

SILVERADO 2020

CHEVROLET 

# THE STRONGEST, MOST ADVANCED SILVERADO EVER.

Silverado 1500 Crew Cab Short Bed  
LT Trail Boss 4x4 in Red Hot with  
available 6.2L EcoTec3 V8 engine  
and dealer-installed Tonneau Cover  
from Chevrolet Accessories!

We put over 100 years of truck-building know-how into the next-generation Chevy Silverado. It starts with strong choices: eight models with bold styling and distinct personalities, along with six powerful, advanced engines. We added a hard-working bed and smart, purposeful technology to deliver towing confidence every day. Built on a legacy of dependable, long-lasting full-size pickups. There's work to be done, and now there's a perfect Silverado to do it.

## FIND NEW ROADS™

<sup>1</sup> Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details.

## MODELS

### WORK TRUCK

Silverado Work Truck (WT) lives up to the legendary Chevrolet name stamped on the grille and tailgate.

Its Work Truck résumé starts with the rock-solid power of a standard 4.3L EcoTec3 V6 engine. Available powertrains include a 2.7L Turbo and a 5.3L EcoTec3 V8 with Active Fuel Management®. It continues with Durabed, featuring increased cargo volume, high-strength steel and 12 standard tie-downs. The hard-working WT interior has durable vinyl or available cloth seats and a rubberized vinyl floor for easy cleanup. A 7-in. diagonal colour touch-screen keeps you informed and entertained.

### CUSTOM

Here's where high style and value meet.

Silverado Custom steals the spotlight with body-colour bumpers and centre grille bar along with deep-tinted glass, signature LED tail lamps and 20-in. Bright Silver-painted aluminum wheels. A 4.3L V6 engine is standard. Available engines include a 2.7L Turbo or a 5.3L EcoTec3 V8 with Active Fuel Management that features a dual-outlet exhaust with polished tips. A striking Jet Black cloth interior with matching carpeting welcomes you inside.

Top: Silverado 1500 Regular Cab Long Bed WT in Summit White.

Bottom: Silverado 1500 Crew Cab Short Bed Custom 4x4 in Black.

## MODELS

### CUSTOM TRAIL BOSS

Show the trails who's boss.

The suspension on Custom Trail Boss has a 2-in. lift right from the factory. There's also the Z71 Off-Road Package, Autotrac 2-speed transfer case and everything else you need for a day off the beaten path. Plus, you can add the available 420-horsepower 6.2L EcoTec3 V8 engine when you need some extra muscle. Goodyear Wrangler DuraTrac® tires, a Black grille, 18-in. high-gloss Black-painted aluminum wheels and Performance Red recovery hooks<sup>1</sup> set this off-road warrior apart from Silverado Custom.

### LT

Iconic looks combine with classic capability.

LT has that essential truck appeal with chrome bumpers, centre grille bar and mirror caps complemented by body-colour door handles and available 20-in. painted-aluminum wheels. LED headlamps and daytime running lamps add signature enhancements. Capability comes from the high-output 2.7L Turbo or available 5.3L EcoTec3 V8 engine – both paired with an 8-speed automatic transmission. Technology features include an 8-in. diagonal colour touch-screen and available SiriusXM® with 360L<sup>2</sup>

Top: Silverado 1500 Crew Cab Short Bed Custom Trail Boss 4x4 in Summit White.

Bottom: Silverado 1500 Crew Cab Short Bed LT 4x4 in Satin Steel Metallic (extra-cost colour) with available features.

<sup>1</sup> To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information. <sup>2</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at [siriusxm.ca/terms](http://siriusxm.ca/terms).

## MODELS

### RST

Sometimes it's all right to stop and stare.

RST is street art, with body-colour bumpers, centre grille bar and door handles matched with high-gloss Black mirror caps. LED lighting includes headlamps, daytime running lamps, tail lamps and fog lamps. Standards include 18-in. Bright Silver-painted aluminum wheels and the EZ-Lift power lock and release tailgate. New this year is the available 6.2L EcoTec3 V8 engine. The interior experience is enhanced with Keyless Open and Start, a remote vehicle starter system and a 40/20/40 split-bench front seat with lockable under-seat storage.

### LT TRAIL BOSS

This is the boss of bosses.

LT Trail Boss is one serious off-road machine, with all the features of Custom Trail Boss, including the 2-in. lift right from the factory, plus the 5.3L EcoTec3 V8 engine with Dynamic Fuel Management or the available 6.2L EcoTec3 V8, a dual-outlet exhaust with polished tips and an auxiliary external transmission oil cooler. Because comfort and convenience are important no matter where you roam, Keyless Open and Start, a leather-wrapped steering wheel and all-weather floor liners are welcome additions.

Top: Silverado 1500 Crew Cab Short Bed RST 4x4 in Northsky Blue Metallic (extra-cost colour) with available features and Chevrolet Accessories!

Bottom: Silverado 1500 Crew Cab Short Bed LT Trail Boss 4x4 in Red Hot.

## MODELS

### LTZ

Everything about this truck says “premium”

Chrome takes centre stage on LTZ, from the grille and bumpers to the mirror caps, door handles and beltline accents. The appeal continues with 18-in. Bright Silver-painted aluminum wheels. A 5.3L EcoTec3 V8 engine with Dynamic Fuel Management, an automatic locking rear differential and Advanced Trailering System are standard. A 6.2L V8 or Duramax® 3.0L Turbo-Diesel engine is available. Interior highlights include perforated leather-appointed front seating, heated driver and front outboard passenger seats and a heated leather-wrapped steering wheel.

### HIGH COUNTRY

You know you’ve reached the top of the mountain.

High Country features an exclusive grille with a two-tone bronze and chrome finish. The aluminum wheels and wheel-to-wheel assist steps make a bold design statement. High-intensity discharge LED headlamps with signature curtain LED daytime running lamps complete the look. Advanced trailering features and an industry-first power up/down tailgate enhance the capability, while heated and ventilated perforated leather-appointed front bucket seats elevate the luxury.

