## OdometerCheck

[Back to top](#) 

**Your Vehicle Checks Out!** For this 2008 Ford F150 FX2 / STX / XL / XLT (1FTRG12W98KD34115) no indication of an odometer rollback or tampering was found. We calculate odometer rollbacks by using AutoCheck business rules to determine reported odometer readings are less than a previously reported value. Other odometer events can report events of tampering, or possible odometer breakage. AutoCheck's business rules have been created and refined to help identify potential rollbacks from the reported odometer readings. Not all odometer readings are used to determine rollbacks.
