

Lease Vehicle Excess Wear & Tear Plan

Leasing a new car should be a carefree and enjoyable alternative to the responsibilities of auto ownership.

But many of the risks of driving a car – the small dents and dings that happen in parking lots, chipped paint, even worn tires – are your responsibility at lease-end. You either repair them, or you pay the leasing company to perform the repairs. You may lose part of your security deposit, all of it, or maybe even more... Why worry about the kinds of things that happen to almost any car?

With Lease Vehicle Excess Wear & Tear, you may not have to worry about unexpected wear and tear charges at the end of your lease. There may be coverage up to \$5,000 of the cost of repairing all the dents, dings, scratches, and wear & tear on your vehicle at lease-end including:

- Tires
- Paint
- Exterior dents & dings
- Windshield & glass
- Headlamps, tail lamps, light bulbs
- Bumpers and the surrounding trim
- Wheels and wheel covers
- Factory Audio Equipment
- Upholstery and interior
- Carpets
- Mufflers & tail pipes
- Mirrors
- Door handles

MINI MAINTENANCE PROGRAM UPGRADE

When you invest in a MINI, you can drive confidently knowing your vehicle includes the MINI Boot to Bonnet Maintenance Program, covering all factory-recommended maintenance and specific items requiring replacement due to normal wear and tear at no charge, for the first 3 years/36,000 miles, whichever comes first.

But your confidence doesn't need to end there. You may have the option to purchase an upgrade for an additional 3 years/64,000 miles, extending your maintenance coverage up to a total of 6 years/100,000 miles, for applicable models-its coverage and values are unmatched.

The Maintenance Program Upgrade option also extends the standard 4 years/unlimited mileage MINI Roadside* Assistance Program benefit period by an additional 2 years/unlimited mileage for a total of 6 years/unlimited mileage.

All covered maintenance program services are performed at an authorized MINI dealership, by a MINI trained technician, using only Original MINI Parts.

The factory-recommended maintenance service items listed below are covered when required at specified service intervals, on eligible MINI vehicles during the applicable MINI Maintenance Program period:

- Engine oil change and filter replacement
- Vehicle inspections or check (per the applicable service maintenance checklist)
- Cabin dust microfilters - fresh air and recirculating
- Air filter replacement
- Brake pads (front/rear)
- Brake discs (front/rear - only in conjunction with a covered brake pad replacement)
- Brake fluid replacement
- Engine drive belts
- Windshield wiper inserts (front and rear)

A factory-recommended maintenance service item interval is determined either by the model-specific MINI Maintenance System (Service Interval Display or Condition Based Service), and/or upon examination and assessment for wear and tear of covered components during a vehicle inspection. See dealer for a complete list of scheduled maintenance items for your MINI model, items may vary per model year and engine choices.

***Limitations of Coverage:** This information is intended to provide only an outline of the terms and conditions of select programs available. Prior to purchasing please ask to see individual programs for terms and conditions.

Xzilon® Appearance Protection Package

Protect the interior and exterior surfaces of your vehicle from damage caused by the environment and everyday wear.

Xzilon® products help:

- Reduce sun fading by filtering harmful UV rays
- Maintain the paint's original luster
- Reduce water spots and protect from acid rain
- Protect the paint from bird droppings
- Protect the vehicle's finish from tree sap

The interior of your vehicle will be treated to keep the leather soft and supple and protect against fading. The carpet will be treated to protect against spills and damage caused by the elements.

Total Loss Protection Plan*

It's called "the gap." It's the difference between the actual value of your car and the amount on your auto loan or lease at the time of a total loss. In the first two or three years of ownership, your car may actually be worth less than your loan payoff.

If your car were a total loss, this "gap" could translate into thousands of dollars that you would still owe after your insurance paid you the actual cash value of your vehicle

In the event of a total loss, any remaining balance due on your loan or lease after the payment from your insurance company is waived by the dealer/lender.** In other words, should a balance be left over after your insurance pays the market or cash value, all you will have to pay is your insurance deductible.

*This is not an insurance product.

** Does not include any late fees or past due amounts

Extended Vehicle Protection Plans

Our Extended Service Contract offers additional protection.

5 Coverage Levels*

- Powertrain Coverage
- Silver Coverage
- Gold Coverage
- Gold Plus Coverage

- Platinum Coverage

With an Extended Limited Warranty, there is no complicated paperwork to process, and no hassles.

As an Extended Limited Warranty customer, you will enjoy the uncommon level of service and care that can only be found at Knauz MINI. MINI trained service professionals can help to ensure your vehicle is cared for with the superior attention to detail it deserves.

Your vehicle, and you, will benefit from:

- The best possible service using specially-designed MINI diagnostic processes and tools
- Genuine MINI parts for any needed replacement or augmentation

- Rental Car Coverage Nationwide
- Towing Coverage
- Improved Resale Value

- Up to 7 years of coverage

*Coverage level availability may be limited based on the age and mileage of your vehicle.

Dents and Dings Happen

What if you could have unexpected dents, dings, rips, and tears quickly and conveniently repaired at Knauz MINI as part of your routine visit?

Our Paintless Dent Repair Service Plan allows you to avoid the time and expense of a body shop appointment and maintain the appearance of your vehicle with ease at Knauz MINI. This Service Plan comes built in with the following benefits:

- High-quality ding and dent repair with unlimited repairs to the hood, trunk, doors, fenders, roof, and quarter panels for the length of your service contract.
- All repairs are performed at Knauz MINI by our dedicated craftsmen, using the latest technology.

*Paintless dent repair has limitations on size and location. See plan exclusions for details.

MINI Tire 'N Wheel Protection

The MINI Tire 'N Wheel Protection program provides coverage in the event of damage to your tires or wheels as a result of metal, nails, glass, debris, potholes, blowouts, etc. (excluding cosmetic damage). You can choose a plan that covers your vehicle for up to 5 years.*

Important features:

- Replacement of flat tire due to road hazard.
- Replacement of damaged wheel due to road hazard.
- Coverage of all costs associated with the replacement of tires and/or wheels plus labor charges including mounting, balancing, valve stems, tire disposal and taxes.
- No deductible.
- All vehicle tires are covered as long as they have more than 2/32" of tread at the time of damage.
- Tires and wheels will be replaced using original equipment manufacturer (OEM) rims and OEM approved tires and parts.

Customer benefits:

- Motoring peace of mind. You no longer have to worry about unnecessary financial hardship in the event of damage due to a road hazard. We have you covered.
- There are no maximum number of occurrences, no claim limits and no claim aggregate.
- Benefits are not restricted by vehicle mileage.
- Program benefits continue even if you replace your tires.
- Up to \$100 of towing expenses are covered.
- Transferable — adds resale value.

If your tire or wheel is damaged:

- Services may be completed at any MINI dealer in the United States or Canada.
- Replaced parts will be covered for the remainder of the contract term.
- There are no additional costs to you for labor, mounting, balancing, valve stems or taxes.
- There is no deductible to satisfy.

*Must be purchased at time of vehicle delivery