**Top: Silverado 1500 Crew Cab Short Bed LTZ 4x4 in Satin Steel Metallic (extra-cost colour) with available features and Chevrolet Accessories!**

**Bottom: Silverado 1500 Crew Cab Short Bed High Country 4x4 in Havana Brown Metallic (extra-cost colour) with available features and Chevrolet Accessories!**

## SPECIAL EDITIONS

### TRAIL BOSS WITH MIDNIGHT EDITION

Everything good happens after midnight.

New for 2020, the Midnight Edition is available on Custom Trail Boss and LT Trail Boss. The darkness falls with a Black exterior complemented by Black Silverado and trim badging on the tailgate, Black tubular assist steps and Black dual-outlet exhaust tips. LT Trail Boss also adds high-intensity discharge headlamps. As if that weren't enough, this edition offers available 20-in. Black-painted aluminum wheels.

Silverado 1500 Crew Cab Short Bed LT Trail Boss 4x4  
in Black with available Midnight Edition.

## SPECIAL EDITIONS

Silverado 1500 Crew Cab Short Bed RST 4x4 in Silver Ice Metallic with available Rally Edition.

## RALLY EDITION

Dress it up. Take it out.

With the Rally Edition<sup>1</sup> offered on Custom and RST, prepare to be the centre of attention. Black highlights are everywhere, including the stripes, tubular assist steps, badging and exhaust tip(s). Custom Rally Edition adds a Black bowtie on the grille and steering wheel as well as 20-in. Black-painted aluminum wheels, while RST Rally Edition brings the heat with 22-in. high-gloss Black-painted aluminum wheels.

<sup>1</sup> Available with Red Hot, Silver Ice Metallic, Summit White or Black exterior colours.

## STRONG FROM THE START.

Silverado uses the right material in the right place to do the right job. That means high-strength steel in the frame, bed and safety cage and strong, lightweight aluminum in the doors, hood and tailgate, with everything optimized for durability, safety, mass and function.

The **frame is 88 lb. (40 kg) lighter** than its predecessor, but remarkably has 10% greater torsional rigidity. As much as 80% of the frame is made of high-strength steel.

Silverado has a longer wheelbase, a wider and taller stance, and more cargo volume, yet is **up to 450 lb. (204 kg) lighter** than the previous generation.

To help achieve a **.38 drag coefficient** and a 7.5% improvement in aerodynamics, Chevrolet engineers spent over 500 hours in the wind tunnel, testing airflow around the vehicle. All this testing paid off: Silverado is the most aerodynamic full-size pickup in Chevrolet history.

The **independent short/long arm front suspension** provides excellent wheel alignment, ride comfort and tunability with reduced weight. The live axle rear suspension includes 2-stage, semi-elliptic multi-leaf springs to strike a balance between payload management and ride quality. LT with the available 5.3L EcoTec3 V8 engine includes composite second-stage leaf springs that are durable and lightweight.

Silverado 4x4 models offer **two Autotrac transfer cases**. The 2-speed transfer case (included on Trail Boss models and High Country; included with the Z71 Off-Road Package on other models) features Auto, 2 High, 4 High and 4 Low settings. The single-speed transfer case (included on WT, Custom, LT, RST and LTZ) offers Auto, 2 High and 4 High. It also includes a Drive Mode Selector with Terrain mode, designed to optimize low-speed off-road driving.

The available **Drive Mode Selector** allows you to choose different drive modes (based on the vehicle's equipment) that alter the transmission shifts, throttle and traction systems to better handle varying road conditions. Normal is for everyday driving; Sport increases responsiveness; Tow/Haul aids in trailering; Snow is helpful in slippery conditions; Terrain optimizes low-speed driving over rough terrain; and Off-Road helps Silverado take on the rough stuff.

An **electro-hydraulic boost** or "e-boost" system produces on-demand power for smooth, reliable, consistent braking whether the truck is loaded, unloaded or hauling a heavy trailer. And the Duralife® coating helps increase rotor life.

## DURABED

### BEST BED IN THE BUSINESS.

Durabed is the **most functional bed of any pickup**, with a roll-formed high-strength steel floor that's stronger, lighter and more durable than a traditional stamped steel floor.

It's longer, deeper and wider than the previous generation, with **12 standard tie-downs**, nine more available removable tie-downs from Chevrolet Accessories<sup>1</sup>, and a larger CornerStep rear bumper.

Durabed offers 89.1 cu. ft. (2523 L)<sup>2</sup> of cargo volume on Long Bed, 71.7 cu. ft. (2031 L)<sup>2</sup> on Standard Bed and 62.9 cu. ft. (1781 L)<sup>2</sup> on Short Bed.

The industry-first, Chevrolet-exclusive **power up/down tailgate** lets you easily raise or lower the tailgate using the key fob, a button in the cabin or a touchpad on the gate itself. Standard on High Country and available on LTZ.

An available **bed-mounted 120-volt AC outlet** lets you power up a laptop, charge the batteries for cordless tools and more. There's also a second available 120-volt AC outlet on the instrument panel.

Silverado 1500 Crew Cab Short Bed High Country 4x4 in Iridescent Pearl Tricoat (extra-cost colour) with available features.

## TRAILERING

### CONFIDENCE IS KEY.

What separates Silverado from the competition is the peace of mind you get from integrated towing features that deliver confidence and help make hauling big loads easy.

The available Advanced Trailering Package includes Hitch Guidance with Hitch View<sup>1</sup>, hitch area lighting, industry-first electric parking brake

hookup assist, an integrated trailer brake controller, trailer theft alert, an in-vehicle Advanced Trailering System with the myChevrolet<sup>®</sup> App<sup>2</sup> and more.

