Service A \$78

- Synthetic Oil and Filter Change
- Rotate Tires
- Lubricate Chassis Components, Door Locks, Latches, and Hinges
- Complete Multipoint Vehicle Inspection
- Adjust Tire Pressures and Inspect Wear
- Inspect and Top Off All Serviceable Fluids, Fill Washer Fluid
- Exterior Car Wash (weather permitting)

Service B \$168

- Synthetic Oil and Filter Change
- Rotate Tires
- Replace Engine Air Filter
- Perform Fuel Injection Cleaner
- Lubricate Chassis Components, Door Locks, Latches, and Hinges
- Complete Multipoint Vehicle Inspection
- Adjust Tire Pressures and Inspect Wear
- Inspect and Top Off All Serviceable Fluids, Fill Washer Fluid
- Exterior Car Wash (weather permitting)

Oil Change Pricing

Conventional Oil & Filter

5w-30 \$34.95

Synthetic Oil & Filter

5w-20 \$59.95

Synthetic Oil & Filter

0w-20 \$69.95

ADDITIONAL RECOMMENDED SERVICES

4 Wheel Alignment \$89.95
(Every 15,000 miles/once a year)

Using factory laser equipment, our trained technicians will measure, adjust, and align your vehicles suspension and steering to factory settings to ensure proper tire wear and improved fuel mileage.

Brake System Fluid Flush \$99
(Every 30,000 miles)

Our trained technicians will power flush the brake fluid from the entire braking system to remove all moisture and contaminants that cause premature failure of brake components. New factory fluid will then be installed and air bled from the system.

Coolant System Fluid Exchange \$139
(Every 5 years)

Our trained technicians will exchange the antifreeze in your engine coolant system with fresh MOPAR factory antifreeze for extended protection and performance.

Transmission Fluid Exchange \$229
(Every 60,000 miles)

Our trained technicians will exchange the contaminated transmission fluid with fresh MOPAR factory transmission fluid for extended protection and performance. (Excludes CVT, 8-speed, and 9-speed transmissions)

4WD Driveline Fluid Exchange \$389
(Every 45,000 miles)

Our trained technicians will exchange the front differential fluid, rear differential fluid, and 4WD transfer case fluid with factory synthetic fluids for extended protection against condensation and viscosity breakdown.

Cabin Air Filter \$62.99 installed
(Every 15,000 miles/once a year)

Want to breathe fresh air? Have our trained technicians replace your cabin heat and a/c air filter with a new factory filter.
