 17" Aluminum Alloy Wheels ■ Dual-zone Front Automatic Temperature Control ■ Chrome Side-window Beltline Moulding ■ Front Windshield Wiper De-icer ■ Front Sliding Centre Armrest ■ Driver's Window Auto-up with Pinch Protection ■ Auto-dimming Rearview Mirror with HomeLink® ■ Leather Seating Surfaces ■ Leatherette Door Trim Inserts ■ Dark Chrome Front Grille ■ Side-mirror Mounted Turn Signal Indicators ■ Automatic Headlights ■ Solar Control Glass

## SE Tech Package

### Includes SE Standard Equipment Plus:

7" Touch-screen Navigation System with Hidden Rearview Camera ■ Proximity Key with Push Button Start
