THE FORD ACCESSORIES ADVANTAGE

At Ford, we understand that accessories are a key component of the Bronco Sport Ownership Experience. Every Bronco Sport was designed with customization in mind as we know that each one will be used for a different adventure. Everything about the Bronco Sport, including our accessories, are Built Wild!

- Quality products approved by Ford and designed specifically for your application
- Engineered to integrate with on-board vehicle safety systems such as airbag deployment sensors
- Include the costs of Ford accessories in Ford Credit financing or Red Carpet Lease
- Covered by the 3-year/36,000-mile New Vehicle Limited Warranty when installed at time of purchase (see dealer for limited warranty details)
- When customers require warranty service on a Ford Accessory, they can go to any Ford Dealership

B

C

D

E

F

G

B. SOFT CARGO ORGANIZER (STANDARD)

This smart mix-and-match way to contain personal belongings can help minimize spills, bag is collapsible and stores flat.

- 3 mildew-resistant compartments and built-in handles; just over 2' wide
- Cleans easily and stores flat if desired

C. SOFT CARGO ORGANIZER (LARGE)

This large, soft-sided organizer folds out of the way when not in use and stands up when duty calls. Sized to hold our Soft-Sided Cooler Bag.

- Cleans easily, and stores flat if desired
- Measures a generous 39" wide x 14" long x 10 3/4" high

D. SOFT-SIDED COOLER BAG WITH ADJUSTABLE STRAPS

Padded cooler helps keep refrigerated foods and beverages chilled or heated ones warm.

- The interior is insulated with an aluminum film that quickly wipes clean and is water resistant
- Lightweight and collapsible with a zippered top
- Measures 14" x 13" x 10 3/4"

E. CARGO AREA PROTECTORS FOR FULL SIZE SPARE

Protect your cargo area from dirt, grime and spills with a Cargo Area Protector engineered specifically for your Bronco Sport.

- Molded to fit the interior of your cargo area
- These protectors are specifically designed for Bronco Sport models to accommodate the full-size spare
- Easy to clean, simply remove and spray off with a hose and water

F. CARGO AREA PROTECTORS

Protect your cargo area from dirt, grime and spills with a Cargo Area Protector engineered specifically for your Bronco Sport.

- Molded to fit the interior of your cargo area
- These protectors are specifically designed for Bronco Sport models equipped with a mini spare
- Easy to clean, simply remove and spray off with a hose and water

G. CARGO AREA RUG WITH LOK BLOCKS

Help protect the cargo area of your new vehicle with this Cargo Area Rug. Distinctive design includes Lok Blocks to help keep things in place.

- Heathered gray mat contains spills with its raised lip
- Lok Blocks help keep cargo in its place
- Easy to remove for cleaning – simply hose off

BRONCO SPORT ELECTRONIC ACCESSORIES

A

A. DASH CAMS

Dash Cams allow you to film the action while driving, and three Dash Cam bundles are available from Ford Accessories.

Each bundle offers:

- Full 140 degree viewing angle to help you capture the whole scene
- Wide dynamic range helps provide correct exposure and contrast
- Motion detector and impact sensor trigger the camera to record when in Parking Surveillance Mode – camera provides an alert at next power-up letting you know an incident occurred
- Configure dashcam settings with easy to use software

AVAILABLE REAR FACING CAMERA

FORD ACCESSORIES
accessories.ford.com

B. PORTABLE REAR SEAT ENTERTAINMENT

Tablet-style entertainment system features two Android tablets that can be used to show the same movie/game or can be used independently.

- Features stand-alone tablet screens equipped with Wi-Fi sharing
- T-cable routing to connect monitors to each other and allows for in-vehicle charging
- Tablets mount behind driver and/or passenger seats
- Tablets can be used outside the vehicle if desired

D. KEYLESS ENTRY KEYPADS

Conveniently unlock your vehicle without your key or keyless entry remote. No wiring necessary, programmable, backlit keypad with black, textured finish.

- Vehicle must be equipped with Remote Keyless Entry, programming required
- Kits for vehicles with factory remote start and without factory remote start available

C. FORD PERIMETER PLUS VEHICLE SECURITY

Use your factory key fobs to arm and disarm the Ford Perimeter Plus Vehicle Security System.

When there's impact to the glass or a body panel, the 2-stage shock sensor determines whether to issue a warning chirp or full alarm.

- When activated by your Ford Dealer, the Basic Remote Start System is also included; start your vehicle from up to 300' away
- LED Warning Light Kit also available – lights up when system is activated

E. REMOTE START SYSTEMS

Add Long Range Remote Start (up to 1000') to your Ford Perimeter Plus Vehicle Security System.

Long Range or Long Range with Confirmation systems available.

- Long Range Kit includes two one-button keyfobs
- Long Range with Confirmation Kit includes one 2- button keyfob and logos for keyfob
- Perimeter Plus Vehicle Security Module is required and purchased separately
- Range Extending Antenna also available to increase range up to 2500 ft.

A. FORD PERFORMANCE 5.0 SMART BATTERY CHARGER

The Ford Performance 5.0 Charger/Maintainer conveniently charges and maintains your battery.

- Provides a fully automatic, eight step charge approach that takes your battery through a reconditioning process and maintains it through extended storage periods
- Spark proof and reverse polarity protected for ultimate safety
- Optional slip-resistant rubber bumper protector is also available

B. FORD PERFORMANCE OFF-ROAD UNDERBODY LIGHTS – WHITE/AMBER

These lights are mounted in the wheel well or other strategic locations to enable off-road vehicles to illuminate trails as well as difficult, rocky terrain.

