Exterior.

Your Mercedes-Benz Sprinter needs to be adapted to your specific needs. Genuine Accessories are designed to provide the extra functionality you need in a mobile work place. Discover practical accessories for transporting a diverse range of goods – whether long, bulky or heavy. We're here to ensure you're equipped for every task.

- 01 | C-rails and basic carrier bars.
- 02 | Ladder rack.
- 03 | Mud flaps.
- 04 | Full wheel trim.

Flexibility on the road. Carrier systems.

01

■ 01 Basic carrier bars

Robust basic carrier bars, which can be mounted in any position on the C-rails. The strong steel bars, 1.2 x 1.2 in. (30 x 30 mm) ensure a level loading surface. The maximum roof load must be observed.

02

■ 02 C-rails

The starting point for roof transport: the C-rails provide the basic carrier bars and cargo racks. They allow roof loads of 330 lbs. (with a high roof (H2)) and up to 660 lbs. (200 kg) on models with

03

■ 03 Loading roller

The hard rubber loading roller allows you to slide unwieldy items onto the basic carrier bars or cargo rack with ease – and without causing any scratches.

B6 656 0816

04

■ 04 High-standing bracket set

Prevents items such as rods, pipes or boards from shifting sideways. Simple and quick to fit to basic carrier bars. For all Standard basic carrier bars with a diameter of 0.8 x 1.2 in. (20 x 30 mm) or 1.2 x 1.2 in (30 x 30 mm).

A906 840 0118

05

■ 05 Ladder rack

Attachment, designed to provide a secure way to transport the basic carrier bars. Simple and quick to fit. Suitable basic carrier bars with a diameter of 0.8 x 1.2 in. (20 x 1.2 x 1.2 in (30 x 30 mm).

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuation. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Some vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo. Certain accessories may require professional installation and/or additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories.
