

*The **Ultimate** in Performance*

Ford Performance is proud to introduce the latest version of a legendary nameplate — the **2020 Mustang Shelby GT500**. Like its stablemates the Shelby GT350® and GT350R, the **Shelby GT500** is a thoroughbred evolved from a legacy of street-legal, jaw-dropping performance.

***Power** Done Right*

What's under the skin is what matters most. Shelby GT500 offers:

Powertrain:

- **5.2L supercharged cross-plane crank V8 engine**
- **TREMEC® 7-speed dual-clutch transmission (DCT)**
- Engine oil, transmission and differential coolers
- Integrated Driver Control (IDC) System

Braking System:

- Red-painted Brembo™ brake calipers — 6-piston (front), 4-piston (rear)
- Two-piece, smooth, ventilated brake rotors
 - Front: 420 mm
 - Rear: 370 mm

Chassis:

- Composite carbon-fiber driveshaft
- High trail knuckle for improved steering response
- Independent rear suspension
- Specially engineered Michelin® high performance tires
- MagneRide® Damping System
- Magnesium strut tower brace
- TORSEN® differential with 3.73:1 rear-axle ratio

Form and Function

On the inside, GT500 has streamlined styling that's all about the driver's needs. Key features include:

- 12-inch Digital LCD Instrument Cluster with MyColor®
- Aluminum foot pedals
- Wrapped center console with accent stitching
- Dual-zone electronic automatic temperature control (DEATC)
- Ford Performance aluminum scuff plate
- Performance shift indicator light
- Rotary gear shift dial
- Seating:
 - Leather trimmed with Miko® Suede and heated/cooled front sport seats
 - Available RECARO® leather-trimmed seats
- Shelby-exclusive aluminum instrument panel
- Instrument panel badge with unique chassis number
- Steering wheel — leather/Alcantara®-wrapped with paddle shifters and center marker

- Mirrors — heated, memory, turn signal and Cobra® puddle lamps

Exclusively for GT500 Owners

Customers who purchase a 2020 Shelby GT500 receive a complimentary Track Attack high-performance driving school session. The program is designed to help owners learn about their vehicle and get the most out of it.

The Ford Performance Racing School (FPRS) curriculum includes:

- Opening evening reception
- Classroom and video sessions
- On-track instruction led by FPRS professional drivers

FPRS is the only high-performance driving school supported by Ford. It offers an unparalleled, exhilarating on-track driving experience for every Ford Performance enthusiast, regardless of skill level or objective. All FPRS classes are conducted by highly trained, race-experienced professional instructors.
