

2011 LEXUS

•

# power to the power of three.

There is only one thing more impressive than the performance of an IS: the number of models there are to choose from.

The original track-inspired IS 250 and IS 350 sport sedans—both available with all-wheel drive. The uninhibited IS 250 and IS 350 Convertibles with their swiftly vanishing hardtops. And, of course, the epitome of high-performance driving, the IS F. The IS Series has arrived. Your moment awaits.

# THE 2011 IS SERIES

IS 250/IS 350 Performance Sedan
2.5-litre (IS 250) or 3.5-litre (IS 350) 60° V6
Four cam, four valves per cylinder, with Dual Variable
Valve Timing with intelligence (Dual VVT-i). Standard
rear-wheel drive. Available all-wheel drive (AWD).

IS 250 C/IS 350 C Convertible-Coupe 2.5-litre (IS 250 C) or 3.5-litre (IS 350 C) 60° V6 Four cam, four valves per cylinder, with Dual Variable Valve Timing with intelligence (Dual VVT-i). Standard rear-wheel drive. 20-second retractable hardtop.

ISF High Performance Sedan
5.0-litre 90° V8
Four cam, four valves per cylinder, with Dual Variable
Valve Timing with intelligence (Dual VVT-i) and Electronic
Intake Valve Timing (VVT-iE). Eight-speed Sport
Direct-Shift automatic transmission with paddle shifters

The IS design was inspired by the track, and once you slip into the driver's seat, the evidence is clear, starting with the steering wheel.

Not only is it small in diameter—for faster, more precise cornering—it's available with integrated paddle shifters, so you can quickly upshift and downshift with just a flick of your fingers. And to help you experience the full potential of the IS engine, an adjustable-RPM shift light automatically glows amber at the exact moment you should change gears.

Consider yourself more of a traditionalist? The rear-wheel drive IS 250 sedan comes standard with a six-speed manual transmission. Its close gear ratios and short throws help you get the most out of its responsive V6 engine. Other race track inspired elements include available aluminum sport pedals, dual chrome exhaust tips and Optitron electroluminescent gauges that come to life the moment you press the start button—each needle illuminating from the base to the tip, then sweeping around their respective dials.

# for the extreme driving enthusiast.

HIGH-PERFORMANCE BRAKES A high-performance car requires unparalleled braking power—furnished by Brembo,® of course.

SIGNATURE INTERIOR Subtle "F" cues can be found throughout the vehicle, on the exterior as well as the interior.

2011\_IS\_English\_V3.indd 16-17 01/09/10 2:34

When you visit one of our dealerships, make yourself at home by helping yourself to a beverage and internet access.† When picking up your new Lexus, our associates will make the transition seamless. We can help you with everything from setting your favourite radio stations to connecting and transferring your compatible cell phone's contacts to the available *Bluetooth*® system on your vehicle. Rest assured your car will experience the finest treatment as well, with a complimentary car wash with every service.

## **CLUB LEXUS**

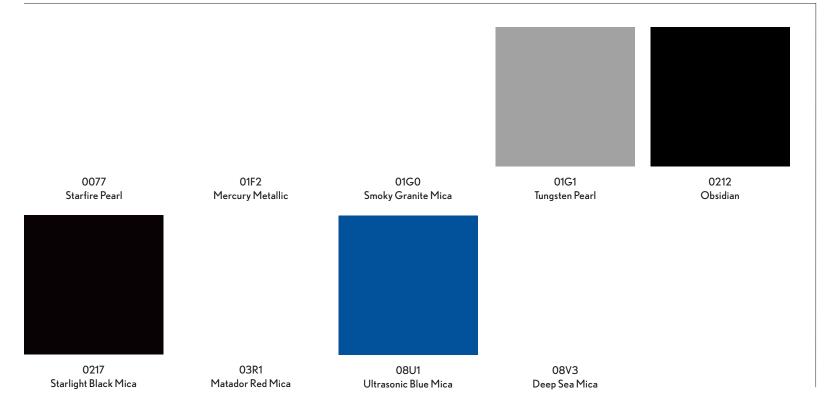

A complimentary Club Lexus membership is offered to all new, pre-owned or leased Lexus owners. Club Lexus provides an exceptional compilation of services, offers, special events, and pertinent information that's of interest to Lexus drivers. You can also view your service history, the status of your factory warranty or Extra Care Protection (ECP) coverage, and the current status of your Lexus Financial Services (LFS) loan or lease. Sign up today and start taking advantage of all of the features at www.clublexus.ca.

## LEXUS LIFESTYLE COLLECTION

Enhance your ownership experience even further with the "The Lexus Lifestyle Collection" Catalogue. Every year, Lexus assembles a wide range of brand name products that exemplify the finest design and craftsmanship in the world, which include designer luggage, Lexus apparel, stunning watches, Royal Doulton Glassware and much more. An exceptional item can be found for every driver.

To learn more about the various exclusive services that Lexus offers, please visit www.lexus.ca.

# **EXTERIOR COLOURS**

## SERVICE COMMITMENT

On top of enjoying the highest quality product, Lexus also delivers through a professional Dealer network, a unique and uncompromising level of after-sales service: First Class Service Concept. The highest level of professionalism and vehicle support ensure that the Lexus ownership experience is as luxurious as the vehicles.