- Two kits are available – with either Amber or White lights
- Each kit contains (4) RIGID® LED Rock Lights plus 15-foot leads to each light, power distribution block, switch, and light mounts

C. FORD PERFORMANCE 40" LIGHT BAR BY RIGID

Ford Performance worked with one of the most recognized names in Off-Road lighting, RIGID® Industries, to develop this roof mounted off-road light bar kit which works specifically with the Bronco Sport.

- The kit allows you to mount RIGID's 40" off-road LED light bar onto the roof of the Bronco Sport
- Includes a RIGID 40" light bar, two black powder coated stainless steel brackets, "Ford Performance" branded lens cover and a unique harness

BRONCO
SPORT
EXTERIOR ACCESSORIES

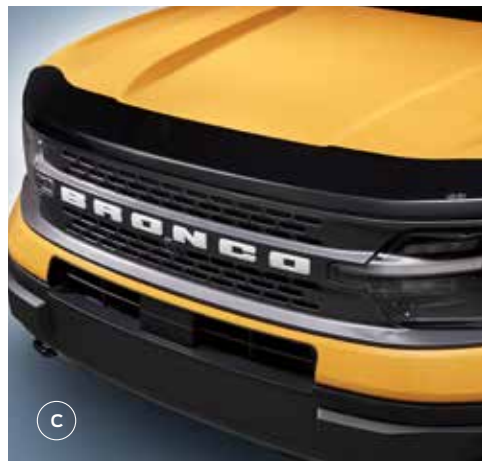

FORD ACCESSORIES
accessories.ford.com

A

B

C

D

A. SPORTZTENT

No need to unpack – simply keep all your gear in your vehicle and sleep in the tent. Roomy 9' x 9' tent sleeps 4 to 6 people.

- Steel and fiberglass pole structure is easy for one person to set up
- Full length tape seamed, rain fly with a 6' x 6' awning for shade

B. FENDER FLARES

These big, bold and brash flares have the bolted-on look that says “in your face,” but in reality, require no drilling for installation.

- Each flare adds 1-1/2" of tire coverage
- Available pre-assembled – ready for installation; or unpainted – ready for prep & paint

C. AEROSKIN HOOD PROTECTOR

These smoke-colored protectors act like an extra skin for your hood.

- Helps provide added protection against scratches and dings
- Low-profile, aerodynamic appearance

D. AEROSKIN II

These black textured protectors act like an extra skin for your hood.

- Helps provide added protection against scratches and dings
- Low-profile, aerodynamic appearance

E

F

G

H

E. HITCH-MOUNTED FIXED CARGO BASKET

Free up space inside the vehicle for passengers and cargo with a hitch cargo carrier and bring along your cooler, camping gear, sports equipment, or anything else you can't go without.

- 6" tall sides help keep items more secure during travel
- Constructed from heavy-duty, tubular steel
- Angled shank elevates carrier for more ground clearance
- Mesh base for easy cleanup
- Built-in reflectors add visibility
- Protected by a highly durable E-coat and carbide black powder coat finish

F. SIDE WINDOW DEFLECTORS — LOW PROFILE

These low-profile deflectors help keep out rain or snow and let fresh air in.

- Durable, smoke-colored acrylic
- Self-stick adhesive for easy installation

G. BUMPER PROTECTOR

Scuff-resistant applique helps protect the top of the bumper cladding from scuffs and scratches that can occur during loading and unloading.

- Easy to install

H. PAINT PROTECTION PACKAGE

This paint protection film kit is extremely durable, virtually invisible and helps protect the paint from day-to-day wear and tear.

- Nearly invisible urethane film adheres directly to the vehicle
- Three-piece kit covers the leading edge of the hood and front fenders
- Helps protect the vehicle's finish from bugs and other road debris
- Helps maintain the vehicle's resale value

A. MOLDED SPLASH GUARDS

Deflect mud, snow and ice away from lower body panels.

- Contoured design complements vehicle lines
- 2-piece kits for front and rear
- Bronco logo on rear, no logo on front

