BMW MAINTENANCE PROGRAM UPGRADE: WEAR AND TEAR INCLUDED.

Owning a BMW should be a great experience for years to come – and keeping your Ultimate Driving Machine in top condition makes it possible.

That's why BMW offers the industry-leading BMW Maintenance Program Upgrade when your vehicle no longer qualifies for no-cost maintenance:¹

- Save 30%* on scheduled maintenance by paying in advance
- Includes wear-and-tear replacement for items like brake pads, clutch and wiper blades – a BMW exclusive
- All work done by BMW Trained Technicians
- Includes Roadside Assistance

CONVENIENCE AND SAVINGS.

Purchasing the BMW Maintenance Program Upgrade is essentially paying for your scheduled maintenance in advance – with an approximate 30% discount. Best of all, you'll have the peace of mind that when your vehicle alerts you maintenance is due, it's going to be covered.

WEAR-AND-TEAR COVERAGE IS A BMW EXCLUSIVE.

Like the Maintenance Program, the Upgrade also covers specific items that require replacement due to normal wear and tear, such as brake pads, brake discs, clutch and wiper blade inserts.

EXPERT CARE IS ASSURED.

All covered Maintenance Program Upgrade services are performed at authorized BMW centers, by BMW Trained Technicians, using only Original BMW Parts – ensuring your BMW remains The Ultimate Driving Machine.[®]

*Savings estimated compared to paying for each maintenance visit individually. Your savings may vary.

UPGRADE TO 30% SAVINGS.

Service needs are determined dynamically by your BMW's Condition Based Service (CBS) system. Maintenance needs will vary based on conditions and your driving style. All indicated mileage intervals are estimates. **If you request more frequent maintenance services, the cost of these services will not be covered by the Maintenance Program Upgrade.²**

¹ BMW Ultimate Service® coverage applies only to U.S.-specification BMWs imported and distributed by BMW of North America, LLC and sold or leased through authorized BMW Centers or its European Delivery program or the BMW Military Sales Program. Vehicles purchased or leased from BMW Centers in any other country do not qualify for BMW Ultimate Service. Visit bmwusa.com/ultimateservice for details. For Model Year 2015 or later vehicles sold or leased by an authorized BMW center on or after July 1, 2014, BMW Maintenance Program coverage is not transferable to subsequent purchasers, owners, or lessees. Please see bmwusa.com/UltimateService or ask your authorized BMW center for details.

² The BMW Maintenance Program covers all factory-recommended maintenance services as determined by the Service Interval Indicator for all new eligible MY 2004 and later BMW vehicles. Specific additional items that need replacement due to normal wear and tear are also covered. The maintenance coverage period is for the first 4 years or 50,000 miles, whichever comes first. Exclusions from coverage include: gasoline, gasoline additives, windshield washer fluid, fluid top-offs, battery, tires, wheels, wheel alignment and tire balancing. All work must be performed by an authorized BMW Center. See the Service and Warranty Information booklet for specific terms, conditions and limitations. Further information can also be obtained from your authorized BMW Center.

³ Diesel vehicles: DEF (Diesel Exhaust Fluid) replacement is covered only during the performance of an oil service. DEF top-offs between oil services are not covered. Spark Plugs and Oxygen Sensor Service is eligible only when required within a Standard or Upgraded BMW Maintenance Program period, as outlined in the Service and Warranty Information booklet or when displayed in the Service Interval Indicator.

Price wheel for reference only. Additional fees may apply. Please see your authorized BMW Center for details.
