DECEMBER 2014

BMW M5 SEDAN.

DREAM FASTER.

The 560hp BMW M5: born on the racetrack, refined for the road. This is a true driver's car, from its class-leading power and handling to the availability of a 6-speed manual transmission and M Carbon Ceramic Brakes. The spacious and refined interior, with every surface clad in Bavarian Merino Leather, creates a high-performance cockpit for the driver while comfortably seating four adult passengers. A capacious trunk completes this perfect balance of performance and practicality.

Shown: M5 in Frozen Blue paint with M Double Spoke Wheels – Style 601M.