B. GATORBACK HEAVY-DUTY SPLASH GUARDS

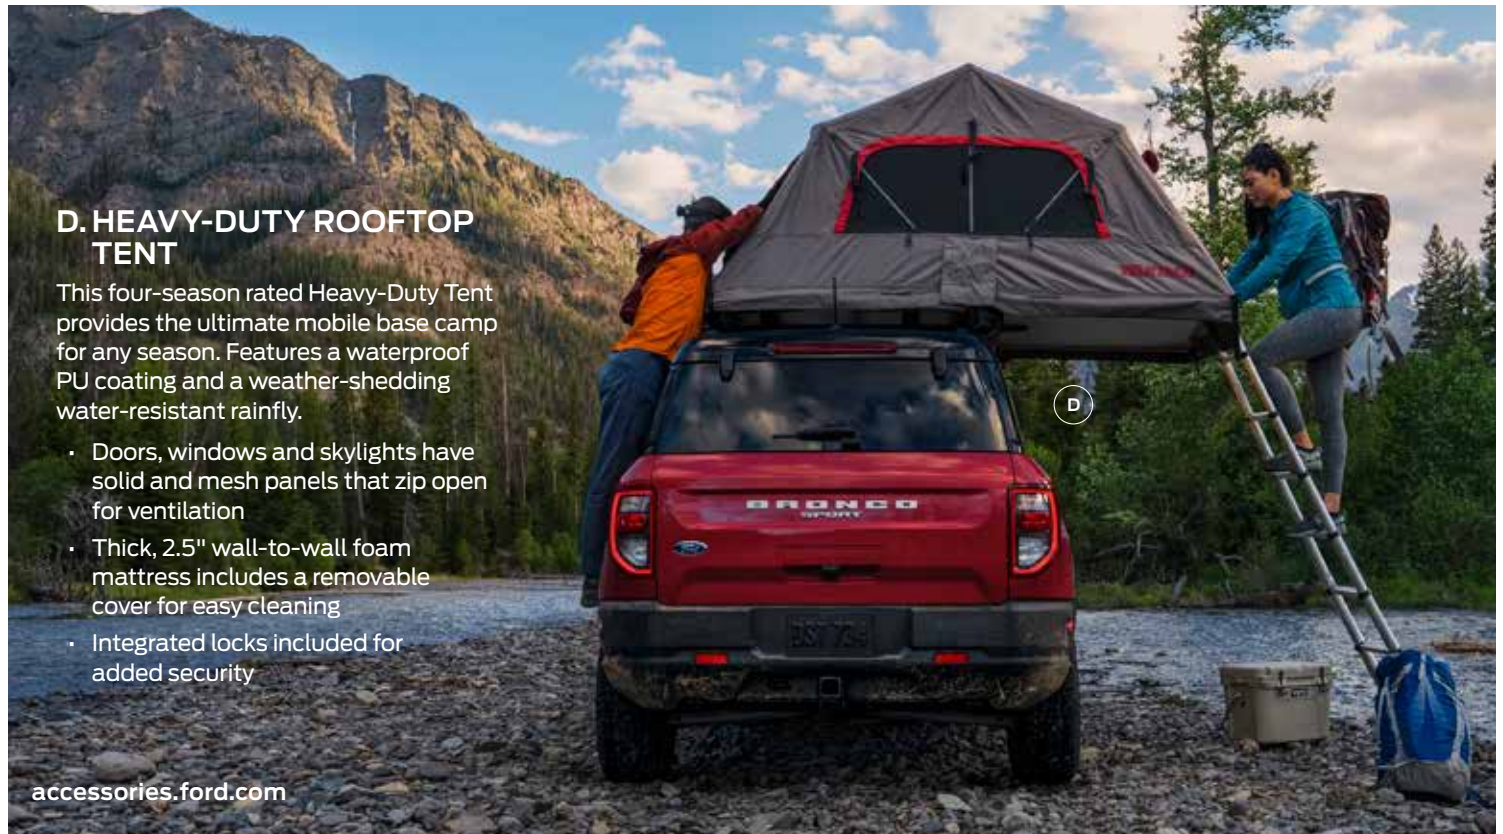

Rugged design and custom quality finish helps protect against mud and debris.

- Ford-exclusive kits feature pre-punched holes and all hardware required for installation
- No measuring required, simply assemble and install
- 2-piece kits for front and rear, Bronco logo on both

C. LIFTGATE PRIVACY CURTAIN

Easy to set-up privacy curtain is the answer for a quick change at the beach or getting out of those sweaty sports uniforms. Can also be used as a shelter when watching the game!

- Easy, 5 minute set up
- Comes with a handy storage tote
- Nylon construction provides 360-degree privacy

D. HEAVY-DUTY ROOFTOP TENT

This four-season rated Heavy-Duty Tent provides the ultimate mobile base camp for any season. Features a waterproof PU coating and a weather-shedding water-resistant rainfly.

- Doors, windows and skylights have solid and mesh panels that zip open for ventilation
- Thick, 2.5" wall-to-wall foam mattress includes a removable cover for easy cleaning
- Integrated locks included for added security

E. REAR SPOILER

Dress-up the rear of your Bronco Sport with a Roof Spoiler.

- Injected with high pressure polyurethane
- Factory painted satin black, installs right out of the box; also available in Shadow Black and Carbonized Gray
- Install ready, no-drill installation using 3M double-sided tape and 3M 540 adhesive
- Will not interfere with most Ford-approved roof rack carriers

G. FENDER FLARES

Designed to enhance the Bronco Sport off-road style, these Fender Flares look as good as they perform.

- Set of 4 flares are dent & ding resistant and help protect the body side rockers from road debris
- Factory painted satin black, installs right out of the box
- Manufactured of impact-resistant polyurethane
- Easily installed using the double-sided 3M tape and 3M 540 adhesive

F. HOOD SCOOP

Add an aggressive styling element with this Bronco Sport specific Hood Scoop.

- Contoured to the hood surface for an OE-quality fit
- Factory painted satin black, installs right out the box
- Manufactured using an over-molding technology that encapsulates high impact multi-layer ABS Plastic with elastomeric polyurethane
- Install ready, no-drill installation using 3M double-sided tape and 3M 540 adhesive

H. DOOR MOLDINGS

Help protect your doors from dings and scratches with these stylish Door Moldings designed & engineered specifically for the Bronco Sport.

- Dent and ding-resistant, these moldings help provide protection when traveling off-road or in harsh conditions
- Lightweight, yet durable polyurethane construction
- Factory painted satin black, installs right out of the box
- Install ready, no-drill installation using 3M double-sided tape and 3M 540 adhesive

A. TRAILER HITCH ASSEMBLY

Class II Hitch allows the use of hitch-mounted accessory carriers or lightweight trailers.