The available Advanced Trailering System features an in-vehicle app<sup>3</sup> that offers customized trailer profiles. Other features include predeparture checklists, trailer lighting diagnostics and trailer tire pressure/temperature monitoring<sup>4</sup>.

<sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for important feature limitations and information. <sup>2</sup> Device data connection required. Available on select Apple and Android devices. Some features require connected vehicle services trial or active plan and working electrical system. Service availability, features and functionality vary by model and/or vehicle configuration. Visit [onstar.ca](http://onstar.ca) for details and limitations. <sup>3</sup> Available on select Silverado models with compatible hardware. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. Terms and limitations apply. <sup>4</sup> Does not monitor spare tire.

The Advanced Trailering System features an in-vehicle app<sup>1</sup> that offers customized trailer profiles. Standard on LTZ and High Country, available on LT, RST and LT Trail Boss.

myChevrolet® App with Trailering<sup>2</sup> syncs with the available Advanced Trailering System.

An integrated trailer brake controller is available.

<sup>1</sup> Available on select Silverado models with compatible hardware. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. Terms and limitations apply. <sup>2</sup> Device data connection required. Available on select Apple and Android devices. Some features require connected vehicle services trial or active plan and working electrical system. Service availability, features and functionality vary by model and/or vehicle configuration. Visit [onstar.ca](http://onstar.ca) for details and limitations.

## CAMERA TECHNOLOGIES

### SEEING IS BELIEVING.

The 2020 Silverado offers a **Technology Package** that provides multiple camera views – up to 15 total views with available accessory cameras – to help make it easier to hitch a trailer and tow with confidence.

Views enabled by these cameras are easily accessed by selecting the available Camera App on the touch-screen display. Conveniently, select views can be launched through the available **Advanced Trailering System**.

Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details. Driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

**Transparent Trailer View** Helps the driver to virtually “see through” a conventional hitched box or camping trailer.

**Hitch View** Provides a close-up view of the receiver hitch to help with alignment when connecting to a trailer.

**Bed View** Allows you to see inside the cargo bed to help with fifth-wheel or gooseneck hitching and to briefly check on cargo.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

**Front Camera View** Displays front view with available guidelines to assist with parking and tight manoeuvres.

**Rear Camera View** Displays rear view to assist with parking and tight manoeuvres.

**Surround View** Gives a top-down bird's-eye view of the truck's surroundings.

**Front Top-Down View** Provides a top-down view of the hood, bumper and front tires for tight manoeuvres in parking lots or along curbs.

**Rear Top-Down View** Shows the clearance between the truck bed and nearby objects.

**Bowl View** Provides a rear-facing 3-D surround view, useful for low-speed backing manoeuvres.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

**Front Side View** Shows the position of the front tires when parking and during tight manoeuvres.

**Rear Side View** Provides a line of sight down each side of the truck and trailer.

**Rear Trailer View** Uses an available accessory camera that can be installed to show vehicles or objects behind the trailer.

**Inside Trailer View** Allows the driver to monitor trailer contents or cargo using an available accessory camera that can be installed in the trailer.

**Pic-In-Pic Side View** Combines two views – the Rear Side View and the Rear Trailer View. Requires available accessory camera.

**Rear Camera Mirror** An available dual-function camera-based rear-view mirror that provides a wider, less-obstructed field of view than a traditional rear-view mirror.

Silverado 1500 Crew Cab Short Bed  
High Country 4x4 in Havana Brown  
Metallic (extra-cost colour) with  
available features.

## POWERTRAIN

# THE SOURCE OF ALL POWER.

Silverado offers six different engines designed for trucks that share two things in common: Chevy DNA and the promise of bringing you the best driving truck we have ever built.

Standard on LT and RST, the **2.7L Turbo engine** generates 310 horsepower and 348 lb.-ft. of torque with no turbo lag and off-the-line acceleration that takes you from 0-96 km/h (0-60 mph) in 6.8 seconds!

You get the best of both worlds with the available **Duramax 3.0L Turbo Diesel I-6 engine**. First, it's an efficient powerplant, delivering an estimated highway fuel consumption rating of 7.2 L/100 km<sup>2,3</sup>. It's also plenty strong, with 277 horsepower, 460 lb.-ft. of torque and the ability to tow up to 9300 lb. (4218 kg)<sup>4,5</sup>.

This engine has a diesel exhaust brake system that utilizes the turbocharger to create back pressure to help slow your Silverado on downhill grades.

| 2.7L TURBO (L3B)   | 3.0L TURBO-DIESEL I-6 (LM2)                                       | 4.3L ECOTEC3 V6 (LV3)  | 5.3L ECOTEC3 V8 (L82)  | 5.3L ECOTEC3 V8 (L84)   | 6.2L ECOTEC3 V8 (L87)   |

