DESIGNED
TO INSPIRE ADVENTURE

Limited in Black leather-trimmed seats with Ski Gray accent stitching

MULTIFUNCTION STEERING WHEEL

Convenient control buttons are stationed perfectly, allowing for fingertip control of many vehicle functions. Operate features like cruise control, audio, voice commands and the instrument-cluster menu. An available premium-wrapped heated steering wheel will quickly become your favorite feature during cold days.

UCONNECT® 4C NAV SYSTEM

An available 8.4-inch full-color touchscreen glows with crisp definition, front and center. Smartphone integration happens with available Apple CarPlay™⁷ and Android Auto™⁸. Communicate hands-free⁹ by phone or by text, using your voice while available SiriusXM Guardian™¹² connected services, Siri™ Eyes Free¹³ and premium navigation add even more value.

COLORFUL ACCENTS

The Limited cabin adds a bright dose of custom color. Cleverly placed Grillz Gray accent trim stands out on the front and rear speakers, shifter center console area and door side vents. Trailhawk®, Latitude and Sport are trimmed to show off their unique personalities as well.

TRAIL RATED®

Every Jeep Brand vehicle bearing a Trail Rated® badge is designed and built to Go Anywhere, Do Anything®, and to perform with exceptional 4x4 capability. It must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording!¹⁵ Standard on Trailhawk®.

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

With the turn of a dial, your ability to get traction can match any road condition. In an instant, you've got the right amount of traction control for the type of terrain you're facing. By coordinating many vehicle systems, you're able to navigate the most challenging conditions with ease. Dial settings include Auto, Snow, Sand, Mud and, exclusive on Trailhawk®, Rock mode.

JEEP® BRAND 4x4 SYSTEMS

JEEP® ACTIVE DRIVE Put your capability on automatic pilot. This available 4x4 system does the work for you, targeting exactly when you need a boost of traction. It features a single-speed Power Transfer Unit (PTU) that combines proven Jeep Brand capability with welcome efficiencies to deliver a double whammy of 4x4 prowess and fuel-saving smarts. Jeep Active Drive can seamlessly transition from FWD to 4WD and back again, thanks to the system's smart rear-axle disconnect that operates in tandem with the available Selec-Terrain® Traction Management System's Auto mode. Under normal driving conditions, the front wheels provide most of the traction. But should the front wheels start to lose grip, power automatically transfers to the rear wheel(s), so you seamlessly maintain optimal traction without having to take additional action.

JEEP ACTIVE DRIVE LOW This system gives Trailhawk® its super powers to easily conquer tough ridges, rocks and weather, or the extra determination to pull a boat out of a lake. This one-speed system features Hill Descent Control that adds extra control over throttle, speed and braking, allowing you to smoothly travel down steep hills. Dial in to Rock mode when you need the boost of a 21:1 crawl ratio. Exclusive to Trailhawk.

Limited in Alpine White

ALL-NEW 1.3L MULTIAIR®2 TURBO 4-CYLINDER ENGINE

Its direct fuel injection helps to deliver 177 hp and 210 lb-ft of torque, to push the envelope of towing power while handing over welcome fuel efficiencies, with up to 32 hwy mpg,* and lowered emissions. Engine Start/Stop Technology helps reduce emissions and improve efficiency. Active Grille Shutters open and close automatically to help control the flow of air, reducing drag and helping to improve mpg performance (Trailhawk® excluded). Paired with the 9-speed automatic transmission. Standard on Limited and Trailhawk models. Available on Sport and Latitude models.

2.4L TIGERSHARK® MULTIAIR2 I-4 ENGINE Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. Its 180 hp and 175 lb-ft of torque hand over its power whenever requested. A clean-burning, fuel-efficient workhorse. Standard on Sport and Latitude models.

9-SPEED AUTOMATIC TRANSMISSION Shifting gears with a precision that's as smooth as silk. The gears are fine-tuned with a ratio spread of 9.81 to ensure quick takeoffs and a consistently refined performance. Exceptional efficiencies are produced through all gears at all speeds. Standard with both engines.

FUN IN TOW Expand your options by adding the available Trailer Tow Group and you're able to bring along a ton of toys, literally. The Class III hitch receiver and 4-pin wiring harness have a capacity to tow up to 2,000 lb. Available with both engines.

POWER PLAN

PATH DETECTION¹**

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

KEYLESS ENTER 'N GO™

With the fob in your pocket or purse, depress the brake or clutch pedal, press the Start button, shift into gear and go. Available.

ELECTRONIC STABILITY CONTROL (ESC)²³

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you're veering off your intended path. ESC²³ coordinates Electronic Roll Mitigation (ERM), antilock brake system (ABS) and Brake Assist, all-speed traction control and available Trailer Sway Control (TSC)²³ sending them into action when needed. Standard.

NEW LED LIGHTING

Shine brighter so you can see further and clearly be seen, thanks to LED projector headlamps, taillamps, fog lamps and daytime running lamps (DRLs). Available.

PARKVIEW® REAR BACK-UP CAMERA WITH ACTIVE GRID LINES¹

This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. Standard.

NEW PARALLEL AND PERPENDICULAR PARK / UNPARK ASSIST SYSTEM¹

This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive, as needed. Includes ParkSense® Front and Rear Park Assist¹ sensors. Available.

UNPARK ASSIST¹

Controls the vehicle's steering while providing the driver with gear and braking instructions to help navigate out of parking spots. Available.

RAIN-SENSITIVE WINDSHIELD WIPERS

Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected. Available.

TRAILER SWAY CONTROL (TSC)²³

Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control²³ TSC²³ helps keep you and the toys you tow safely on course. Standard.

WINDSHIELD WIPER DE-ICER

Maintain a clear view of the road ahead during snowy weather. Heating elements on the lower inside windshield glass help keep wipers free from ice and the windshield clear for an unobstructed view of the road. Available.

A SECURE AIR BAG³ SYSTEM

Full-length front and rear side-curtain, driver inflatable knee bolster, seat-mounted side for front occupants, and advanced multistage driver and front-passenger air bags³ all work together to help provide encompassing protection. Standard.

CHASSIS STRENGTH

Maintain peace of mind with this strong safety cage, constructed with up to 70 percent high-strength steel. Exceptional ride quality is experienced as well. Standard.

(1) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (2) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (3) Always sit properly in designated seating positions with seat belts securely fastened at all times. (4) Always check visually for vehicles prior to changing lanes. (5) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (6) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (7) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (8) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 (Lollipop) or higher and the Android Auto app. Android and Android Auto are trademarks of Google LLC. (9) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (10) Check state and local laws regarding the use of remote start systems. (11) SiriusXM satellite radio, SiriusXM Traffic and SiriusXM Travel Link each require a subscription, sold separately or as a package by Sirius XM Radio Inc. If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. (12) All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (13) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (14) Be sure to follow all instructions in Owner's Manual for removal. (15) Do not attempt water fording unless depth is known to be less than 12 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (16) Three-month/168 trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (17) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (18) Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (19) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (20) Send & Go requires a vehicle equipped with a Uconnect 3.4 NAV or Uconnect 4C NAV unit. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (21) Theft Alarm Notification is compatible with factory-installed alarms only. (22) If you have this feature and have reported your vehicle as stolen to an appropriate law enforcement agency, Uconnect will try to locate your vehicle after receiving proper documents and once law enforcement contacts Uconnect Customer Care. Uconnect may refuse to locate your vehicle if you do not provide the requested information or documents. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (23) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws.