- Black powder coat finish and corrosion-resistant hardware for long-lasting good looks
- Original equipment hitch assembly bolts into existing holes – no drilling or welding required
- Towing capacity can be limited by vehicle powertrain; contact your Dealer for details

B. HITCH BARS/BALL MOUNTS

Ford offers a variety of ball mounts for 2" receivers with different capacities.

- All feature a corrosion-resistant black powder coat finish
- Vehicle powertrain, suspension and other equipment all contribute to towing capacity; please check your vehicle Owner's Manual for details

C. HITCH BALLS

Ford offers a variety of hitch balls with different capacities.

- Forged stainless-steel one-piece construction for maximum strength and corrosion resistance
- Vehicle powertrain, suspension and other equipment all contribute to towing capacity; please check your vehicle Owner's Manual for details

D. HITCH RECEIVER CAP BY PLASTICOLOR

3D design features the bucking Bronco logo.

- Corrosion-resistant aluminum construction
- Fits 2" receivers

E. HITCH PLUG BY TOWING ACCESSORIES GROUP

Simple rubber Hitch Plug features the bucking Bronco logo.

- Helps keep road and other debris out of the receiver
- Fits 2" receivers

F. TIE-DOWN SHACKLE

The D-ring shackle mount is perfect for vehicle recovery or tough jobs off-road and out in the field. Features removable, heavy-duty D-ring shackle, solid steel shank and a highly durable powder coat finish.

- Fits trailer hitches with a 2" receiver
- Can be used with most vehicle recovery straps

G. FORD PERFORMANCE LICENSE PLATE FRAMES

High quality license plate frames allow you to dress up your vehicle without covering the state designation and registration tags on your license plate.

- Available with brushed stainless steel or black powder coat finish
- Constructed from 304 stainless steel, these frames will complement any Ford Performance fan's vehicle

H

H. ELECTRICAL HITCH WIRE HARNESS

Provide electrical power to your trailer lights with this 4-pin wiring harness.

- Four pin connector connects to trailer lights via the factory harness, some splicing required
- Not for use with trailers with electric brakes

I. FORD PERFORMANCE OFF-ROAD RECOVERY KIT

Designed to assist in the recovery of a vehicle stuck in mud, sand, or snow. This comprehensive kit is sure to complement your off-road adventure. Kit includes:

- Ford Performance by WARN® Industries storage bag
- Ford Performance 2"x 22' blue recovery strap – rated to 14,400 lbs.
- “Ford” branded winching gloves-size XL
- WARN® Industries ¾" D-shackle – rated to 18,000 lbs.

I

J. FORD PERFORMANCE HEAVY-DUTY OFF-ROAD RECOVERY KIT

Designed to assist in the recovery of a vehicle stuck in mud, sand, or snow. This comprehensive kit is sure to complement your off-road adventure. Kit includes:

- Ford Performance by WARN® Industries storage bag/tote
- 3"x 30' blue recovery strap – rated to 21,600 lbs.
- Tree trunk protector, 4"x 8' – rated to 30,000 lbs.
- Heavy-duty Snatch Block with greaseable port – for winch capacities up to 12,000 lbs.
- “Ford” branded winching gloves-size XL
- Two WARN® Industries ¾" D-shackles – rated to 18,000 lbs.