<sup>1</sup> Based on initial vehicle movement. <sup>2</sup> Fuel consumption estimate for 2WD models. For 4x4 models estimate is 10.4 L/100 km city and 8.0 L/100 km highway. <sup>3</sup> Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. <sup>4</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>5</sup> Requires Silverado 1500 Double Cab Standard Bed 4x4 or Crew Cab Short Bed 4x4. <sup>6</sup> Requires Silverado 1500 Double Cab Standard Bed 2WD, Crew Cab Short Bed 2WD or Crew Cab Standard Bed 2WD. <sup>7</sup> Fuel consumption estimate for 2WD models, except WT. For WT 2WD and 4x4 models, except WT 4x4, estimate is 12.5 L/100 km city and 10.8 L/100 km highway. For WT 4x4 estimate is 12.7 L/100 km city and 11.0 L/100 km highway. <sup>8</sup> Requires Silverado 1500 Regular Cab Long Bed 2WD. <sup>9</sup> Fuel consumption estimate for 2WD models. For 4x4 models, except Custom Trail Boss 4x4, estimate is 15.7 L/100 km city and 12.0 L/100 km highway. For Custom Trail Boss 4x4 estimate is 16.3 L/100 km city and 12.9 L/100 km highway. <sup>10</sup> Requires Silverado 1500 Crew Cab Short Bed Custom 4x4 with available Max Trailering Package. <sup>11</sup> Fuel consumption estimate for 2WD models. For 4x4 models, except Custom Trail Boss 4x4, estimate is 15.9 L/100 km city and 11.8 L/100 km highway. For Custom Trail Boss 4x4 estimate is 16.7 L/100 km city and 13.1 L/100 km highway. <sup>12</sup> Fuel consumption estimates for non-FlexFuel 5.3L V8 engine. <sup>13</sup> Requires Silverado 1500 Double Cab Standard Bed 2WD with available Max Trailering Package. <sup>14</sup> Fuel consumption estimate for 2WD models with 8-speed transmission. For 4x4 models with 8-speed transmission estimate is 14.7 L/100 km city and 10.7 L/100 km highway. For High Country 4x4 with 10-speed transmission estimate is 14.3 L/100 km city and 10.6 L/100 km highway and LT Trail Boss 4x4 with 10-speed transmission estimate is 14.7 L/100 km city and 11.2 L/100 km highway. <sup>15</sup> Requires Silverado 1500 Double Cab Standard Bed RST 4x4 with available Max Trailering Package and 20-in. wheels. <sup>16</sup> Fuel consumption estimate for 4x4 models, except LT Trail Boss 4x4 and Custom Trail Boss 4x4. For LT Trail Boss 4x4 estimate is 15.7 L/100 km city and 12.4 L/100 km highway and Custom Trail Boss 4x4 estimate is 16.8 L/100 km city and 13.3 L/100 km highway.

**Dynamic Fuel Management** is included on the 5.3L EcoTec3 V8 engine with 8- and 10-speed transmissions as well as the available 6.2L EcoTec3 V8. A sophisticated control system continuously monitors every movement of the accelerator pedal and calculates exactly how much torque is needed to handle the current driving condition,

from highway cruising to city traffic to hauling a heavy load. Nearly instantaneously, the engine control system will activate or deactivate cylinders in an industry-first 17 different patterns to maximize fuel economy and create the power needed. And it all happens with seamless precision, so you'll never even notice.

The 2.7L Turbo, the 4.3L EcoTec3 V6 and the 5.3L EcoTec3 V8 engine with 6-speed transmission offer **Active Fuel Management**. Sensing load and demand, this feature helps improve efficiency by deactivating cylinders when power demands are light and reactivating cylinders when more power is required.

A highly efficient **10-speed automatic transmission** provides impressive refinement and performance with enhanced acceleration and torque delivery while towing. Included with the available 6.2L EcoTec3 V8, Duramax 3.0L Turbo-Diesel, and 5.3L EcoTec3 V8 with Dynamic Fuel Management on LT Trail Boss and High Country 4x4.

At left: Silverado 1500 Crew Cab Short Bed LT 4x4 in Cajun Red Tintcoat (extra-cost colour) with available features and Z71 Off-Road Package.  
At right: Silverado 1500 Crew Cab Short Bed RST 4x4 in Black with available features and Z71 Off-Road Package.

## Z71 OFF-ROAD PACKAGE

The Z71 Off-Road Package is available on almost every Silverado (standard on Trail Boss models; not available on Custom) and includes the Autotrac 2-speed transfer case, twin-tube Rancho® shocks (Rancho® monotube shocks on Trail Boss), a metal underbody shield, a heavy-duty air filter, an industry-first air filter monitor,

all-terrain tires, and more. LT, RST and LTZ add a dual-outlet exhaust with polished tips.

An automatic locking rear differential reacts in milliseconds to low-traction situations for improved forward motion. It provides equal power to both rear wheels, giving you the traction to help keep you moving.

Hill Descent Control uses the Anti-lock Braking System (ABS) to automatically help provide a smooth descent on steep terrain.

To keep your truck protected on the trails, the available Z71 Off-Road and Protection Package includes wheelhouse liners, a Chevytec spray-on

bedliner, and all-weather front and rear floor liners with the Z71 emblem.

The Trailering Package (standard on both Trail Boss models, LTZ and High Country; required on all other models when you choose the available Z71 Off-Road Package) includes a trailer hitch with 7-pin and 4-pin connectors.

Silverado 1500 Crew Cab Short Bed  
Custom Trail Boss 4x4 in Summit White  
with available features.

## TRAIL BOSS

The suspensions on Custom Trail Boss and LT Trail Boss have been given a **2-in. lift right from the factory** to maximize approach, breakover and departure angles. That's in addition to the legendary Z71 Off-Road Package,

18-in. Goodyear Wrangler DuraTrac® tires, Autotrac 2-speed transfer case, automatic locking rear differential and Trailering Package, giving you what you need to leave roads behind.

**Custom Trail Boss** features the 285-horsepower 4.3L EcoTec3 V6 engine, or you can opt for one of two V8 engines – the available 5.3L with 355 horsepower or the 6.2L with 420 horsepower.

Black Chevrolet bowtie emblems, a Black grille, 18-in. high-gloss Black-painted aluminum wheels and Performance Red recovery hooks<sup>1</sup> provide a distinctive look.

<sup>1</sup> To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information.

LT Trail Boss 4x4 in Red Hot.

LT Trail Boss is highlighted by the 5.3L EcoTec3 V8 engine with Dynamic Fuel Management or available 6.2L EcoTec3 V8 – both with a 10-speed automatic transmission – plus a dual-outlet exhaust with polished tips

and an auxiliary external transmission oil cooler. LED headlamps, tail lamps, fog lamps and cargo area lighting are standard, as is an EZ-Lift power lock and release tailgate. In addition,

there's a leather-wrapped steering wheel, remote vehicle starter system, Keyless Open and Start and all-weather floor liners with Z71 emblems.

