NEW DISCOVERY SPORT
ACCESSORIES
As the first vehicle in a new generation of Land Rover SUV design, the stunning New Discovery Sport fuses contemporary styling with dynamic performance, outstanding versatility and Land Rover’s legendary off-road capability.

To enhance this already extraordinary vehicle, Land Rover offers a wide selection of stylish and practical accessories. From handsome alloy wheels to cargo-carrying aids to interior amenities, Land Rover KIT complements your lifestyle while enabling you to add a personal touch to your SUV.

In addition, many accessories can be added at any stage during the life of your vehicle. Please check with your Land Rover retailer for details.
WHY BUY GENUINE LAND ROVER KIT?

KIT: The Land Rover Retailer-fitted vehicle accessory range engineered specifically for Land Rover vehicles

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner’s lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rover vehicles. Here’s why:

PREDICTIVE ANALYSIS
Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

VIRTUAL ENGINEERING
Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle’s lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

ENVIRONMENTAL
Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

DURABILITY
All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING
Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

WARRANTY
Every accessory includes a warranty that begins on the date of purchase of the accessory and is covered for 12 months (unlimited mileage) or the balance of the new vehicle/emissions warranty, whichever is greater. See your Retailer for details.
Accentuate the style and functionality of your New Discovery Sport with accessories custom crafted for your vehicle. From side steps to bodyside moldings to license plate frames, Land Rover offers a range of high-quality items tailored to your individual taste.

CARRYING AND TOWING

Take your New Discovery Sport to even greater heights with accessories that enhance its towing and cargo-hauling prowess. Whether you’re looking to pull a trailer, carry gear on the roof, or secure your goods neatly inside, there’s a Land Rover accessory that’s right for you.

**Roof Rails**
- VPLCR0132 — Black Finish (Fixed roof)
- VPLCR0136 — Black Finish (Panoramic roof)
- VPLCR0133 — Silver Finish (Fixed roof)
- VPLCR0137 — Silver Finish (Panoramic roof)
- VPLCR0134 — Black Ditch Finishers*
- VPLCR0135 — Silver Ditch Finishers*

Engineered and positioned for optimal weight distribution of cargo, these flush-fitting Roof Rails are required for all Land Rover roof-mounted accessories. Fixed Roof Rails require Roof Rail Ditch Finishers for installation. Load capacity: 220 lbs.

*Required for Fixed Roof Rails only.

**Roof Crossbars**
- VPLCR0131

Along with their bright finish and aerodynamic profile that minimizes noise and wind resistance, the crossbars’ T-track design helps maximize space for multiple accessories. Requires Roof Rails.

**Lashing Eye Kit**
- VUB503160

This kit provides six additional tie-down points for use with T-slots on the crossbars.

Roof Rails and Crossbars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Also, please note, regarding vehicles with an opening roof: Some roof-carrying accessories may restrict opening of the vehicle’s sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.
Ski/Snowboard Carrier*
LR006849
This lockable carrier can handle four pairs of skis or two snowboards (79-lb. load capacity). The slide rails facilitate quick, convenient loading. Requires Roof Rails and Crossbars.

Aqua Sports Carrier*
VPLGR0107
VPLWR0099
— For two kayaks
Consider this premium carrier that can easily transport a kayak, canoe, surfboard or sailboard. Along with a lockable multi-purpose holder for carrying a mast, oars or paddles, the carrier tilts to facilitate easy loading and unloading. It also includes lockable straps and rubber supports for optimal weight distribution.

Luggage Carrier*
LR006848
Secure luggage on top of your New Discovery Sport with this sturdy, roof-mounted carrier (165-lb. load capacity). Requires Roof Rails and Crossbars.

Sports Roof Box*
VPLVR0061
Measuring 68” long x 32” wide x 17” tall, this handy roof box can carry a range of sporting items. An internal retention system keeps skis and other long pieces of equipment in place. Lockable for security. Load capacity: 165 lbs.

Luggage Box*
VPLVR0062
With power-grip mounting for quick roof bar attachment, this durable Luggage Box, measuring 81” long x 33” wide x 17” tall, features a gloss black finish and conveniently opens from either side. Lockable for security. Load capacity: 165 lbs. Requires Roof Rails and Crossbars.

Large Sports Roof Box*
VPLWR0100
Capable of accommodating four pairs of skis or five snowboards, this extra-large roof box includes a power-click quick-mounting system for easy and secure attachment while an integrated non-slip mat surface helps keep your cargo in place. Load capacity: 165 lbs.