J

K. FORD PERFORMANCE OFF-ROAD RECOVERY BOARDS

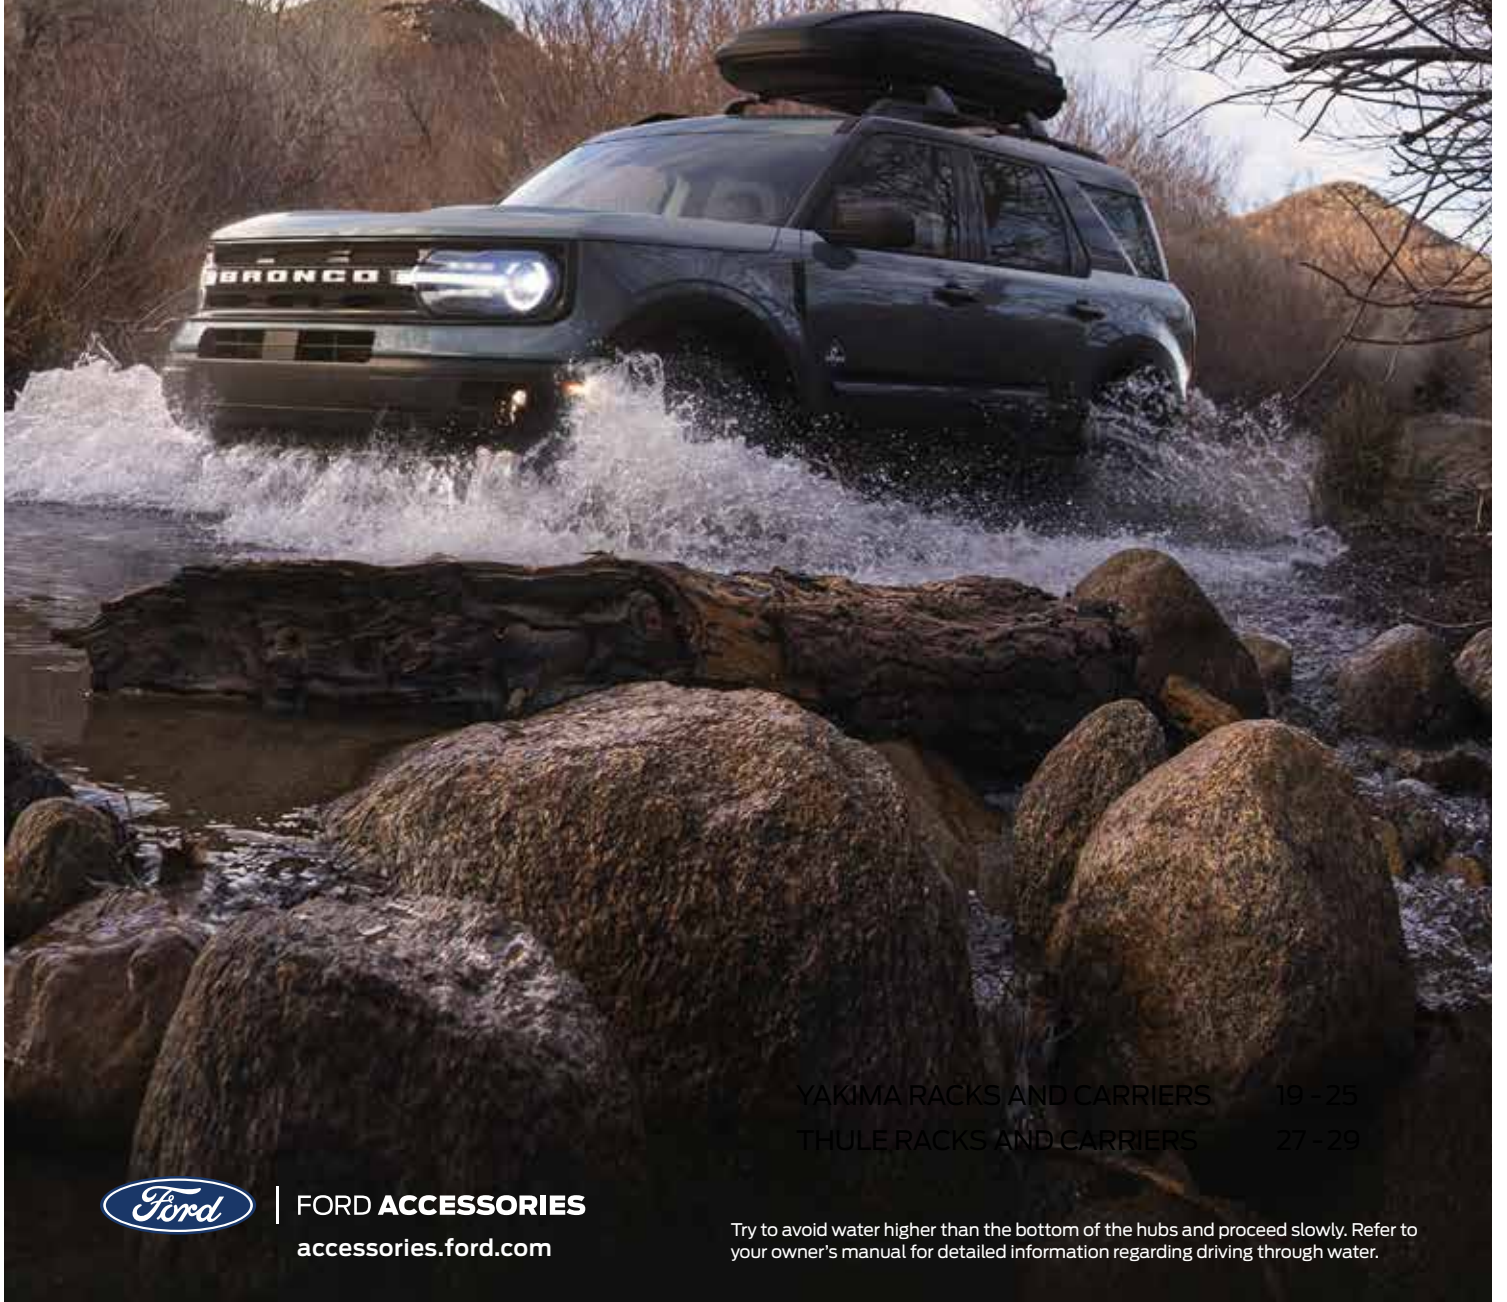

These boards offer an aggressive pattern with deep cleats for maximum grip.

- Made from a specially designed polymer to offer strength and flexibility for uneven terrain
- Large hand holds make the boards easy to maneuver, even with gloves
- Sold in pairs

K

BRONCO SPORT RACKS AND CARRIERS

YAKIMA RACKS AND CARRIERS 19-25
THULE RACKS AND CARRIERS 27-29

FORD ACCESSORIES
accessories.ford.com

Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your owner's manual for detailed information regarding driving through water.

YAKIMA RACKS AND CARRIERS

A. O.E. ROOF CROSSBARS

You need Crossbars to carry most roof rack carriers. These are the Original Equipment design that attach to the factory side rails.

- Two styles available, one fits Base, Big Bend and Outer Banks trim, the other has a taller profile designed specifically for Badlands and First Edition trim
- Check your vehicle's Owner's Guide for roof-rack carrying capacity

B. CROSSBARS BY YAKIMA

Select Yakima roof-rack carriers require the t-slot feature or added capacity these Crossbars provide.

