Maximum Road Hazard Protection

Road Hazard Protection Keeps You Rolling

Nails, metal, wood, glass, potholes and other road debris all cause blowouts, flat tires and damage to your wheels and rims. There is no way to prevent them, but when you are covered by our Maximum Road Hazard Tire & Wheel Protection Plan, we will pay the bill to have your tires and/or wheels repaired or replaced.

Tire & Wheel Coverage and Benefits Include:

- 100% of the covered repair or replacement cost when your tires or wheels are damaged by a covered road hazard
- No limit on the number of claims or the amount of coverage.
- No mileage restrictions.
- Replaced tires and wheels are covered for the remainder of the term.
- Rental car reimbursement if shipping or inspection is required.
- Emergency living expenses reimbursed if you have a disablement while traveling far from home.
- Emergency roadside assistance 24/7/365 coverage for tire changes, emergency fluid delivery, dead battery jump start, lockout service and towing.
- Fully transferable to a subsequent owner.
