

2017 VOLVO FLEET

Designed Around You.

S60

V60

DRIVETRAIN

- T5 2.0L 4 cyl Turbocharged 240 HP, 258 lb-ft FWD
- 8-speed transmission with Start-Stop Technology
- 36 mpg hwy/25 mpg city/29 mpg combined

SAFETY LEADERSHIP

- IIHS Top Safety Pick+
- IIHS Crash Prevention Rating Superior
- City Safety with Full Auto-brake
- NHTSA 5-Star Crash Rating
- Dynamic Stability & Traction Control (DSTC) w/Sport Mode
- Advanced Stability Control
- Corner Traction Control by Torque Vectoring
- Five 3-point Inertia-Reel Seatbelts with Automatic Pre-tensioners
- Driver & Passenger Supplemental Restraint System – Three-Step Airbags
- Inflatable Side Curtain
- Side-Impact Airbags for driver and front passenger
- Side Impact Protection System
- Whiplash Protection System
- Alarm with Immobilizer, Encrypted Ignition Key

STANDARD EQUIPMENT

- Leather Seating Surfaces
- Power Driver Seat with Memory
- Power Glass Moonroof
- Bluetooth Technology with Streaming Audio
- WiFi Hotspot
- Volvo On Call Telematics
- 60/40 Split Folding Rear Seat
- 18" Alloy Wheels (17" available)
- Dual Zone Electronic Climate Control
- Cruise Control
- Trip Computer
- Power Windows with Auto Up & Down
- LED Daytime Running Lights
- Puddle Lights
- Home Safe & Approach Lighting
- Rear Fog Light with Auto Off
- High Performance Multimedia Audio System with AM/FM HD Radio, In-Dash CD Player, USB/Aux Input/iPod
- Sirius Satellite Radio with complimentary 6-month subscription

POPULAR PACKAGES

- Technology Package
- Heated Front Seats
- Vision Package with BLIS (Blind Spot Information System)
- Integrated Navigation with Voice Command
- AWD available

OTHER DRIVETRAINS AVAILABLE

- T5 2.0L 4 cyl Turbocharged 240 HP 258 lb-ft AWD/8-Speed Automatic Transmission
- T6 2.0L 4 cyl Supercharged Turbocharged 302 HP 295 lb-ft FWD/8-Speed Automatic Transmission with Start-Stop Technology
- T6 2.0L 6 cyl Turbocharged 302 HP 295 lb-ft AWD/8-Speed Automatic Transmission (R-Design)

DRIVETRAIN

- T5 2.0L 4 cyl Turbocharged 240 HP, 258 lb-ft FWD
- 8-speed transmission with Start-Stop Technology
- 36 mpg hwy/25 mpg city/29 mpg combined

SAFETY LEADERSHIP

- IIHS Top Safety Pick+
- IIHS Crash Prevention Rating Superior
- City Safety with Full Auto-brake
- Dynamic Stability & Traction Control (DSTC) with Sport Mode
- Advanced Stability Control
- Corner Traction Control by Torque Vectoring
- Roll Stability Control System
- Five 3-point Inertia-Reel Seatbelts with Automatic Pre-tensioners
- Driver & Passenger Supplemental Restraint System – Three-Step Airbags
- Inflatable Side Curtain
- Side-Impact Airbags for driver and front passenger
- Side Impact Protection System
- Whiplash Protection System
- Alarm with Immobilizer, Encrypted Ignition Key

STANDARD EQUIPMENT

- Power Driver Seat with Memory
- Power Passenger Seat
- Power Glass Moonroof
- Bluetooth Technology with Streaming Audio
- WiFi Hotspot
- Volvo On Call Telematics
- 40/20/40 Split Folding Rear Seats
- 17" Alloy Wheels
- Dual Zone Electronic Climate Control
- Cruise Control
- Trip Computer
- Power Windows with Auto Up & Down
- LED Daytime Running Lights
- Puddle Lights
- Home Safe & Approach Lighting
- Rear Fog Light with Auto Off
- High Performance Multimedia Audio System with AM/FM HD Radio, In-Dash CD Player, USB/Aux Input/iPod
- Sirius Satellite Radio with complimentary 6-month subscription

POPULAR PACKAGES

- Premier Trim Level with Integrated Navigation
- Technology Package
- Heated Front Seats
- AWD available

OTHER DRIVETRAINS AVAILABLE

- T5 2.5L 4 cyl Turbocharged 240 HP 258 lb-ft AWD/8-Speed Automatic Transmission
- T6 2.0L 4 cyl Supercharged Turbocharged 302 HP 295 lb-ft AWD/8-Speed Automatic Transmission

“Cars are driven by people. The guiding principle behind everything we make at Volvo, therefore, is – and must remain – safety.”