- Provides the extra stability required when deploying roof-mounted tents
- T-slots accommodate Eye Bolts, Load Stops and other Yakima Rack accessories
- Extra-long crossbars allow mounting of multiple Yakima carriers, check your vehicle's Owner's Guide for roof-rack carrying capacity

C. RETRACTABLE AWNING

This Awning helps provide excellent protection from the sun or a sudden shower. It mounts easily to the side of your base rack and only takes up six inches of bar space. Just pull it out window-shade style and insert the poles when you get to camp.

- Fits Yakima or O.E. roof racks
- Easy to pitch – just pull it out, prop it up and settle in

D. SMALL AND LARGE ROOF PLATFORM RACKS

These Roof Platform Racks feature engineered aluminum construction and a textured black powder coat finish for durability. Two platform sizes to meet most carrying needs.

- Side-to-side slats act like crossbars for mounting most bike, kayak, ski mounts and more
- Integrated T-slots for simple and secure attachment of T-slot accessories (sold separately)

A

B

C

D

A. TOOL/JACK HOLDER

This heavy-duty bracket keeps most common jacks (not included) easily accessible, integrated lock loop allows the addition of a padlock for greater security.

- Securely carries 1 high-lift jack with a 50 mm steel standard bar up to 35 lbs
- Heavy-duty stamped steel construction, with a durable black-zinc coating

B. PERIMETER FENCE

Add to the utility of your Roof Platform Rack (sold separately) with a set of versatile, heavy-duty aluminum perimeter rails to help secure and tie down your load.

- Integrated T-slots make it easy to attach other Yakima T-slot accessories
- Set of four (front, back and both sides)

C. CORNER BRACKETS

Heavy-duty adjustable brackets help secure most hard-shelled containers like coolers, storage bins or toolboxes to your Roof Platform Rack (sold separately).

- Drop-in style T-slot eye bolts make them easy to install and adjust
- Heavy-duty stamped-steel construction, with a durable black-zinc coating

D. JERRY CAN HOLDER

Carry extra fuel or water on the Roof Platform Rack (sold separately) with this Jerry Can Holder. Holds one full 10L or 20L metal or plastic jerry can (not included).

- Includes heavy-duty hook straps with steel ratchets, cast steel eyelets and a durable black zinc coating

E. SPARE TIRE HOLDER

Secure a spare tire to the Roof Platform Rack with this heavy-duty retention kit. T-slot drop-in style eye bolt hardware allows quick adjustment and removal.

- Includes heavy-duty hook straps with steel ratchets, cast-steel eyelets, and a black-zinc coating
- Holds most common size off-road tires

F. LIGHT BAR ATTACHMENT KIT

Easily secure a light bar or a pair of spotlights on the Roof Platform Rack. Configurable in 16 different orientations for maximum versatility.

- Supports up to an 18-lb. light bar or a pair of 9-lb. spotlights
- Heavy-duty steel construction, with a durable black-zinc coating

G. CARGO BASKETS

Heavy-duty baskets feature mounting systems and minimal assembly for easy installation. Use them to haul coolers, backpacks, duffel bags or even golf clubs.

- X-Large basket includes a cargo net
- Custom fairings help reduce wind noise
- XL Basket mounted light bracket

Available in three sizes:

- X-Large: 52" x 48"
- Medium: 44" x 40"
- Small: 58" x 23"

H. XL BASKET LIGHT BRACKETS

These brackets come in pairs and mount to the XL Cargo Basket for added light on your off-road excursions.

- Heavy-duty powder coated steel construction
- For mounting off-road lights (sold separately) of nearly any size or shape

A

B

A. KAYAK CARRIER

With multiple settings, the Kayak Carrier allows you to carry one boat in J-Cradle position, two boats in vertical, stacker position plus it folds flat when not in use.

- Fully assembled out of the box, tool-free installation
- Fits Yakima or O.E. crossbars; includes Heavy-Duty Straps and Bow/Stern Tie-Downs

B. KAYAK CARRIER WITH LOAD ASSIST

Handles both kayaks and SUPs, the lightweight mount tilts down more than two feet from the roof rack and helps gently raise it up to the top of the vehicle.

- Requires Yakima HD Crossbars
- 80 lb. capacity easily handles a large kayak or two boards
- Felt-covered cradles flex to conform to hull for secure transport, tie down straps included

C. STAND-UP PADDLEBOARD (SUP) CARRIER

Holds two SUPs up to 36" wide. The Paddleboard Carrier is fully assembled out-of-the-box, features integrated rollers for easy loading and includes SKS locks.

- Includes everything needed to carry up to 2 SUPs
- Fits Yakima or O.E. crossbars

D. SKI/SNOWBOARD CARRIER

Wide enough to carry six pairs of skis – up to 136mm at the tip – or four snowboards. Integrated SKS (Same Key System) locks are built in for added security.

- Delivers a quiet ride and streamlined good looks
- Works with Yakima or O.E. crossbars
- Large button makes it easy to open with gloves or mittens on

E. RACK MOUNTED BIKE CARRIER

Securely carries one bike. For use with Yakima or O.E. crossbars, it can be paired up with other Yakima carriers for maximum cargo-carrying flexibility.

- Zero contact with frame to help protect carbon fiber and custom paint jobs
- Accommodates disc brakes, thru axles, and full suspension bikes

F. CANOE CARRIER

This Canoe Carrier attaches directly to any Yakima or O.E. roof rack. The unique design attaches to round, square and factory bars with a single tightening knob.

- Includes straps and bow/stern tie-downs – everything needed for a single canoe
- Durable molded rubber cushions the canoe gunwale while providing stability

A. HITCH MOUNT BIKE CARRIERS*

Three Hitch-Mount Bike Carriers from Yakima are available to meet your specific needs.