## HIGH COUNTRY

# REACH HIGHER.

- Exclusive grille and centre grille bar with two-tone bronze and chrome finish, as well as chrome wheel-to-wheel assist steps.
- High-intensity discharge LED headlamps and 20-in. machined-face aluminum wheels.
- Industry-first power up/down tailgate.
- 5.3L EcoTec3 V8 or available 6.2L EcoTec3 V8 or Duramax 3.0L Turbo-Diesel I-6 engine.
- Advanced Trailering System.
- Interior in Jet Black or Jet Black with Umber accents includes heated and ventilated perforated leather-appointed front bucket seats and heated rear outboard seats.
- Bose premium 7-speaker sound system and Chevrolet Infotainment 3 Premium system<sup>1</sup> with Navigation<sup>2</sup>
- Advanced safety features include Rear Cross Traffic Alert<sup>3</sup>, Lane Change Alert with Side Blind Zone Alert<sup>3</sup>, and Front and Rear Park Assist<sup>3</sup>. Adaptive Cruise Control – Camera<sup>3</sup> is available.

<sup>1</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>2</sup> Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup> Read the vehicle Owner's Manual for important feature limitations and information.

High Country interior in Jet Black with Umber accents and available features.

## INTERIOR DESIGN

# ROOM TO ROAM.

- Large exterior proportions allow for an expanded interior cabin, which contributes to ample headroom and legroom.
- Front seating has been raised by 38 mm (1.5 in.) compared to the previous generation for a more commanding view of the road.
- The intuitive interior, designed with durable materials, includes large buttons and knobs that can be adjusted with gloved hands.
- Large upper and lower gloveboxes, three front cupholders and an instrument panel storage pad are standard.
- Rear-seat heating and cooling vents are standard in Double Cab and Crew Cab models.
- Under certain conditions, the Rear Seat Reminder<sup>1</sup> feature alerts you to double-check for valuables left behind.
- Acoustic panels located in fixed seatbacks help dampen noise and reduce squeaks, and dissipative carpet technology absorbs sound to create a quiet cabin.

<sup>1</sup> Does not detect people or items. Always check rear seat before exiting. Read the vehicle Owner's Manual for important feature limitations and information.

## TECHNOLOGY

# TECH THAT CONNECTS.

- The Chevrolet Infotainment 3 system<sup>1</sup> is intuitive and easy to use, with a simplified 7-in. or 8-in. diagonal colour touch-screen display.
- Enjoy music, talk, sports, comedy and news with SiriusXM,<sup>2</sup> 24/7, in your car, online or on the app, during your All Access trial period. SiriusXM<sup>®</sup> with 360L<sup>2</sup> is standard on LTZ and High Country, and available on LT, RST and LT Trail Boss. SiriusXM<sup>®2</sup> is available on Custom and Custom Trail Boss.

<sup>1</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>2</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at [siriusxm.ca/terms](http://siriusxm.ca/terms).

A USB port<sup>1</sup> is standard, up to 6 USB ports<sup>1</sup> are available, depending on the model.

Apple CarPlay<sup>®2</sup> integration for your iPhone<sup>®</sup> (shown) and Android Auto<sup>™3</sup> compatibility.

Available Chevrolet Infotainment 3 Premium system<sup>4</sup> with Navigation<sup>5</sup>

A segment-first 15-in. diagonal multi-colour Head-Up Display is available on LTZ and High Country.

<sup>1</sup> Not compatible with all devices. <sup>2</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>3</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. <sup>4</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>5</sup> Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

## SAFETY AND DRIVER ASSISTANCE

# A COMMITMENT TO SAFETY IS ONE OF OUR GREATEST STRENGTHS.

**Automatic Emergency Braking.** At speeds below 80 km/h, if an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Available on LTZ and High Country.

**Following Distance Indicator and Forward Collision Alert.** These features monitor how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Available on LTZ and High Country.

**Lane Keep Assist with Lane Departure Warning.** At speeds above 60 km/h, this feature monitors identifiable road lines and can gently turn the steering wheel to help keep the vehicle in its lane or provide an alert if a lane marker is unintentionally crossed. Available on LTZ and High Country.

**Front Pedestrian Braking.** At speeds below 80 km/h, if an imminent collision with a pedestrian directly ahead is detected, the feature can alert you and can even apply last-second emergency braking. Performance is limited at night. Available on LTZ and High Country.

**Rear Cross Traffic Alert.** This feature can alert you to detected vehicles crossing behind your Silverado when backing up. Standard on High Country; available on WT, LT, RST, LT Trail Boss and LTZ.

**Rear Vision Camera.** When travelling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Silverado. Standard on all models.

**Front and Rear Park Assist.** At low speeds, this feature can provide distance alerts to nearby detected objects to help you park. Standard on High Country; available on WT, LT, RST, LT Trail Boss and LTZ.

**IntelliBeam® headlamps.** When oncoming headlamps are sensed or when tail lamps are detected, this feature intuitively adjusts between low and high beams. Available on LTZ and High Country.

**Lane Change Alert with Side Blind Zone Alert.** This feature can provide side mirror alerts when it detects fast-approaching vehicles in adjacent lanes as well as moving vehicles in the side mirror blind zones. Standard on High Country; available on WT, LT, RST, LT Trail Boss and LTZ.

**Safety Alert Seat.** This feature gives you the option of getting directional vibration pulses from the driver seat instead of beeps to indicate the direction of potential threats. Available on LTZ and High Country.

**Adaptive Cruise Control – Camera.** Using camera technology, this feature can automatically adapt cruise control speed to maintain a following gap to vehicles detected ahead. Available on LTZ and High Country.

**Safety starts with you.** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

## ACCESSORIES

<sup>1</sup> Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details.

