

SERVICE A\$89

- Replace Engine Oil & Filter w/Synthetic Oil
- Rotate Tires
- Front & Rear Brake Inspection
- Fill Washer Fluid
- Check/Top All Fluids & Set Tire Pressure
- Lubricate Chassis Components, Door Locks, Latches & Hinges
- Complete Multipoint Vehicle Inspection & Report

SERVICE B\$209

- Replace Engine Oil & Filter w/Synthetic Oil
- Rotate & Balance Tires
- Front & Rear Brake Inspection
- Replace Cabin Air Filter
- Battery Inspection & Performance Test
- Fill Washer Fluid
- Check/Top All Fluids & Set Tire Pressure
- Inspect Exhaust & Fuel Systems
- Lubricate Chassis Components, Door Locks, Latches & Hinges
- Complete Multipoint Vehicle Inspection & Report

***105,000-Mile Service Interval:**

- Replace Iridium/Platinum Spark Plugs
- Replace Engine Coolant

Pricing dependent on model – call for details

OIL CHANGE PRICING

- Change Oil & Filter
- Top All Fluids
- Set Tire Pressure

Mobil Conventional
5w-30\$34.00

Mobil Synthetic
0w-20\$59.95

ADDITIONAL RECOMMENDED SERVICES

Vehicle Diagnostic Service.....\$99/hour

Using factory specialized digital equipment, our trained technicians will perform complete engine computer, electrical, and emissions diagnostics on your vehicle.

4 Wheel Alignment (every 15,000 miles).....\$89.95

Using state of the art computerized laser equipment, our trained technicians will measure, adjust, and align your vehicles suspension and steering to factory settings to ensure proper tire wear and improved fuel mileage.

Brake System Fluid Flush.....\$99

Our trained technicians will power flush the brake fluid from the entire braking system to remove all moisture and contaminants from the system that cause premature failure of brake components. New factory Nissan fluid will then be installed and all air bled from the system.

Coolant System Fluid Exchange.....\$139

Our trained technicians will exchange the antifreeze in your engine coolant system with fresh Nissan factory antifreeze for extended protection and performance.

Transmission System Fluid Exchange.....\$119

CVT Automatic Transmissions.....\$199

Our trained technicians will exchange the contaminated transmission fluid with fresh Nissan factory transmission fluid for extended protection and performance.

4WD Driveline Fluid Exchange.....\$239

Using the Differential and Transfer Case Fluid Exchange machine, our trained technicians will exchange the front and rear differential fluid and transfer case fluid with fresh factory recommended fluids for extended protection against condensation and viscosity breakdown.