#### MAINTENANCE

We offer the first two scheduled maintenance services at no charge to you. The first service at 1,600 km will include a thorough vehicle inspection and a road test. The second inspection at 8,000 km will include a change of engine oil and oil filter.

#### **EXTRA CARE PROTECTION**

Extend beyond the new vehicle warranty and enhance your peace of mind with Lexus Extra Care Protection.

# WARRANTY

Our Lexus Warranty Comprehensive Coverage includes:

- 48 months/80,000 km (includes tires).
- Powertrain: 72 months/110,000 km.
- Corrosion Perforation: 72 months/unlimited kilometres.
- Major Emission Control Components: 96 months/130,000 km.

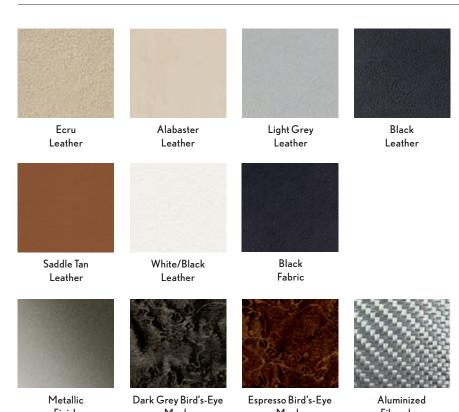

Please see your Lexus Dealer for details.

Lexus will even provide five days of alternate transportation if your vehicle is required to stay at the dealership for an extended period of time due to a warrantable condition.

#### **ROADSIDE ASSISTANCE**

As a proud owner of a Lexus vehicle, you won't have to worry about obtaining assistance when mishaps requiring Emergency Roadside Service or Mechanical Breakdown Towing are needed. Throughout Canada and the continental U.S., our Central Emergency Roadside Services Operator will always be there to ensure you receive prompt, efficient services from one of the many facilities qualified under our approved Roadside Assistance Program. Twenty-four hours a day, 365 days a year, we will be there to help.

## THE BEST WAY TO FINANCE YOUR NEW IS - EASILY, QUICKLY, AFFORDABLY.

Lexus Financial Services does nothing but finance or lease Lexus vehicles; thus, we know financing and we know Lexus. Our interest rates are fully competitive and our terms flexible (up to 72 months). Since we offer Web services, you can: A: check out our rate; B: save time by getting credit approved on-line - before checking out the vehicle(s) of your interest. Finally, one-stop Financial Services shopping (at all Lexus Dealerships) saves you time. We invite you to visit us at lexus.ca or call us at 1-800-26-LEXUS.

LEXUS CANADA. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur, which would not be reflected in this brochure. Lexus Canada reserves the right to make these changes without notice or obligation. Your Lexus Dealer is the best source for up-to-date

C Lexus invites you to join us in Club Lexus, a very exceptional compilation of services, offers, special events and pertinent information available only to Lexus owners. To register for Club Lexus, please visit lexus.ca or call 1-800-26-LEXUS.

Lexus is always looking for new ways to be respectful of the environment. As part of this effort, this paper contains post-consumer recycled material and has earned the Mixed Sources label as designated by the Forest Stewardship Council.

22

1. The Navigation System is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available for every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details. Navigational systems in some vehicles are available with bilingual capability. XM NavTraffic® requires a monthly service fee and is designed to provide real-time traffic or alternative routes of travel. NavTraffic will only be available in Montreal, Vancouver and Toronto. Both Montreal and Vancouver will only have incident data and Toronto will have both incident and flow data. 2. The backup camera, available only with the Navigation System, does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. 3. Mark Levinson is a registered trademark of Madrigal Audio Labs, Inc. a division of Harman International. 4. Functioning Satellite Radio requires a compatible receiver and monthly service fee. Please see your Lexus dealer for further details. Reception of satellite signal may vary depending on location. 5. iPod is a registered trademark of Apple Inc. 6. Lexus tests certain Bluetooth® capable phones for compatibility with Lexus vehicles. Please see your Lexus Dealer for details. Note that the recommendation of Lexus is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the phone software version or the service coverage available in your area. Some vehicles equipped with Bluetooth® technology are available with bilingual capability. 7. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. 8. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. 9. Continuous average power, all channels driven, at less than 0.1% THD; 20-20,000 Hz. 10. FUEL CONSUMPTION RATING. These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of the vehicle may vary. Refer to the Government of Canada publication EnerGuide Fuel Consumption Guide. 11. Vehicle Stability Control (VSC) and if applicable Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC and VDIM will be effective in preventing a loss of control. Please see your Owner's Manual for further details. 12. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 13. The Lexus Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your Owner's Manual for details. 14. All the airbag ("AB") systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts. Do not use a rearward-facing child seat in any front passenger seat. Please see your Owner's Manual for further information/warnings. 15. The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 16. HomeLink is a registered trademark of Johnson Controls. 17. Class based on Luxury Coupe, Hardtop Convertible segmentation, retractable hardtop competitors.

Vehicles in this brochure shown with optional equipment. Some features mentioned and/or shown in this brochure may only be available as part of an optional package.

Under very cold conditions, the operation of some vehicle electronic systems using liquid crystal technology (such as CD, DVD, NAV and Audio displays) may be adversely affected until a warmer interior vehicle temperature is reached.

<del>(</del>

Lexus reminds you to place small children in CSA-approved car seats – in the rear seats, to always wear your seatbelts, and to drive safely.