– Gustaf Larsson and Assar Gabrielsson, Volvo founders, in 1927

XC60

XC90

DRIVETRAIN

- T5 2.0L 4 cyl Turbocharged 240 HP, 258 lb-ft FWD
- 8-speed transmission with Start-Stop Technology
- 30 mpg hwy/23 mpg city/26 mpg combined

SAFETY LEADERSHIP

- IIHS Top Safety Pick+
- IIHS Crash Prevention Rating Superior
- City Safety with Full Auto-brake
- NHTSA 5-Star Crash Rating
- Dynamic Stability & Traction Control (DSTC) with Sport Mode
- Advanced Stability Control
- Corner Traction Control by Torque Vectoring

- AWD available

OTHER DRIVETRAINS AVAILABLE

- T5 2.0L 4 cyl Turbocharged 240 HP 258 lb-ft AWD/8-Speed Automatic Transmission
- T6 2.0L 4 cyl Supercharged Turbocharged 302 HP 295 lb-ft AWD/8-Speed Automatic Transmission

DRIVETRAIN

- T6 2.0L 4 cyl Supercharged Turbocharged 316 HP, 295 lb-ft FWD
- 8-speed automatic transmission with Start-Stop Technology
- 25 mpg hwy/20 mpg city/22 mpg combined

SAFETY LEADERSHIP

- IIHS Top Safety Pick+
- Dynamic Stability & Traction Control (DSTC) with Sport Mode
- Advanced Stability Control
- Roll Stability Control System
- Seven 3-point Inertia-Reel Seatbelts with Automatic Pre-tensioners
- Driver & Passenger Supplemental Restraint System – Three-Step Airbags
- Inflatable Side Curtain including Third Row
- Side-Impact Airbags for driver and front passenger
- Side Impact Protection System
- Whiplash Protection System
- Alarm with Immobilizer, Encrypted Ignition Key

STANDARD EQUIPMENT

- Integrated Navigation with Voice Command
- Rear Park Assist Camera
- Leather Seating Surfaces
- Power Driver Seat with Memory
- Power Passenger Seat
- Power Glass Moonroof
- Bluetooth Technology with Streaming Audio
- WiFi Hotspot
- Volvo On Call Telematics
- Third Row Seats with Leather Seating Surfaces
- Integrated Child Booster Cushion – Second Row
- 40/20/40 Split Folding Rear Seats
- 19" Alloy Wheels
- Dual Zone Electronic Climate Control
- Air Conditioning for Third Row/Separate Control
- Cruise Control
- Trip Computer
- Auto Dimming Rearview Mirror
- Power Windows with Auto Up & Down
- LED Daytime Running Lights
- Puddle Lights
- Home Safe & Approach Lighting
- Rear Fog Light with Auto Off
- High Performance Multimedia Audio System with AM/FM HD Radio, USB/Aux Input/iPod
- Sirius Satellite Radio with complimentary 6-month subscription

POPULAR PACKAGES

- Momentum Plus
- Climate Package
- Convenience Package
- Vision Package with BLIS (Blind Spot Information System)

OTHER DRIVETRAINS AVAILABLE

- 5-passenger T5 2.0L 4 cyl Turbocharged 250 HP 258 lb-ft FWD/AWD/8-Speed Automatic Transmission
- 7-passenger T8 2.0L 4 cyl Supercharged Turbocharged 400 Total HP 472 lb-ft AWD/8-Speed Automatic Transmission

No charge for metallic paint on all Fleet orders (excluding XC60 Fleet Edition).

INTELLISAFE

VISION 2020: "BY 2020, NOBODY SHALL BE SERIOUSLY INJURED OR KILLED IN A NEW VOLVO."

Our world-leading safety experts are working hard and won't stop until our vision becomes a reality.

FOCUSED ON REAL-WORLD SAFETY

Volvo operates the world's most advanced full-scale crash test laboratory.

- Built in 2000
- Performs 450 collision tests each year
- Volvo's accident investigation team has investigated more than 40,000 crashes since 1970

2016
IIHS
TOP
SAFETY
PICK+

The Volvo S60, V60, XC60 and XC90 have earned 2016 Top Safety Pick+ accolades by the U.S. Insurance Institute for Highway Safety (IIHS).

Top Safety Pick+ results include good performance in the small overlap front test, which replicates what happens when the front corner of a vehicle strikes another vehicle or object, such as a tree or a utility pole – a very severe crash situation. In the test, 25 percent of the front end on the driver's side strikes a 5-foot-high rigid barrier at 40 mph.

More than 90 percent of all accidents are due to the human factor; therefore, Volvo engineers focus on three ways to protect your most important assets.

