DECEMBER 2014

BMW M4 COUPÉ.

ONE WITH THE MACHINE.

Equipped with optional M DCT transmission, the BMW M4 Coupé has a 0–100 km/h time of 4.1 seconds, befitting its track-bred lineage. The interior features newly developed M Sport seats that hold you securely in place during performance driving manoeuvres. Lightweight carbon fibre, which forms the roof, is echoed in optional cabin trim, adding to the sportiness of the spacious, comfortable interior.

Shown: M4 Coupé in Austin Yellow Metallic paint.

BMW M4 CABRIOLET. BREATHTAKING.

The M4 Cabriolet can take corners like a racecar no matter what the weather, thanks to its Active M Differential and optional Adaptive M Suspension. It takes just 20 seconds to open the fully retractable hardtop – even at speeds of up to 18 km/h. The Air Collar keeps the driver and front passenger warm, while the rear wind deflector protects them from the effects of accelerating from 0–100 km/h in just 4.6 seconds.

Shown: M4 Cabriolet in Mineral Grey Metallic paint and Sakhir Orange Full Merino Leather upholstery.
