

SPARK 2020

CHEVROLET

Spark 2LT in Red Hot.

# STRIKE UP A LITTLE FUN.

*Spark.* The beginning of something new. A great idea or a brilliant thought. That's the thinking behind the Chevrolet Spark, a small car ready to take on the city. It's not only fun to drive, it also fits almost anywhere you need to go with space for friends and necessities. Smart technology helps keep you connected. And with an estimated highway fuel consumption rating of 6.2 L/100 km<sup>1</sup>, Spark gets around. And around.

## FIND NEW ROADS™

<sup>1</sup> 2020 MY Spark with 5-speed manual transmission fuel consumption estimate is 8.0 L/100 km city and 6.2 L/100 km highway. Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to [vehicles.nrcan.gc.ca](http://vehicles.nrcan.gc.ca) for details. Your actual fuel consumption will vary.

## MODELS

### LS

Small wonder. Spark LS gives you 5-door fun with a practical side.

With 10 standard airbags<sup>1</sup>, the StabiliTrak<sup>®</sup> Electronic Stability Control System and a Rear Vision Camera<sup>2</sup>, Spark may be small in size but it's big on safety. In addition, the Chevrolet Infotainment 3 system<sup>3</sup> with Bluetooth<sup>®</sup> audio streaming<sup>4</sup> helps you stay confident and connected.

### 1LT

Move on up to a Spark that really shines in the city.

This Spark is designed to be the centre of attention, with 15-in. Silver-painted aluminum wheels and body-colour mirrors.

With SiriusXM<sup>®5</sup> All Access Package with 3-month trial subscription and electronic cruise control, Spark 1LT is perfect for hitting the open road.

Top: Spark LS in Passion Fruit (extra-cost colour).

Bottom: Spark 1LT in Orange Burst (extra-cost colour).

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. <sup>2</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>3</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>4</sup> Visit [my.gm.ca/Chevrolet/en/learnAbout/bluetooth](http://my.gm.ca/Chevrolet/en/learnAbout/bluetooth) for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. <sup>5</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at [siriusxm.ca/terms](http://siriusxm.ca/terms).

## MODELS

### 2LT

A Spark with plenty of style as well as advanced safety features to help alert you to potential dangers.

On the safety side, Forward Collision Alert<sup>1</sup>, Lane Departure Warning<sup>1</sup> and Automatic Emergency Braking<sup>1</sup> are standard on 2LT.

Your experience is elevated with the smooth performance of a Continuously Variable Transmission and the open-air exhilaration of a power sunroof, not to mention Keyless Open and Start and Rear Park Assist<sup>1</sup> that can help guide you while parking in tight spots.

Spark 2LT in Caribbean Blue (extra-cost colour).

<sup>1</sup> Read the vehicle Owner's Manual for important feature limitations and information.

Spark 2LT interior in Jet Black with Dark Anderson Silver accent stripe.

## INTERIOR DESIGN

# STAY PLUGGED IN.

- Built-in 4G LTE Wi-Fi® Hotspot<sup>1</sup> (data plan required) providing a fast Internet connection for up to seven compatible devices.
- Chevrolet Infotainment 3 system<sup>2</sup> with 7-in. diagonal colour touch-screen.
- Apple CarPlay<sup>®3</sup> compatibility.
- Android Auto<sup>™4</sup> compatibility.
- myChevrolet App<sup>5</sup> available to download.

<sup>1</sup> Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. <sup>2</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>3</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>4</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. <sup>5</sup> Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by model and/or vehicle configuration, device and the plan in which you are enrolled. Device data connection required. Visit [onstar.ca](http://onstar.ca) for more details.

Two illuminated USB ports<sup>1</sup> for easy smartphone plug-ins.

770 L (27.2 cu. ft.)<sup>2</sup> of cargo space with rear seats folded.

Centre stack provides easy access to information.

<sup>1</sup> Not compatible with all devices. <sup>2</sup> Cargo and load capacity limited by weight and distribution.

## SAFETY AND DRIVER ASSISTANCE

### READY AND VIGILANT.

**Automatic Emergency Braking.** At speeds below 60 km/h, if an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Standard on 2LT.

**Forward Collision Alert.** This feature monitors how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Standard on 2LT.

**Lane Departure Warning.** This camera-based system reads traffic lane markings when identifiable and provides alerts if you unintentionally drift out of your lane without using a turn signal. Standard on 2LT.

**Rear Park Assist.** When travelling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Standard on 2LT.

**Rear Vision Camera.** When travelling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Spark. Standard on all models.

**10 standard airbags!** Every Spark includes frontal and knee airbags for driver and front passenger and head-curtain and seat-mounted side-impact airbags for all outboard seating positions.

**StabiliTrak® Electronic Stability Control.** This system detects the difference between the path being steered and the direction the vehicle is actually travelling. It then uses the brake(s) and, if necessary, adjusts engine torque to help you keep your Spark on track. Standard on all models.

**OnStar Automatic Crash Response.** In a crash, built-in sensors are designed to send a signal that can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor<sup>2</sup> who can help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your vehicle's approximate location and contact first responders to get you help. OnStar Automatic Crash Response is included in the available paid OnStar Safety & Security Plan<sup>3</sup>.

**Safety starts with you.** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. <sup>2</sup> OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch. <sup>3</sup> Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Services are subject to user terms and limitations, and may vary by model and/or vehicle configuration. Not all vehicles may transmit all crash data. OnStar acts as a link to existing emergency service providers. Visit [onstar.ca](http://onstar.ca) for more details.

## EXTERIOR COLOURS

GAN – Silver Ice

GAZ – Summit White

GB0 – Mosaic Black<sup>1</sup>

GG2 – Red Hot

Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. <sup>8</sup> Conditions and limitations apply. <sup>9</sup> Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. <sup>10</sup> Subject to eligibility.

the dealership or affixed to vehicles are approximates based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and the latest available competitive information. Excludes other GM vehicles.

**Engines.** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**Assembly.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**Fleet orders.** Some standard content and owner benefits may be modified or deleted on fleet orders. See dealer for details.

**An important note about alterations and warranties.** Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
