KIT

VEHICLE ACCESSORIES

ABOVE AND BEYOND

Land Rover vehicles are bold, versatile and luxurious, with a groundbreaking design that incorporates many practical features as standard. But because every owner enjoys his or her own unique lifestyle and pursuits, there is a range of specialized items to bring even more style and added capability to your Land Rover. And most accessories can be added at any stage during your vehicle's life. These latest accessories may be suitable for both LR4 and LR3 models. Please ask your Land Rover retailer for details.

# Why Buy Genuine Land Rover KIT?

**KIT: The Land Rover Retailer-fitted vehicle accessory range engineered specifically for Land Rovers**

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner's lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here's why:

## **PREDICTIVE ANALYSIS**

Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

## **VIRTUAL ENGINEERING**

Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

## **ENVIRONMENTAL**

Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

## **DURABILITY**

All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

## **RIG TESTING**

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

## **WARRANTY**

KIT is covered by the same limited new vehicle warranty as your Land Rover when installed at the time of customer delivery.

## WHEELS

Make your Land Rover stand out with a smart set of alloy wheels. Choose from a range of striking designs, each tested to perform far in excess of normal driving situations. And for adverse conditions, a snow traction system can assist you and your vehicle.

**19-inch 6-Spoke Alloy Wheel** (Rim only)  
**Shadow Chrome Finish** — RRC002900MNL  
2005-09 vehicles only

**Recommended Tire:**  
255/55 R19 111V A/T

**Titan Silver Finish** — VPLAW0003\*  
 For 2009 vehicles onward

**Recommended Tire:**  
 Pirelli Scorpion Zero 255/50 ZR20 109Y

**Center Cap**  
 High Gloss Finish — RRJ500030MCM

#### **Snow Traction Control System**

For enhanced traction on snowy or icy surfaces, conveniently fasten the Snow Traction Control System to your Land Rover's front wheels. Sold in sets of two.  
 For 17" wheels — VUJ000010  
 For 2005-09 vehicles (18" and 19" wheels) — VUJ000020

\*Please note: Must be ordered as a set of five 20" wheels per vehicle and each 2009 vehicle must have a tire information label fitted. (All markets except North America VPLAW0004; for North American markets VPLAW0005.) Please see your Land Rover retailer for further information.

When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with a retailer when selecting your vehicle and specification.

#### Wheel Locks

Help protect your Land Rover's wheels from theft with locking wheel nuts that can be removed only with a special tool that accompanies the kit.  
For 2006 vehicles onward — VUB504120

#### Wheel Lug Nuts

High Gloss Black (Set of 20) — VPLWW0078

#### Center Caps

Add a distinctive finishing touch to your Land Rover's wheels with attractive Center Caps.  
Green Gold logo on Sparkle Silver cap — RRJ500030MNH  
Black Silver logo on Sparkle Silver cap — RRJ500030WYS  
Green Gold logo on Bright Silver cap — RRJ500030MCM  
Black Silver logo on Bright Silver cap — RRJ500030WYT  
Green Gold logo on Chrome cap — RRJ500060WYU  
Black Silver logo on Chrome cap — RRJ500060MUZ

#### Valve Stem Caps

Enable the Land Rover presence to permeate every detail of your vehicle — right down to its tire valve stem caps (Tire Pressure Monitoring System-compatible).

Full-color Land Rover logo — LR027560  
Black logo on silver background — LRN90310  
Union Jack logo — LR027664

Black Union Jack logo — LR027666  
N<sub>2</sub> "Nitrogen" Logo — VPLFY0071

#### Spike Spider Snow Traction System

With its Spike Spider design, this snow traction system can be easily attached to, or removed from, your Land Rover's front wheels.

For 18", 19" and 20" wheels — LR005737

## EXTERIOR

Exterior accessories for your Land Rover combine rugged protection with stylish looks. The protection bars and lamp guards can lead a punishing life if full use is made of your vehicle's impressive all-terrain potential. Doors and sills also can find life tough, so Land Rover designed side steps, body side moldings and protection tubes to help prevent stone chips, scuffs and scrapes, whether you're crossing the countryside or the parking lot.