Large Sports Roof Box*
VPLWR0099
— For two kayaks

*Roof Rails and Crossbars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Also, please note, regarding **vehicles with an opening roof**: Some roof-carrying accessories may restrict opening of the vehicle’s sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.
Roof Box Garage Lifting Aid
VPLVR0096
This ceiling-mounted pulley system allows you to lift equipment onto your SUV with ease. It also can be used for conveniently storing the roof box when removed from the vehicle. (Not pictured.)

Bumper Protector
VPLVS0179
Shield your rear bumper from scratches and scuffs — and your clothing from dirt — when loading and unloading cargo with this handy, pull-out protector. Stows conveniently beneath the loadspace floor when not in use.

Bike Carrier* (Ride Ready)
VPLFR0091 — Wheel-mounted
VPLWR0101 — Fork-mounted and wheel carrier
Securely transport your bike on the roof of your Land Rover with this durable, lockable carrier which conveniently requires no disassembly of the bike.

Aperture Retention Net
VPLCS0267
Retain items in your vehicle’s loadspace with this handy, flexible net.

*Roof Rails and Crossbars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Also, please note, regarding vehicles with an opening roof: Some roof-carrying accessories may restrict opening of the vehicle’s sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.
Collapsible Cargo Carrier
EEAS0050PVJ
Keep items from shifting during transport with this Collapsible Cargo Carrier that features dividers to separate your items for an extra measure of convenience.

EXTERIOR STYLING ACCESSORIES

Land Rover Exterior Styling Accessories are subjected to a range of stringent environmental tests to ensure they can withstand the toughest climatic conditions. Each accessory product undergoes a series of testing relevant to its design, materials and function, which can include:

- Extreme tests against aging prematurely or discoloration
  - Up to two years’ direct sunlight known as “Florida Weathering”
  - Heat Aging Test for 500 hours
  - Extreme Temperature Test ranging from -40°F to 176°F

Extreme tests to ensure durability and longevity of the finish

- Heat Shock Test, which consists of 16 hours at -40°F then 5 minutes at 158°F
- Humidity Resistance Test, which is 168 hours at 118°F, with humidity ranging from 95%-100%

Accelerated Environmental Cycle Test, composed of a relentless barrage of salt, dirt and dust, simulating a lifetime of real-world driving.

CARRYING ACCESSORIES

- Real-world dynamic testing helps to ensure that the accessory performs with no detrimental effect to the vehicle.
- Specifically tested and approved on the particular vehicle, incorporating a range of challenging durability tests on both the vehicle and carrier, such as the Pavé Test.
- Pavé Testing involves driving the vehicle with a fully laden carrier for hundreds of miles over rough, uneven and extremely bumpy surfaces to simulate a lifetime of use. One mile of Pavé is equivalent to 100 miles of real-world conditions.
TOWING ACCESSORIES

With towing forming such an intrinsic part of the Land Rover DNA, it is an integral part of the dynamic testing for the entire vehicle.

- Towing systems are tested well beyond recognized industry standards to ensure they achieve the position of ‘best in class.’

- While many aftermarket towing solutions are typically developed off-vehicle using rig-based tests, all Land Rover towing systems are tested while mounted to a vehicle body. This helps to ensure that the tow system and vehicle are optimized to work together.

- Towing systems are subjected to challenging Real World Driving Simulations to help ensure that, even in an emergency situation, both the vehicle body and the towing system are able to cope with the pressures applied from a fully laden trailer.

- Towing systems are designed alongside the core vehicle and feature consistent exterior trim parts for a seamless and integrated look.

INTERIOR STYLING ACCESSORIES

Land Rover Interior Styling Accessories are subjected to a range of stringent tests to help ensure they can withstand the challenges of a lifetime of use. Each accessory product undergoes a series of testing relevant to its design, materials and function, which includes quality tests, durability tests and extreme tests against premature aging or discoloration.

- Accelerated Environmental Tests, including a Heat Aging Test, for up to 500 hours

- Performance Specification Tests to ensure quality standards and durability are in line with Land Rover Standards

- Squeak and Rattle Tests to ensure no detrimental effect to vehicle quality and comfort levels

All Land Rover Approved Accessories are manufactured using materials that meet Automotive Industry flammability standards and are compliant with all relevant legislative requirements.

All Land Rover-approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and, importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.
Genuine Land Rover KIT assures confidence
Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.
