

Protect Your Vehicle with Maximum Tri-Guard

Interior Protection

Maximum Tri-Guard protects interior surfaces from environmental and human hazards such as: ultraviolet damage, food and drink spills, permanent stains, rips, tears and burns.

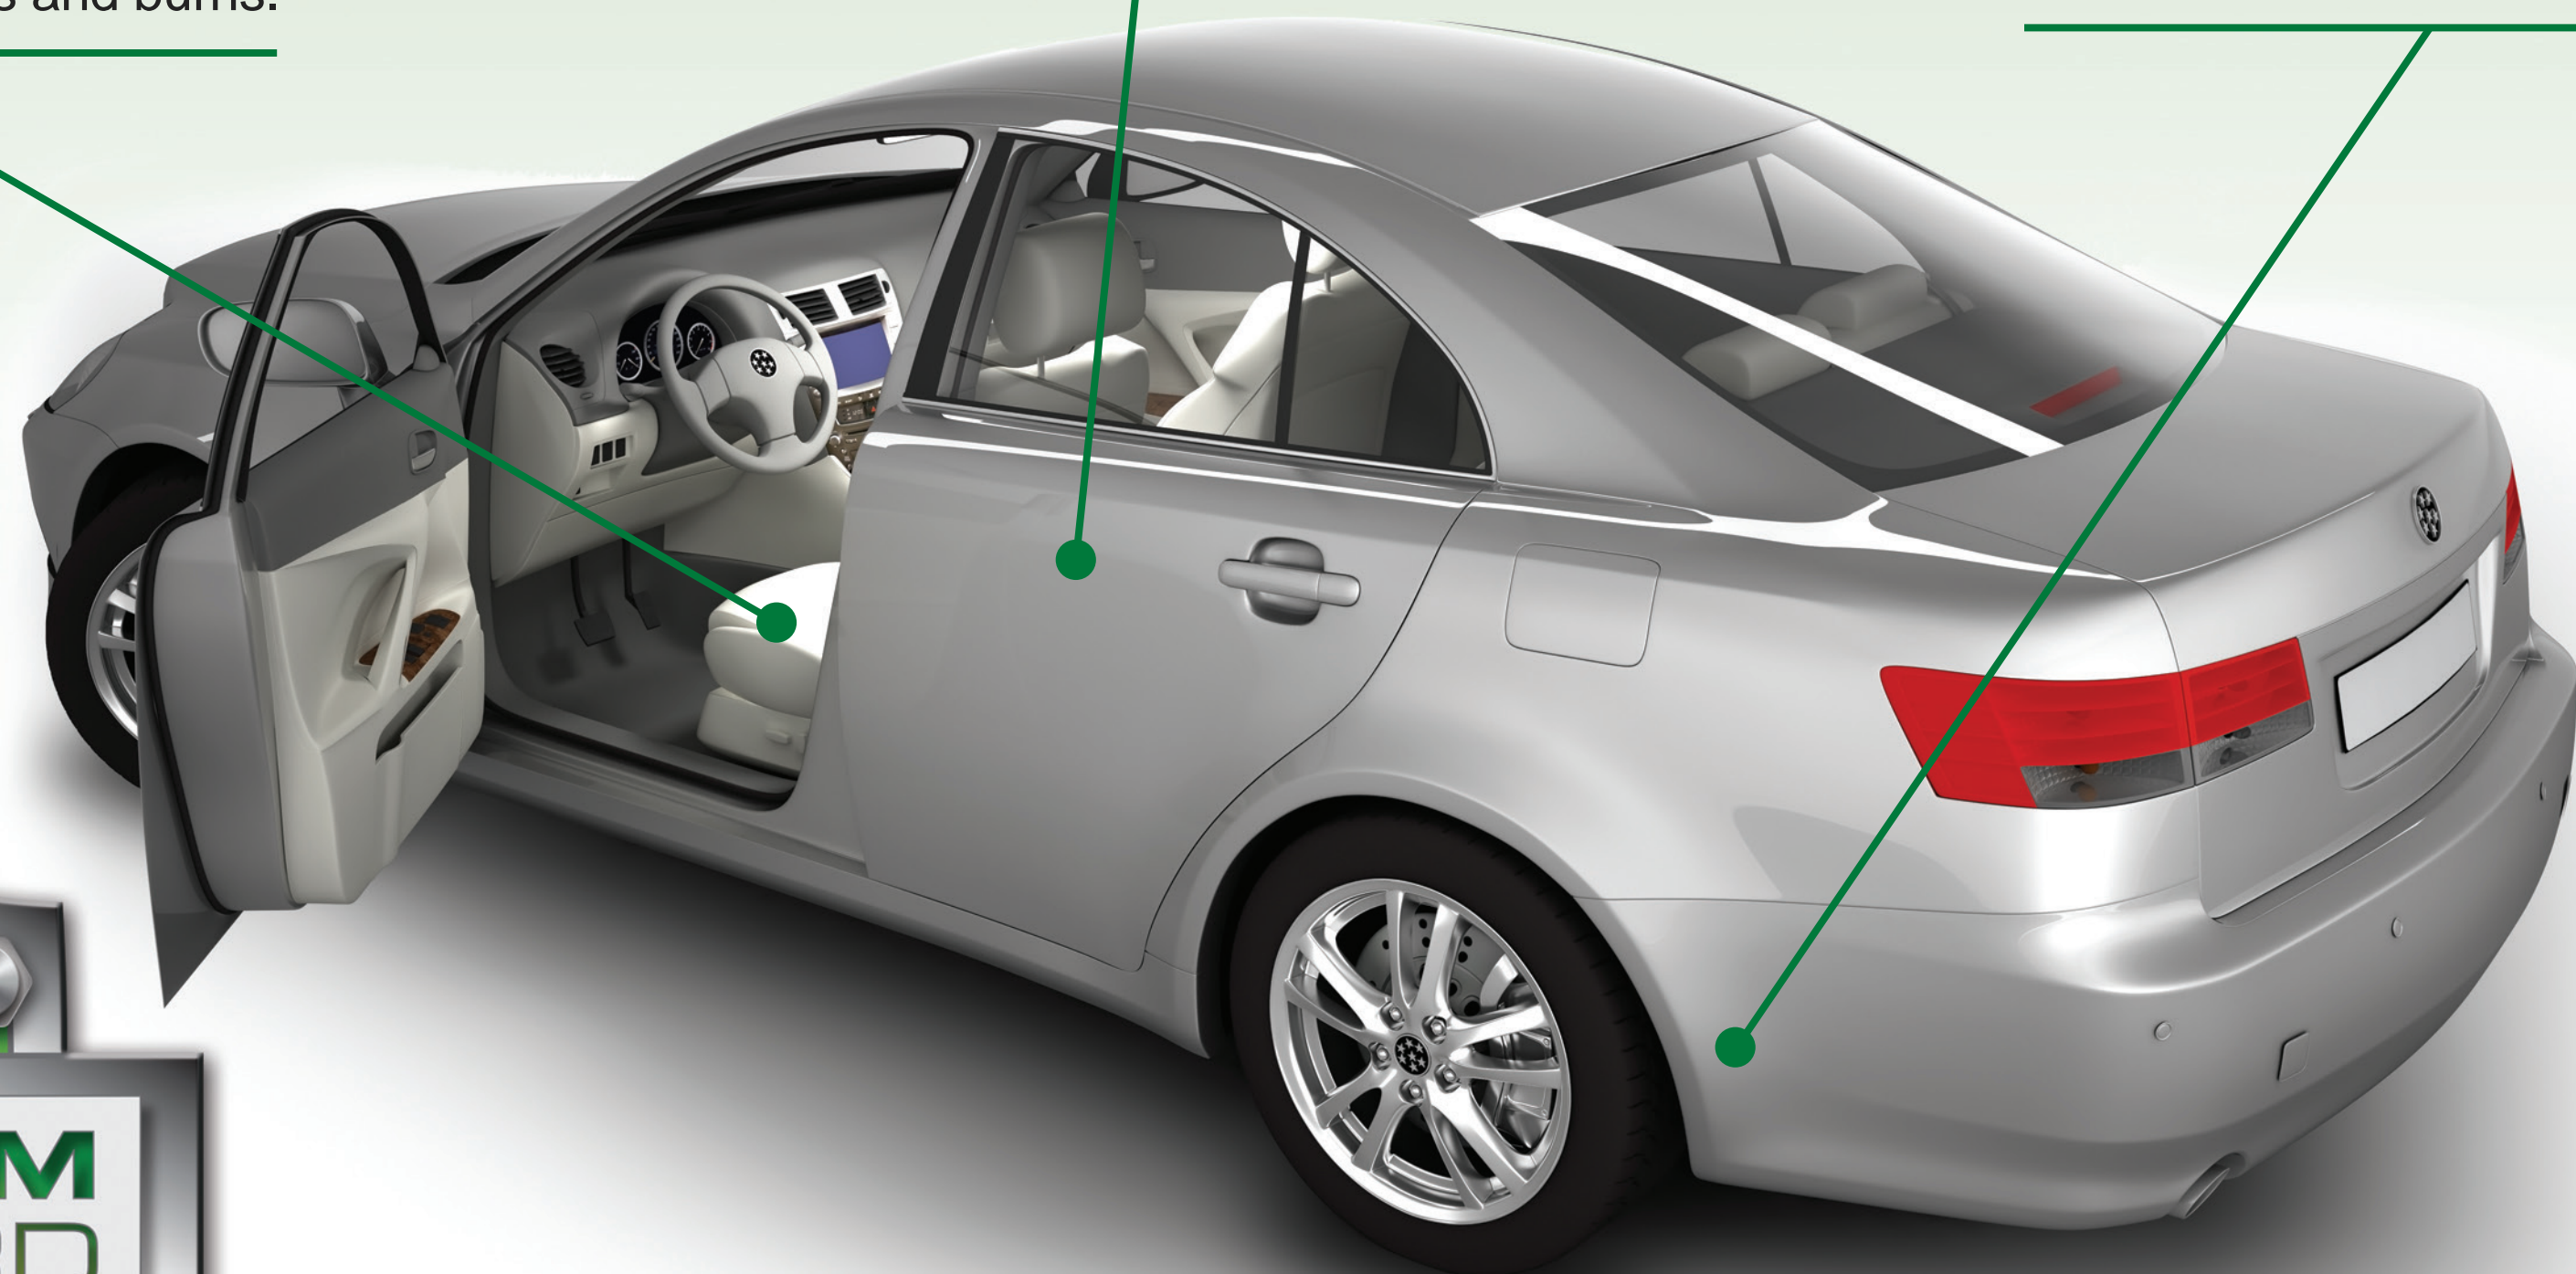

Exterior Protection

Maximum Tri-Guard protects painted surfaces from environmental hazards such as: acid rain, bird droppings, tree sap, industrial fall out, sun fading and oxidation.

Rust Protection

Maximum Tri-Guard includes our rust guarding anti-corrosion system backed by a 10 year limited warranty to protect your vehicle from surface rust* and/or rust perforation.

*Surface rust coverage is not eligible on any vehicle that is older than the current year model plus four (4) years at time of purchase.

Two Identical Vehicles

Same year, same make, same model, same equipment and same mileage, but one is worth \$2,000 less than the other. Why?

Condition.

Exterior Hazards

- Acid rain
- Industrial fall out
- Hard water etching
- Bird droppings
- Tree sap and bugs
- Sun fading and oxidation
- Rust perforation
- Surface rust*

Every day human and environmental hazards have a negative effect on the condition of your vehicle.

Kids, pets and the environment all take a toll on your vehicle's condition.

If left unprotected, these elements will greatly reduce your vehicle's value.

Protect your investment.

Interior Hazards

- Coffee/soda spills
- Ultraviolet rays
- Permanent stains
- Cracked/faded seats
- Family pets
- Extreme heat
- Food and condiments
- Rips, tears and burns

*Surface rust coverage is not eligible on any vehicle that is older than the current year model plus four (4) years or any vehicle with over forty thousand (40,000) miles on the odometer at time of purchase.