### **Protection Bar**

Made from soft-feel polyurethane. Compatible with the Electric Winch.  
Driving Lamp Kit not included.  
For 2010 vehicles onward — VPLAP0022

#### **A-Frame Protection Bar**

Made from soft-feel polyurethane. Includes front Park Distance Control adaptation kit, if required.

For 2005-09 vehicles — LR005237

For 2005-09 vehicles (with winch compatibility)  
— LR005743 (not shown)

#### **Protection Bar License Plate Bracket**

For 2005-09 vehicles only — VUB500670

#### **Brush Bar**

This black, one-piece, nylon-coated steel wraparound bar enhances your vehicle's front bumper protection.

For 2005-07 vehicles — VUB501270

Side Windows — LR006510

Hood — LR006512

# CARRYING AND TOWING

From sailboards and skiing gear to more extreme pursuits, your Land Rover's carrying and towing equipment can help handle the load. Eight different specialized roof carrying systems are available to transport a wide range of items, plus there's a rear-mounted carrier to satisfy bike enthusiasts. And if loads are too big for the roof, choose from two different tow bars to make use of your Land Rover's impressive towing capability.

## Rear Ladder

For 2010 vehicles onward — AGP780020

## Sports Roof Box – Gloss Black Finish\*

Lockable for security. Can be mounted either way for curbside opening in any country. Internal retention system for skis or other long loads. External dimensions: 81" long x 33" wide x 13" high.

Volume: 92 gallons. Load capacity: 165 lbs.  
VPLVR0061

## Expedition Roof Rack\*

Vehicle must be fitted with a Short Roof Rail Kit CAB500120PVJ/CAP500090. Vehicle height when fitted at normal ride height: 82½". Load capacity: 119 lbs.  
CAB500021PMA

## Cross Bar Kit

Adjustable position crossbars for carrying all Land Rover roof-mounted accessories featured. Easily removed when not in use. Lockable for security. Vehicle height when fitted at normal ride height: 78". Load capacity: 158 lbs. Vehicle must have factory-fit roof rails fitted or Roof Rail Kit CAB500120PVJ (short black roof rails not shown) /CAP500090/VPLAR0075. Silver Finish with Black Feet — VPLAR0001

## Lashing Eye Kit

Six additional tie-down points for use with T-slots on Cross Bars.  
VUB503160

## Ratchet Strap

Nylon tie strap for securing items to the Cross Bars, Luggage Carrier or Expedition Roof Rack. 16' long x ¾" wide; supplied individually.  
CAR500010

#### Full Length Roof Rail Kit

Cross Bars sold separately. See page 14.  
Bright Finish — VPLAR0075  
Black Finish — VPLAR0074

#### Luggage Roof Box – Gloss Black Finish\*

Lockable for security. Opens from both sides. External dimensions: 69" long x 32" wide x 18" high. Volume: 97 gallons. Load capacity: 165 lbs.  
VPLVR0062

#### Short Roof Rail Kit – Bright Finish

Designed for vehicles not fitted with factory-fit roof rails.  
CAP500090

#### Luggage Carrier\*

Load capacity: 138 lbs.  
LR006848

#### Aqua Sports Carrier\*

Carries one surfboard or sailboard and mast, or one canoe or kayak.  
Load capacity: 99 lbs.  
LR006846

#### Ski and Snowboard Carrier\*

Lockable for security. Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Load capacity: 79 lbs.  
LR006849

#### Ski Carrier (not shown)

Maximize your Land Rover's interior space by transporting skis with this durable, roof-mounted Ski Carrier. Choose from two models. Carrier for 3 pairs of skis — LRN50141

\*Roof Rails and Cross Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

#### **Bungee Cargo Net**

Secure cargo with this durable cargo net that will not rust or scratch your gear. Extremely flexible, this net works especially well with the Land Rover Luggage Carrier (LR006848).  
LR005083

#### **Roof Box Lifting Aid**

This garage ceiling-mounted pulley system allows you to lift equipment on to your LR4 with ease. It can also be used for conveniently storing the roof box when removed from the vehicle. (Not pictured)  
VPLVR0096