Tilt, Tray-Style Rack (shown) holds 2 bikes, securing them at the wheels, protecting carbon fiber and painted surfaces.

- Tilts for access to the cargo area
- Accommodates most bikes with 20"- 29" wheels and up to 4.8" wide tires

Tilt, Cradle/Mast-Style Rack holds up to 4 bikes, securing them by the crossbars.

- Tilts down for cargo area access and folds down when not in use
- Anti-sway cradles help minimize bike-to-bike contact

Swing, Cradle/Mast-Style Rack holds up to 4 bikes and swings out of the way for cargo area access.

- One-touch unlocks the swing-away feature
- Fully padded arms fold down when not in use

B. CARGO BOX

Carry your gear on the roof with this sleek Cargo Box. The aesthetically-pleasing shape also contributes to minimized wind noise.

- Dual-sided opening for easy access on either side of your vehicle
- Hauls gear for up to 3 campers; fits snowboards and skis up to 185cm

C. SNOWSPORTS RACK ADAPTER FOR HITCH MOUNT BIKE RACK*

Convert your cradle-style hitch bike carrier into a ski and snowboard carrier with ease. Features 2-position upper arms and adjustable lower arms to accommodate various skis and boards.

- Does not include the hitch-mount bike rack (sold separately)
- Fits Yakima 4-bike cradle/mast-style hitch racks
- Carries up to 6 pairs of skis or 4 snowboards

D. ROOFTOP FISHING ROD MOUNT

Securely carry up to 8 full-length fishing rods of just about any style on the roof rack – instead of in the vehicle. It's the easy way to transport your rods fully rigged-up and ready to fish.

- The single-button side access makes for quick loading/unloading
- Integrated locks help provide added security

E. ROOFTOP FISHING ROD BOX

Purpose-built, enclosed fishing rod box carries up to 8 fishing rods, up to 8 ft. long with room for low-profile tackle boxes or other gear.

- Side opening for easy access to rigged-up fishing rods
- Protective foam pads – designed with individual rod slots
- Drain holes help prevent water from pooling in bottom of the box

F. HITCH SWING ADAPTER*

The Hitch Swing Adapter turns most Yakima hitch carriers into easy-to-use, swing-away racks that lock up tight while on the road. Swings a fully loaded rack out of the way for easy access to the rear of the vehicle.

- Easily swings open 90 degrees and locks in place with the simple to use release lever
- Included lock helps keep the rack secure

* This aftermarket Ford Licensed Accessory is for customer installation only. Ford does not authorize this accessory for installation on a new motor vehicle prior to its first retail sale and Ford does not authorize this accessory for any commercial installation by a dealer or other commercial entity. It must be sold to the customer in a transaction separate from a new car purchase, and it may not be financed in connection with the sale of a new motor vehicle.

RACK ACCESSORIES

A wide range of rack accessories are available for your Bronco Sport. Most require the Yakima HD Crossbars as they mount to the rack using t-slots. Available accessories include:

A. EYE BOLTS - These Eye Bolts integrate seamlessly with most T-slot crossbars, to create instant tie-down points for securing gear, set of 2

B. HD HOOK STRAPS - Designed to work with Yakima Eye Bolts, these straps are quick and easy to adjust, set of 2

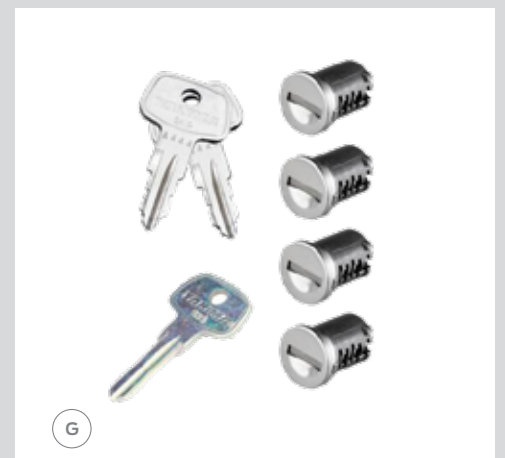

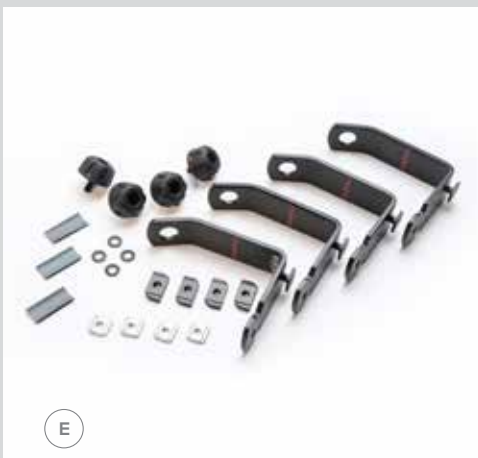

C. ROTOPAX™ MOUNTING KIT - adapts the RotopaX™ mounting system for Yakima HD Crossbars. Now you can attach up to 40 lbs. of RotopaX™ water and fuel packs (sold separately)

D. RECOVERY TRACK MOUNT - A smart, quick, secure way to keep recovery tracks (sold separately) on hand and within reach

E. LOAD STOPS - Built with the strength to keep heavy loads in place, our steel, t-slot Load Stops integrate with Yakima T-slot crossbars, set of 4

F. TOOL HOLDER - Attach it to your HD Crossbars, then secure your gear in the padded clamps, this accessory carries one axe, shovel or paddle up and out of the way

G. SKS (SAME KEY SYSTEM) LOCK CORES - These cores enable you to lock your Yakima products using just one key, set of 4

THULE RACKS AND CARRIERS

A. KAYAK CARRIERS

Two different Kayak Carriers from THULE are available to support most any need.

