OUR GOAL IS TO PROVIDE YOU WITH AN
EXTRAORDINARY PURCHASING EXPERIENCE

What to Expect Next

When can you go to the DMV?

The documents needed to assist with the registration of your purchased vehicle will be available for you to pick up or can be sent certified mail within 2 weeks.

What can delay my documents?

Any issues that prevent processing (ie. payment, loan contact, trade title, or trade payoffs) may delay these documents. We will notify you in the event of any possible delays that prevent you from being able to register your vehicle within the 30 days the state allows before charging a \$25 fee.

Did you lease your vehicle?

If you are a Missouri resident, please allow 2-3 weeks for us to acquire your lease plates. We will notify you as

soon as they are available to be picked up. All out of state customers are responsible for acquiring your own lease plates. We will provide you with the documents needed to take to the DMV within 2 weeks.

Learn about your vehicle.

If you leased or purchased a new vehicle, our Star Delivery Specialist will reach out to you in 10-14 business days to schedule your personalized Love-Encore delivery.

Questions about your first payment?

Your lienholder will contact you with payment information within 30 days of your purchase. Your lienholder can be found on the Insurance Verification Form found inside your finance packet. Visit the 'What To Expect Next' page on our website to view a list of lienholder information.