#### **Cargo Carrier**

This durable, lockable 13.5-cu.-ft. storage pod (250-lb. capacity) conveniently swings away for easy access to the rear cargo space. It comes with tail lights and a detachable 21" x 49" tray. Note: Requires quick release Tow Hitch Receiver (LR040248) and Towing Electrics (depending on model year), sold separately for installation.  
LR004682

#### **Bike Carrier (Ride Ready)**

Securely transport your bike on the roof of your vehicle with this durable, lockable carrier that conveniently requires no disassembly of the bike.  
VPLFR0091

#### **Swing-Away Bike Rack**

Secure bikes with this durable rack which conveniently mounts to your Tow Hitch Receiver (LR040248) and swings away for easy loadspace access.  
Carrier for 4 bikes — LR008387

#### **Drawbar/Adapt-a-Ball Set**

For use with the Tow Hitch Receiver, this Drawbar Set includes a 2-inch tow bar, 3 different-sized adapt-a-balls, a locking hitch pin and a molded carrying case. Its specs include a 9-inch length, 3/4-inch rise, 2-inch drop and 550-lb. tongue weight. Note: Requires Tow Hitch Receiver (LR040248). VPLAY0060

#### **Tow Hitch Receiver**

This robust Tow Hitch Receiver delivers a 7,716-lb. trailer load capacity and a tongue weight capacity of 550 lbs. The receiver easily detaches from your Land Rover and is lockable for security. LR040248

#### **Towing Mirror Extensions**

Extend the view of your side mirrors when towing with these premium, detachable towing mirrors supplied in a Land Rover-branded bag. (Not pictured) VPLVT0080

#### **Towing Electrics**

Centrally mounted sockets in your Land Rover's rear bumper provide electric power and rear lighting for your trailer. (Not pictured)

For 2010 vehicles onward — VPLAT0013

For 2005-09 vehicles — YWJ500220

#### **Quick Release Tow Bar Stowage** (not shown)

Hidden loadspace storage block.

7-seat vehicles only.

For 2010 vehicles onward — VV0500020

#### **Tow Strap** (not shown)

Includes storage bag that can be attached as a warning flag to the strap. Maximum load capacity: 6,615 lbs.

For 2010 vehicles onward — STC8919AA

Note: The **Tracking Target Sticker** is required for vehicles fitted with the Trailer Assist option. LR021589

#### **Electric Winch**

9,500-lb. maximum load capacity. Includes cover for protection when not in use. Plug-in remote control allows safe operation from up to 3.6m. Compatible with Protection Bar (VPLAP0022).

For 2005 vehicles onward — VPLAP0130

#### **Winch Accessory Kit**

(not shown) STC53202

Includes strap, snatch block, two shackles, heavy duty gloves and a storage bag.

# INTERIOR

Your Land Rover's intuitive, sumptuous interior exudes craftsmanship and comfort. There is also the opportunity to add even more practicality with accessories such as a cargo barrier, stainless steel sill tread plates and waterproof seat covers.

## iPad® Holder

Mount your iPad to this Land Rover-branded holder that attaches to the vehicle's headrest posts and features a quick-release design. Your iPad can be displayed in either a portrait or landscape format, and the holder allows easy access to all ports and controls.

Style 1 (fits iPad 1) – VPLVS0164

Style 2 (fits iPad 2 onward) – VPLVS0165

## Coat Hanger

Made from rounded chrome metal, this Land Rover-branded hanger easily attaches to the back of the front-seat headrest so you can keep your clothes looking sharp.

VPLVS0167

## Sunshade

Help shield your vehicle's interior against the sun's rays with this Land Rover-branded sunshade.

