YOURS TO DEFINE

Imagine taking a fully capable, elegant, sports-tour vehicle and customizing it with your own personal touch.

FOR MANY, OWNING A RANGE ROVER IS THE CULMINATION OF A LONGTIME AMBITION. Some of you, however, may feel that you're not done yet. Stylish, sturdy Range Rover accessories add a distinguished accent to your vehicle or supplement its functionality with a variety of useful items.

This collection of accessories has been designed and engineered to the same stringent standards of your Range Rover to augment its appearance, complement your lifestyle or otherwise personalize your ownership experience. Your Range Rover is yours to define.

From the A-frame Front Protection Bar to Waterproof Seat Covers, Range Rover accessories never compromise — they're expertly crafted for your vehicle and invite you to get creative or get practical, depending on your individual needs and vision. And they are backed by the same limited warranty as the vehicle itself when installed at the time of purchase.*

**Ask your retailer for a copy of the warranty.*

Why Buy Genuine Land Rover KIT?

KIT: The Land Rover Retailer-fitted vehicle accessory range engineered specifically for Land Rovers

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner's lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here's why:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

VIRTUAL ENGINEERING

Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

ENVIRONMENTAL

Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

WARRANTY

KIT is covered by the same limited new vehicle warranty as your Land Rover when installed at the time of customer delivery.

WHEELS

Augment your Range Rover's impeccable aura with stunning alloy wheels.

CENTER CAPS

Add a distinctive finishing touch to your Range Rover wheels with attractive Center Caps.

LAND ROVER LOGO PLATES

Trumpet the arrival of your Range Rover with these durable, stylish Land Rover License Plates which feature a domed raised medallion mounted to the plate.

Brushed Silver	LR007528
Matte Black	LR007529

DAY TENT

Savor the outdoors wherever your Range Rover takes you with this Day Tent that includes windows and mesh screens. With its integral frame, the Day Tent assembles in less than 10 minutes and can stand alone or attach to your Range Rover (using the Day Tent Connection).

VTW500020

DAY TENT CONNECTION

Quickly attach the Day Tent to your Range Rover for added convenience.

VTW500070

CARRYING/TOWING/CARGO STORAGE

Pursue adventure with stalwart accessories engineered to complement your lifestyle.

INTEGRATED ROOF RAIL SYSTEM

Adjustable crossbars accommodate your cargo needs (up to 201 lbs. of load capacity) with supreme adaptability, supporting a range of loads and attachments. The system is compatible with the existing range of roof-carrying accessories, such as the ski, kayak, canoe, snowboard and surfboard carriers. See your retailer for more details.

CAB000040PMA

EXPEDITION ROOF RACK

Whether your mission is to traverse an urban jungle or a real one, this durable aluminum roof rack helps you survive and thrive, reliably transporting your cargo to your journey's end. Vehicle total height when fitted: 6.53 feet. Capacity: 179 lbs.

CAB500070PMA

SPORT BAR ROOF RACK

Weekends are made for activity, and Land Rover champions your pursuits with these crossbars that support your Range Rover roof boxes and carriers. The system is compatible with the existing range of roof-carrying accessories, such as the ski, kayak, canoe, snowboard and surfboard carriers. The aerodynamic design minimizes wind drag and noise, and the crossbars are easily removed when not in use. The roof rack carries up to 212 lbs. of load capacity. See your retailer for more details.

VUB502790

ROOF CARGO BAG

Store up to 15 cu. ft. of goods in this durable, attractive bag. Made from weatherproof materials and comes with eight straps. Works ideally with the Luggage Carrier (CAN500040).

LR004683

SMALL ROLLING DUFFEL BAG

This rainproof duffel bag features 4 cu. ft. of storage, a telescoping handle and inline wheels. It easily attaches to, and detaches from, the Luggage Carrier (CAN500040).

LR004681

BUNGEE CARGO NET

Secure cargo with this durable cargo net that will not rust or scratch your gear. Extremely flexible, this net works especially well with the Land Rover Luggage Carrier (CAN500040).

LR005083

CARGO CARRIER

Carry additional items and gear without compromising interior space with this 13.5-cu.-ft. storage pod. This durable container holds up to 250 lbs. and comes with tail lights and a detachable 21" x 49" tray. Requires Towing Electrics (see page 16), sold separately for installation.

LR004682

LUGGAGE BOX

Maximize your Range Rover's interior space by storing luggage in this lockable container that conveniently opens from either side. Measuring 55" long x 35" wide x 14" tall, it offers a 120-lb. load capacity. Requires the Integrated Roof Rail System.

CAK500010

SPORTS BOX (LOCKABLE)

Carry sports equipment in this sturdy box that provides a 124-lb. load capacity. With an internal retention system that is especially suited for skis and other long objects, it measures 88" long x 21" wide x 14" tall. Requires the Integrated Roof Rail System.

CAK500020

LUGGAGE CARRIER

Secure luggage to this durable, roof-mounted platform that features a 116-lb. load capacity. Requires the Integrated Roof Rail System.

CAN500040

RATCHET STRAP

Secure items to the Luggage Carrier, Crossbars or Expedition Roof Rack with this tie strap. (Not pictured.)

CAR10003L

SWING-AWAY BIKE RACK

Transport bikes, skis or snowboards with this durable rack that swings away for easy loadspace access.

4-bike capacity rack

LR005983

BIKE CARRIER (RIDE READY)

Securely transport your bike on the roof of your Range Rover with this durable, lockable carrier that conveniently requires no disassembly of the bike.

LR006847

SKI/SNOWBOARD CARRIER

This lockable carrier can handle either four pairs of skis or two snowboards (78-lb. load capacity). Slide rails augment quick, convenient loading. Requires Integrated Roof Rail System (CAB000040PMA).

CAN500030

SURF SPORT CARRIER

The water sports enthusiast can fasten any one of the following items to this durable carrier: a surfboard, sailboard (with mast), kayak or canoe (99-lb. load capacity).

LR006846

TRAILER HITCH KIT

Pull your weight with strength and confidence using the durable Trailer Hitch Kit.

LRK20941

TOWING ELECTRICS KIT

These sockets help you enlighten your load. They're mounted conveniently in your vehicle's rear bumper and provide the electrical power needed for rear lighting on your trailer. Must be used with the Trailer Hitch Kit. (Not pictured.)

**Towing Electrics Kit

STC53202**

TOW STRAP

Includes a storage bag that can be attached as a warning flag to the strap. Maximum load capacity: 6,615 lbs. (Not pictured.)

STC8919AA

INTERIOR STYLING & TECHNOLOGY

From innovative technology to protective covers, enhance your Range Rover's interior with exclusive accessories.

AUDIO CONNECTIVITY MODULE

Enhance your driving experience by enjoying playback of any digital audio device (MP3 player, CD player, iPod®, USB memory stick, etc.) through your Range Rover's entertainment system. With Land Rover's Audio Connectivity Module, USB memory sticks and iPods can be operated from the head unit or steering wheel-mounted controls. Conveniently located in your vehicle's center armrest, the system houses all necessary audio wires/cables while ensuring clear sound quality.

LR004806

iPod is a registered trademark of Apple Computer, Inc.

DVD SYSTEM*

Enjoying the ride in your Range Rover takes on a new dimension with the premium Land Rover DVD System. The package includes a 10" fold-down screen, game controller, 25 games and two dual-channel infrared wireless headphone sets that allow freedom of movement and provide volume controls for listeners. (2007 model year onward)

RANGEROVERKIT

Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.