## EXTERIOR COLOURS

G1W – Iridescent Pearl Tricoat<sup>1,2</sup>

## STANDARD EQUIPMENT

Standard on every Silverado:

### MECHANICAL

**Battery** – run-down protection system with retained accessory power

**Brakes** – power, 4-wheel disc with Duralife rotors and 4-wheel Anti-lock Braking System (ABS)

**Frame** – fully boxed frame with hydroformed front section

**StabiliTrak®** – Electronic Stability Control System with Proactive Roll Avoidance, Traction Control, Electronic Trailer Sway Control and Hill Start Assist

**Steering** – rack-and-pinion with Electric Power Steering (EPS) assist

### EXTERIOR

**Bumper** – rear CornerStep

**Cargo area lighting** – integrated with centre high-mounted stop lamp

**Fuel filler** – capless fuelling

**Lighting** – daytime running lamps with exterior automatic lamp control

**Pickup bed** – Durabed

**Tailgate and bed rail** – protection cap

**Tie-downs** – 12 fixed cargo tie-downs, rated at 500 lb. (227 kg)<sup>2</sup> per corner

**Tire** – carrier lock

**Tire** – full-size spare

### INTERIOR

**Airbags<sup>3</sup>** – dual-stage frontal airbags for driver and front outboard passenger; seat-mounted side-impact airbags for driver and front outboard passenger; head-curtain airbags for front and rear outboard seating positions; includes front outboard Passenger Sensing System for frontal outboard passenger airbag

**Air conditioning** – with rear-seat air vents (Double Cab and Crew Cab)

**Assist handles** – driver and front passenger, A-pillar; rear passenger, B-pillar

**Connectivity** – Bluetooth® phone connectivity and wireless audio streaming<sup>4</sup> and Apple CarPlay<sup>®5</sup> and Android Auto<sup>™6</sup> compatibility

**Door locks** – manual (Regular Cab); power programmable with lock-out protection and manual rear door child security (Double Cab and Crew Cab)

**Instrument cluster** – 6-gauge with speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure

**Media** – USB port<sup>7</sup>

**Power outlet** – 12-volt auxiliary, front

**Rear Seat Reminder<sup>8</sup>** (Double Cab and Crew Cab)

**Rear Vision Camera<sup>9</sup>**

**Teen Driver technology**

**Temperature display** – outside, located in radio

**Tire Pressure Monitoring System** – with Tire Fill Alert (does not monitor spare tire)

**Windows** – manual (Regular Cab); power with driver express-up/-down, all others express-down (Double Cab and Crew Cab)

<sup>1</sup> Not available on Crew Cab Standard Bed 2WD model. <sup>2</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>3</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. <sup>4</sup> Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. <sup>5</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>6</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. <sup>7</sup> Not compatible with all devices. <sup>8</sup> Does not detect people or items. Always check rear seat before exiting. <sup>9</sup> Read the vehicle Owner's Manual for important feature limitations and information.

## PAYLOAD AND TRAILER WEIGHT RATINGS

<sup>1</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>2</sup> Conventional trailer towing weight. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Bedliner – Black Chevytec spray-on bedliner with High Country logo

Bumpers – body-colour, front and rear

Grille – Gold bowtie emblem, chrome grille bars with high-gloss Black mesh and chrome/bronze inserts

Headlamps – high-intensity discharge LED reflector headlamps with LED daytime running lamps

Mirror caps – body-colour

Recovery hooks<sup>1</sup> – chrome

Tailgate – power up/down with power lock and release

Tires – P275/60R20 all-terrain

### INTERIOR

Audio – 7-speaker Bose premium system with Richbass subwoofer

Console – floor-mounted console with cupholders, cellphone storage, power cord management, hanging file folder capability, two USB ports<sup>2</sup>; SD card reader and auxiliary input jack

Driver Information Centre – enhanced 8-in. diagonal multi-colour configurable display, includes analogue speedometer and tachometer

Entertainment – Chevrolet Infotainment 3 Premium system<sup>3</sup> with Navigation<sup>4</sup>; includes 8-in. diagonal HD colour touch-screen, Connected Navigation<sup>5</sup>; AM/FM stereo, Bluetooth<sup>6</sup> audio streaming<sup>6</sup> for two active devices, Apple CarPlay<sup>7</sup> and Android Auto<sup>8</sup> compatibility, enhanced voice recognition and additional memory for in-vehicle apps<sup>9</sup>

### INTERIOR (CONTINUED)

Floor mats – front and rear, carpeted

Front and Rear Park Assist<sup>10</sup>

Lane Change Alert with Side Blind Zone Alert<sup>10</sup>

Rear Cross Traffic Alert<sup>10</sup>

Seats – ventilated and heated front bucket seats, heated rear outboard seating positions

Window – power, rear sliding with defogger

<sup>1</sup> To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information. <sup>2</sup> Not compatible with all devices. <sup>3</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>4</sup> Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>5</sup> Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Visit onstar.ca for more details. <sup>6</sup> Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. <sup>7</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>8</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. <sup>9</sup> Available on select Silverado models with compatible hardware. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. Terms and limitations apply. <sup>10</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>11</sup> Not available with Northsky Blue Metallic or Cajun Red Tintcoat exterior colours.

## ENGINES

### ECOTEC3 4.3L V6 (LV3)

Standard on WT, Custom and Custom Trail Boss.

EcoTec3 technology includes Active Fuel Management (AFM), Direct Injection and Variable Valve Timing

6-speed automatic transmission

285 hp @ 5300 rpm

305 lb.-ft. of torque @ 3900 rpm

Displacement, cc (cu. in.) – 4301 (262)

Bore & stroke, mm (in.) – 99.6 x 92 (3.92 x 3.62)

Compression ratio – 11.0:1

Ignition – coil-near-plug

Recommended fuel – regular unleaded

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1</sup>

2WD – 15.1/11.5 (19/25)

4x4 – 15.7/12.0 (18/24)

Custom Trail Boss 4x4 – 16.3/12.9 (17/22)

Maximum payload<sup>2</sup>; lb. (kg) – 2250 (1021)<sup>3</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 7900 (3583)<sup>3</sup>

### ECOTEC3 5.3L V8 (L82)

Available on WT, Custom and Custom Trail Boss.