VPLFY0068

#### **Seatback Storage – Standard**

This convenient stowage system for the rear of the front seats provides multiple compartments for carrying small items.  
VPLVS0181

#### **Seatback Storage – Premium**

Manufactured from the finest materials with soft-touch interior lining and magnetic button clasps, this convenient stowage system for the rear of the front seats provides multiple compartments for carrying small items.  
VPLVS0182

#### **Rechargeable Flashlight**

This high-powered rechargeable flashlight includes an integrated charging dock that's mounted into the loadspace trim to ensure it's always charged and ready for use. The light features a 300-lumen light output. Available from February 2014 onward.  
VPLAV0102

#### **Ski Bag**

Conveniently carry up to two pairs of skis and poles (up to 70" in length) in a Land Rover-branded ski/snowboard bag. Made from durable polyester, this waterproof bag also includes a removable strap.  
VPLGS0166

#### **Waterproof Seat Covers**

These washable, fire-retardant seat covers are made from 100 percent nylon and are impervious to mud, oil, water, suntan lotion and muddy paws. Includes headrest and armrest covers. Colors shown may differ from the actual product.

Shield your Land Rover from dust, dirt and other particles with this durable Car Cover. Ideal for the indoors or outdoors, it conveniently stores when not in use. VUB504140

# landrover.com/ourplanet

Our commitment is to a sustainable future. In everything from the design of our vehicles and the way we build them to how and where we use them and, at the end of their life, how they can be safely disposed of, Land Rover is committed to a sustainable future. We're committed to reducing our impact on the environment and are working in four key areas.

## e\_TERRAIN TECHNOLOGIES

In 2007, we announced a joint investment in new technologies to improve the environmental performance of our vehicles. This joint investment now stands at \$1.3 billion. In 2008, we revealed our new concept vehicle, the LRX: a Land Rover in body and spirit but conceived as a hybrid 2.0-liter diesel with potential CO<sub>2</sub> emissions of 120g/km.

## SUSTAINABLE MANUFACTURING

World-class manufacturing facilities. Certified to ISO 14001 since 1998.

Our manufacturing facilities at Solihull and Halewood have reduced emissions by around 4 percent year on year, over the past 5 years. Total energy used in manufacturing each vehicle has been reduced by 19 percent since 2002 while water use per vehicle has been cut by 14 percent over the same period. We're also offsetting all CO<sub>2</sub> emissions by the manufacturing assembly of Land Rover vehicles at both plants. Partnered with specialist organization Climate Care, our projects include a wind farm in China and hydroelectric generators in Tajikistan. In addition, Land Rover vehicles are now designed to be 85 percent recyclable with all current models meeting the European End of Life Vehicles Directive. Sustainable and recyclable materials play an important role too: LR2 contains 10 percent recycled and 10 percent renewable materials.

## CO<sub>2</sub> OFFSETTING

In 2006, in the UK, we launched a pioneering program for customers, independently administered by Climate Care, to offset CO<sub>2</sub> emissions for the first 45,000 miles of all new Land Rovers. This program is being rolled out progressively to other countries around the world. We're also the first automotive company to offset 100 percent of our manufacturing assembly CO<sub>2</sub> emissions.

## GLOBAL CONSERVATION AND HUMANITARIAN PROJECTS

Land Rover vehicles are used by conservation and humanitarian organizations worldwide and are often first choice for difficult tasks. Organizations include the Born Free Foundation, Biosphere Expeditions, Royal Geographical Society (with IBG), China Exploration and Research Society, and Earthwatch Institute. Our projects are diverse, ranging from an initiative to help with the protection of rare wolves in Ethiopia to a project funded by our CO<sub>2</sub> offset program that provides efficient cooking stoves to rural parts of Uganda.

## OUR PLANET

We take our responsibility to our planet very seriously. Our vehicles are designed for purpose. As part of our Fragile Earth policy, Land Rover has actively promoted responsible off-road driving since 1990. Our Experience Centers teach drivers to understand the full potential and unique breadth of the capability of their vehicles while reducing impact on nature and the environment in a wide range of activities.

All Land Rover-approved Accessories fitted by a Land Rover Retailer within one month or 1,000 miles (whichever occurs first) of the handover of a new vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside these parameters will be subject to a 12-month unlimited mileage warranty. All Land Rover-approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and, importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.

## Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.

Please recycle this brochure after use.
