Driving Experience.®

**BMW M6.**

APRIL 2015

# BMW M6 COUPÉ.

## SAVAGE BEAUTY.

Maximum performance and true power. 560 hp and 0-100 km/h in 4.2 seconds reveal just a fraction of what constitutes the fascination that is the BMW M6 Coupé. Extensive wind-tunnel testing has honed its sleek silhouette into a highly functional aerodynamic design. Exclusive M features, from the carbon-fibre roof that lowers its weight, to the optional M Carbon Ceramic Brakes and carbon-fibre rear diffuser, enhance its race-bred performance.

**Shown:** M6 Coupé in BMW Individual Frozen Red Metallic paint.

# BMW M6 CABRIOLET.

## THERE'S SOMETHING NEW UNDER THE SUN.

The new M6 Cabriolet is horsepower of a different colour, the 560 hp M TwinPower Turbo 8-cylinder gasoline engine stirs into action. Dynamic Damper Control ensures total driving confidence while the Wind Deflector keeps top-down driving civilized. On gloomy nights, Active LED Headlights, LED Fog Lights, and High-Beam Assistant make seeing your way through tight corners a breeze.

**Shown:** M6 Cabriolet in BMW Individual Frozen Blue Metallic paint.

# BMW M6 GRAN COUPÉ.

**DRIVING EXPECTATIONS  
NOT JUST FULFILLED. OVERFILLED.**

The BMW M6 Gran Coupé is much more than a perfectly attuned mix of high-performance technologies, it is the embodiment of the experience and craftsmanship of BMW M engineers. Its award-winning formula grows even more compelling with now-standard heated rear seats, Automatic 4-Zone Climate Control and Active LED Headlights. Add the full complement of premium features and driving aids in the Ultimate Package, and experience the ultimate in luxury driving.

**Shown:** M6 Gran Coupé in BMW Individual Pure Metal Silver (Non-metallic) paint with M Double Spoke light alloy wheels – Style 433M.

# BMW M6 COUPÉ / CABRIOLET / GRAN COUPÉ.