EcoTec3 technology includes Active Fuel Management (AFM), Direct Injection and Variable Valve Timing

6-speed automatic transmission

355 hp @ 5600 rpm

383 lb.-ft. of torque @ 4100 rpm

Displacement, cc (cu. in.) – 5328 (325)

Bore & stroke, mm (in.) – 96 x 92 (3.78 x 3.62)

Compression ratio – 11.0:1

Ignition – coil-near-plug

Recommended fuel – regular unleaded

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1,5</sup>

2WD – 15.9/11.4 (18/25)

4x4 – 15.9/11.8 (18/24)

Custom Trail Boss 4x4 – 16.7/13.1 (17/22)

Maximum payload<sup>2</sup>; lb. (kg) – 2180 (989)<sup>3</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 11,000 (4990)<sup>6</sup>

### 2.7L TURBO (L3B)

Standard on LT and RST. Available on WT and Custom.

Engine technology includes dual-volute turbocharger, Active Thermal Management, Active Fuel Management (AFM), Direct Injection and Variable Valve Timing

8-speed automatic transmission

310 hp @ 5600 rpm

348 lb.-ft. of torque @ 1500 rpm

Displacement, cc (cu. in.) – 2726 (166)

Bore & stroke, mm (in.) – 92.25 x 102 (3.63 x 4.02)

Compression ratio – 11.5:1

Ignition – coil-near-plug

Recommended fuel – regular unleaded

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1</sup>

2WD – 11.9/10.3 (24/27)

WT 2WD – 12.5/10.8 (23/26)

4x4 – 12.5/10.8 (23/26)

WT 4x4 – 12.7/11.0 (22/26)

Maximum payload<sup>2</sup>; lb. (kg) – 2070 (939)<sup>7</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 6800 (3084)<sup>8</sup>

<sup>1</sup> Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. <sup>2</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>3</sup> Requires Silverado 1500 Regular Cab Long Bed 2WD. <sup>4</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>5</sup> Fuel consumption estimates for non-FlexFuel 5.3L V8 engine. <sup>6</sup> Requires Silverado 1500 Crew Cab Short Bed Custom 4x4 with available Max Trailering Package. <sup>7</sup> Requires Silverado 1500 Double Cab Standard Bed 2WD. <sup>8</sup> Requires Silverado 1500 Double Cab Standard Bed 2WD, Crew Cab Short Bed 2WD or Crew Cab Standard Bed 2WD.

## ENGINES (CONTINUED)

### ECOTEC3 5.3L V8 (L84)

Standard on LT Trail Boss, LTZ and High Country. Available on LT and RST.

EcoTec3 technology includes Dynamic Fuel Management (DFM), Direct Injection and Variable Valve Timing

8-speed automatic transmission (LT, RST and LTZ)

10-speed automatic transmission (LT Trail Boss and High Country)

355 hp @ 5600 rpm

383 lb.-ft. of torque @ 4100 rpm

Displacement, cc (cu. in.) – 5328 (325)

Bore & stroke, mm (in.) – 96 x 92 (3.78 x 3.62)

Compression ratio – 11.0:1

Ignition – coil-near-plug

Recommended fuel – regular unleaded

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1</sup>

2WD – 13.9/10.1 (20/28)

4x4 with 8-speed – 14.7/10.7 (19/26)

High Country 4x4 with 10-speed – 14.3/10.6 (20/27)

LT Trail Boss 4x4 with 10-speed – 14.7/11.2 (19/25)

Maximum payload<sup>2</sup>; lb. (kg) – 2190 (993)<sup>3</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 11,600 (5262)<sup>3</sup>

### ECOTEC3 6.2L V8 (L87)

Available on Custom Trail Boss, RST, LT Trail Boss, LTZ and High Country.

EcoTec3 technology includes Dynamic Fuel Management (DFM), Direct Injection and Variable Valve Timing

10-speed automatic transmission

420 hp @ 5600 rpm

460 lb.-ft. of torque @ 4100 rpm

Displacement, cc (cu. in.) – 6162 (376)

Bore & stroke, mm (in.) – 103.25 x 92 (4.06 x 3.62)

Compression ratio – 11.0:1

Ignition – coil-near-plug

Recommended fuel – premium unleaded

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1</sup>

4x4 – 15.0/12.0 (19/24)

LT Trail Boss 4x4 – 15.7/12.4 (18/23)

Custom Trail Boss 4x4 – 16.8/13.3 (17/21)

Maximum payload<sup>2</sup>; lb. (kg) – 2090 (948)<sup>5</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 13,400 (6078)<sup>5</sup>

### DURAMAX 3.0L TURBO-DIESEL I-6 (LM2)

Available on LT, RST, LTZ and High Country (not available on Crew Cab Standard Bed 2WD models).

Engine technology includes variable-geometry turbocharger, Active Thermal Management and high-pressure Direct Injection

10-speed automatic transmission

277 hp @ 3750 rpm

460 lb.-ft. of torque @ 1500 rpm

Displacement, cc (cu. in.) – 2992 (183)

Bore & stroke, mm (in.) – 84 x 90 (3.30 x 3.54)

Compression ratio – 15.0:1

Estimated fuel consumption ratings L/100 km (mpg) City/Highway:<sup>1</sup>

2WD – 10.2/7.2 (28/39)

4x4 – 10.4/8.0 (27/35)

Maximum payload<sup>2</sup>; lb. (kg) – 1870 (848)<sup>7</sup>

Maximum towing<sup>4</sup>; lb. (kg) – 9300 (4218)<sup>8</sup>

<sup>1</sup> Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. <sup>2</sup> These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. <sup>3</sup> Requires Silverado 1500 Double Cab Standard Bed 2WD with available Max Trailering Package. <sup>4</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>5</sup> Requires Silverado 1500 Double Cab Standard Bed RST 4x4 with available Max Trailering Package and 20" wheels or Double Cab Standard Bed 4x4 with available Max Trailering Package. <sup>6</sup> Requires Silverado 1500 Double Cab Standard Bed RST 4x4 with available Max Trailering Package and 20" wheels. <sup>7</sup> Requires Silverado 1500 Crew Cab Short Bed 2WD or 4x4. <sup>8</sup> Requires Silverado 1500 Double Cab Standard Bed 4x4 or Crew Cab Short Bed 4x4.