SUPPORT

- Adaptive Cruise Control with Queue Assist
- AWD with Instant Traction
- DSTC with Corner Traction Control
- Park Assist Pilot
- Cross Traffic Alert
- Active High Beam
- Cornering Light
- Tunnel Detection
- Road Sign Information

PREVENT

- City Safety
- Collision Warning with Full Auto-brake and Pedestrian Detection
- Radar BLIS with Lane Change Merge Aid and Cross Traffic Alert
- Lane Keeping Aid/Lane Departure Warning
- Cyclist Detection with Full Auto-brake

PROTECT

- Whiplash Protection System (WHIPS)
- Side Impact Protection System
- High-strength Steel Safety Cage
- Seatbelt Pre-tensioners
- Adaptive Airbags

"We welcome that the major rating institutes are now beginning to integrate collision avoiding technologies into their test programs. This gives consumers a better insight into the advantages of auto-brake systems. It will also drive the implementation of these technologies through the vehicle fleet."

– Thomas Broberg, Senior Safety Advisor Volvo Cars

MAKING LIFE LESS COMPLICATED

CITY SAFETY WITH FULL AUTO-BRAKE

U.S. studies indicate that 50 percent of drivers involved in collisions have not tried to avoid the collision! And since 75 percent of all collisions occur at speeds of 10 mph or less and 50 percent of these occur in city traffic situations, City Safety could prevent up to 50 percent of all rear-end collisions.

City Safety is active at all speeds over 2.5 mph. Up to a relative speed difference of 31 mph, accidents with other cars can be avoided; at higher speed differences, collisions are mitigated.

Studies and Volvo are showing as high as 41 percent reduction in rear end collisions

OFFER

- Early model 2017 in Q2 2016
- S60 under \$30,000 (after Incentive)

SUPPORT

- Factory order
- Out of port stock program
- Incentives at Car 1
- "Hand-hold" all orders
- Courtesy delivery fee paid by Volvo
- 295+ retailers in the U.S.
- 4-year 50,000-mile warranty
- First three Factory Scheduled Maintenance services at no charge
- 24-hour roadside assistance
- Towing assistance
- Trip routing
- Lockout assistance

ACCREDITATIONS

- IIHS – 2016 Volvo S60, V60, XC60 and XC90 earn Top Safety Pick+ in IIHS crash tests
- IIHS – Volvo XC60 is the first luxury SUV to achieve a Top Safety Pick+ award
- IIHS – Insurance claim analysis: Volvo City Safety System Prevents Collisions
- NHTSA – Volvo S60 and V60 get five star safety ratings in Europe and the United States
- NHTSA – Volvo XC60 receives top safety honors from NHTSA and IIHS
- Cars.com – XC90 received Best of 2016
- Motor Trend – XC90 2016 Motor SUV of the Year
- XC90 North American Truck of the Year

IIHS STATUS REPORT (January 28, 2016)

The Insurance Institute for Highway Safety (IIHS), an independent, nonprofit organization dedicated to reducing highway crash deaths and injuries, completed an academic study on Volvo's City Safety system that is standard on all Volvo vehicles. The report found that standard City Safety in 2011-2012 S60 models and 2010-2012 XC60 models reduced the rate of rear-end crashes by 41 percent, injuries to occupants by 47 percent and rear-end crashes involving third-party injuries by 48 percent.

Reduced Claim Frequency	S60/XC60
Rear-end collision	41%
Injury to occupants	47%
Third-party injuries	48%

"City Safety appears to be highly effective at reducing rear-end crashes and associated injuries reported to police, even on roadways with speed limits higher than the system's operating range."

– J.B. Cicchino, IIHS Research Scientist

DRIVE-E

INNOVATIONS FOR A CLEANER DRIVE

Drive-E is a high-efficiency 4-cylinder turbo engine designed to give you purer driving pleasure.

- Developed and produced in Sweden.
- Small, powerful engine for improved handling.
- 8-speed automatic transmission makes sure you're always in the right gear for the best engine response and drivability.
- Improved fuel efficiency combined with reduced harmful emissions delivers an uncompromised driving experience.
- Friction reduction, high-speed continuous variable valve timing.
- Start-stop and brake regeneration Drive-E engines can be found in S60, V60, XC60 and XC90 models.

LESS IS MORE

- Compact and 100 lbs. lighter than the engine it replaces
- 2.0 liter
- 240 HP, 258 lb-ft of torque
- ECO+ mode:
 - Improves fuel economy by optimizing the gearbox's shift points, engine control and throttle response.
 - The coast function disengages engine braking and drops engine revs to idle, allowing the vehicle to coast when conditions permit.
- Best in class fuel efficiency of 38 mpg hwy (S60).
- Minimum octane rating 87.

INTELLIGENT SOLUTIONS FOR BETTER EFFICIENCY

“Volvo Cars’ Drive-E powertrain technology is focused squarely on delivering responsive power, clean efficiency and an exceptional driving experience. We achieve this with our compactly-designed engines, advanced boosting solutions and a firm commitment to electrification across our portfolio.”

– Dr. Peter Mertens, Senior Vice President
Research & Development at Volvo Car Group

All Volvos include: 4-Year/50,000 Mile Limited Warranty, 4-Year Unlimited Mileage Roadside Assistance, and First three Complimentary Factory Scheduled Maintenance Services @ 10000, 20000, 30000 mileage intervals.