Flat Kayak Carrier features form-fitting saddles for lateral stability.

- Includes ratcheting straps and bow & stern tie downs
- Rear-mounted Hydro-Glide felt lined saddles provide low friction loading/unloading

Folding Kayak Carrier folds down when not in use for increased overhead clearance.

- Includes ratcheting straps and bow & stern tie downs
- Wide mouth J-profile offers easy loading/unloading

B. CARGO BOXES

Maximum capacity boxes have room for plenty of extra gear.

- Dual-side opening for easy loading/unloading from either side of the vehicle
- SecureLock™ helps ensure that all gear is locked and box is properly closed prior to driving

Four sizes available to fit your cargo carrying needs:

- X-large: 83" x 34" x 17"
- Large: 75" x 33" x 18"
- Medium: 65" x 35" x 16"
- Small: 54" x 25" x 15.5"

A. THULE TEPUI EXPLORER AYER ROOFTOP TENT

Designed to withstand the elements of any season, the Thule Tepui Explorer Ayer is the perfect tent for any year-round adventure.

- Can accommodate up to two people
- Constructed from a poly-cotton blend made to withstand the elements of any season
- Tent fabric is both UV- and mold-resistant
- Mesh panels offer plenty of ventilation and open for more airflow
- Four, large internal pockets for storing gear and camping accessories
- Includes a high-density foam mattress for added comfort

C. CARGO BASKET WITH CARGO NET

Add roof-mounted cargo capacity.

- Stylish and functional low-profile design with tapered side walls
- The included wind fairing helps smooth the airflow over your cargo
- Durable shock cord mesh netting stretches to conform to cargo

B. RACK MOUNTED SKI/SNOWBOARD CARRIER

Premium locking ski and snowboard carrier features ultra-soft rubber arms and oversized buttons for maximum protection and easy access.

- Holds up to 6 pairs of skis or 4 snowboards securely
- Easy to open/close while wearing gloves with oversized push buttons
- Includes locks to lock the skis in the carrier and the carrier to the vehicle

D. CANOE CARRIER

E. HITCH MOUNT BIKE CARRIERS*

Three styles of Hitch Mount Bike carriers from THULE are available. 2- or 4-bike carriers have features unique to their intended use.

Tilt, Classic Cradle/Mast style carriers are available for 2- or 4-bikes.

- Cradles cushion bikes and help provide maximum bike security
- Anti-Sway cages help minimize bike-to-bike and bike-to-vehicle contact

Tilt, 2-Bike platform carrier features frame-free clamping.

- Ideal for carbon fiber frames, mountain, downhill, ebikes and fat bikes as it fits 20 - 29" wheels and up to 5" wide tires without adapters (does not fit 27.5" fat bike)

Tilt, 2-Bike Lightweight carrier provides outstanding bike protection and easy-on, easy-off convenience.

- Integrated lock knob and locking cable secure bikes to the carrier and carrier to the vehicle
- Arms fold down when not in use

F. RACK MOUNTED BIKE CARRIER

Rock-solid upright bike carrier.

- Easy to use frame clamp design, self-adjusting jaws automatically adjust to the downtube
- Fits bike frames up to 3-3/8" in diameter and tires up to 2-1/2" wide
- Each carrier holds one bike

G. HD CROSSBARS BY THULE

Designed specifically for THULE roof rack carriers. Aero design helps minimize wind noise.

- Extra-long crossbars allow mounting of multiple THULE carriers, check your vehicle's Owner's Guide for roof-rack carrying capacity

H. HITCH-MOUNTED BIKE CARRIER ADAPTER*

This simple bike frame adapter makes it easy to haul BMX, women's and non-standard frames on hanging-style hitch-mounted bike racks.

- Telescopic adjustment fits most bike frames
- Push button clamps for quick installation and removal

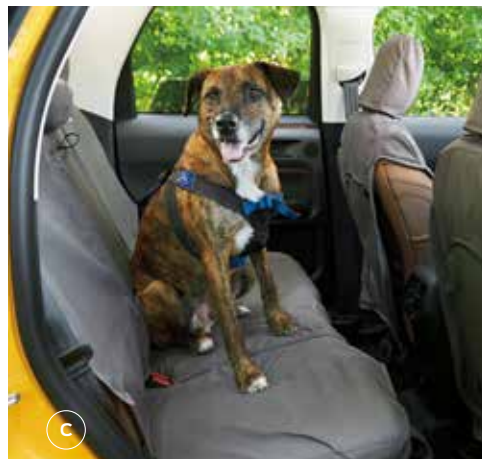

* This aftermarket Ford Licensed Accessory is for customer installation only. Ford does not authorize this accessory for installation on a new motor vehicle prior to its first retail sale and Ford does not authorize this accessory for any commercial installation by a dealer or other commercial entity. It must be sold to the customer in a transaction separate from a new car purchase, and it may not be financed in connection with the sale of a new motor vehicle.

Cargo and load capacity limited by weight and weight distribution. Aftermarket accessories shown.

BRONCO SPORT INTERIOR ACCESSORIES

FORD ACCESSORIES
accessories.ford.com