**1** Requires available Rally Edition. **2** Requires available 22" polished-aluminum wheels (RVA). **3** Requires available Bed Protection Package. **4** Requires available 2.7L Turbo engine. **5** Requires available LT Convenience Package. **6** Requires available RST Convenience Package or Convenience Package with Bucket Seats. **7** Requires available LT Trail Boss Convenience Package or Convenience Package with Bucket Seats. **8** Read the vehicle Owner's Manual for important feature limitations and information. **9** Requires available Safety Package II. **10** Requires available Custom Convenience Package. **11** Requires available LT Convenience Package or Remote Start Package. **12** Requires available Technology Package. **13** Requires available LT Convenience Package. **14** Requires available WT Convenience Package. **15** Requires available Convenience Package II. **16** Requires available LTZ Convenience Package. **17** Requires available Convenience Package with Bucket Seats. **18** Requires available LTZ Convenience Package, LTZ Plus Package or LTZ Premium Package. **19** Double Cab models. **20** Requires available Leather Package. **21** Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. **22** Visit [my.gm.ca/Chevrolet/en/learnAbout/bluetooth](http://my.gm.ca/Chevrolet/en/learnAbout/bluetooth) for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. **23** Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. **24** Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. **25** Available on select Silverado models with compatible hardware. App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. Terms and limitations apply. **26** Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. **27** Requires available LTZ Convenience Package II. **28** Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Visit [onstar.ca](http://onstar.ca) for more details. **29** The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See [myChevrolet.ca](http://myChevrolet.ca) for more information. **30** Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at [siriusxm.ca/terms](http://siriusxm.ca/terms). **31** Factory-installed equipment purchase required. Requires available Infotainment Package on Custom and Custom Trail Boss. **32** Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. **33** Requires available OnStar Safety & Security Plan coverage. **34** Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit [onstar.ca](http://onstar.ca) for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. **35** Capabilities vary by model and/or vehicle configuration and service plan. Visit [onstar.ca](http://onstar.ca) for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. † All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

<sup>1</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at [siriusxm.ca/terms](http://siriusxm.ca/terms). <sup>2</sup> Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit [onstar.ca](http://onstar.ca) for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. <sup>3</sup> Not compatible with all devices. <sup>4</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>5</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>6</sup> Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>7</sup> The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See [myChevrolet.ca](http://myChevrolet.ca) for more information.

**Other ownership privileges and programs:<sup>9</sup>**

- Chevrolet Protection Plan – the only extended service plan backed by the resources and commitment of General Motors. The Chevrolet Protection Plan may be purchased at the time of vehicle sale or subsequently during the Base Warranty Coverage period.<sup>10</sup>
- Chevrolet Owner Centre – Everything you need to know. Anything you need to do. Your Chevrolet Owner Centre makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Centre today to register or take a tour. Find out more at [mychevrolet.ca](http://mychevrolet.ca).
- Discount Programs – save on your next vehicle. Students or recent graduates,<sup>9</sup> people with disabilities<sup>9</sup> and military personnel<sup>9</sup> you may be eligible<sup>11</sup> for a discount on select new Chevrolet vehicles leased or purchased. Combine your discount with great retail offers for an exceptional value. For full details on all programs offered in Canada, visit [programs.gm.ca](http://programs.gm.ca).
- GM Card<sup>®</sup> – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit [gmcards.ca](http://gmcards.ca).

**Chevrolet ownership experience.** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit [chevrolet.ca](http://chevrolet.ca) to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**Important words about this brochure.** Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at

the dealership or affixed to vehicles are approximates based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the GM Large Pickup segment and the latest available competitive information. Excludes other GM vehicles.

**Engines.** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**Assembly.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**Fleet orders.** Some standard content and owner benefits may be modified or deleted on fleet orders. See dealer for details.

**An important note about alterations and warranties.** Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

**Trademarks.** The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Silverado and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Active Fuel Management, Duraflex, Duramax, EcoTec3, Find New Roads, IntelliBeam, myChevrolet, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. All text, images, graphics, and other materials in this brochure are subject to the copyright and other intellectual property rights of General Motors LLC and/or General Motors of Canada Company. These materials may not be reproduced, distributed or modified without the express written permission of General Motors LLC and/or General Motors of Canada Company. October 2019.

<sup>1</sup> Whichever comes first. <sup>2</sup> Limit of two (2) Lube-Oil-Filter services during the program period. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Additional conditions and limitations apply. See participating dealer for details. <sup>3</sup> Conditions and limitations apply. See Warranty Booklet for details. <sup>4</sup> Conditions and limitations apply. See Owner's Manual for details. <sup>5</sup> Requires factory-installed equipment purchase. <sup>6</sup> Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security Plan coverage, starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit [onstar.ca](http://onstar.ca) for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. <sup>7</sup> Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit [onstar.ca](http://onstar.ca) for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. <sup>8</sup> Capabilities vary by model and/or vehicle configuration and service plan. Visit [onstar.ca](http://onstar.ca) for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. <sup>9</sup> Conditions and limitations apply. <sup>10</sup> Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. <sup>11</sup> Subject to eligibility.
