Steer Clear of Unexpected Expenses Due to Road Hazards

Road hazards are out of your control. EG Assurance is here to ensure that our customers are protected from unexpected expenses due to road hazards when they purchase our Tire & Wheel Protection product.

Tire & Wheel Protection

EG Assurance's Tire & Wheel Protection provides our customers with repair or replacement of wheels and tires if they become damaged and are unable to hold air due to ordinary road hazards.

Examples of ordinary road hazards include:

- Potholes
- Rocks
- Metal parts
- Wood debris
- Plastic
- Glass
- Composite materials

Covered parts include:

- ✓ Factory or dealer installed wheels/rims.
- ✓ Factory installed tire-pressure sensors, wheel studs, lug nuts, valve stems and caps, wheel locks and tires with greater than 2/32nd inch tread.
